

**HERE'S A HAPPY "TANLAC FAMILY"**

**Sisters Join Their Mother In Declaring Tanlac Meant New Start In Life For Them.**

MRS. JOHN LOWE.

MISS FRANCES BURNETT.

MRS. S. C. BURNETT.

"Someone suggested the other day that we tack a sign on our house saying, 'This Is a Tanlac Family.' That's because my two daughters and I talk so much about Tanlac. We all wear the Tanlac Smile, too," Mrs. S. C. Burnett, 1408 Walnut street, said.

"But why shouldn't we talk about it when we feel that it has done us a world of good. Everyone of us has been helped by Tanlac and I'll tell you we can't say too much for it."

"First my older daughter, Mrs. John Lowe, tried it. She had lost 30 pounds and was so run down and nervous that even the rumbling of a wagon or the slamming of a door would upset her for hours. We feared we would have to send her to a hospital."

"I honestly believe that Tanlac saved her from complete breakdown. Nothing else seemed to help her. But Tanlac put her on her feet again right quick. Today she is one of the happiest women in Cincinnati."

"Then Frances became run down—sort of half-sick. She had dizzy spells. We were going to take her out of school because she kept complaining of spots and webs before her eyes. Her complexion got pasty and she didn't look a bit well. Tanlac however, proved to be just the thing she needed and now she is back in good health again."

**Mother Was Half-Sick.**

"As for myself, I felt almost the same as Mrs. Lowe. My stomach troubled me. My appetite was poor and I suffered after eating with bloating and belching of gas. But with the help of Tanlac I got rid of these troubles and now I feel simply splendid."

"But I started out at first to tell

you about Mrs. Lowe. She simply thought she was going to die. She felt so bad I believe she almost would have been glad to have it all ended. It was just pitiful to watch her. Her weight dropped from 140 to 110 pounds. She couldn't eat without being sick. We had just about given her up. Then we heard of Tanlac and she tried it. All of a sudden she seemed to take new interest in life. Within a week she began eating solid food, just like she did before she had trouble with her stomach. The food nourished her, too, and she began taking on weight. She slept sound and it seemed like no time before she was feeling well again."

**Helps Youngest Girl.**

"One day Frances was up to see her sister. She's the youngest, you know. She was feeling bad and Mrs. Lowe gave her some Tanlac. It made her feel better and she came home and said, 'Mama, I believe that new tonic that helped sister will do me some good. Please get me a bottle.' So I did and do you know that in a week she began to feel better. Now she eats all she wants, sleeps well and doesn't have those dizzy spells or spots before her eyes when she is studying."

"I was such a firm believer in Tanlac by the time it had built up the health of my two girls that I got some for myself. It certainly toned up my system. I used to have nervous spells but they are all gone now. I got back my appetite and now I sleep as well as I did before my stomach started to bother me."

"I tell you Tanlac has done a lot for our family and we can't say too much good about it."

Tanlac, the master medicine and reconstructive tonic, is sold exclusively in PARIS by Varden & Son. Other exclusive agents in nearby towns are as follows: HUTCHISON Snell & Wood; MIL-

LENSBURG, W. G. Wadell; ELIZABETH, Oscar Smith; CARLISLE, Tureman & Son; GEORGETOWN, C. H. Arnold; WINCHESTER, Duty Drug Company; AUSTERLITZ, B. S. Parrish. (adv)

**HOPES TO RID KENTUCKY OF HOG CHOLERA**

"I hope before the end of my administration to see hog cholera eradicated from Kentucky," declared Commissioner of Agriculture Mat S. Cohen, Chairman of the State Live Stock Sanitary Board, after a conference of the board with representatives of the Federal Bureau of Animal Industry in regard to co-operative efforts for the control of all contagious diseases among animals.

Special efforts are now being made for the eradication of hog cholera, which cost the agricultural industry of the State \$2,000,000 in 1912, and Commissioner Cohen said they agreed on a plan of work which he believes will be effective. It has to be sent to Washington for approval.

Since 1912 hog cholera has been reduced about half, principally due to the rigid inspection and disinfection of stock cars during the fight against foot and mouth disease. The Kentucky department endeavored to continue the practice, but could not get the co-operation of the Government and other States.

**PROMISES TO DEPUTY NOT AGAINST CORRUPT PRACTICE ACT**

Candidates for county offices, particularly that of Sheriff, are getting ready to admit, not to say promise, their constituents that they will appoint so-and-so deputies, and the good news is reaching them that they can do this without violating the provisions of the Corrupt Practices Act. Many candidates for county offices, such as Sheriff, Assessor, etc., have been inquiring of Attorney General Logan whether arrangements by which a prospective deputy runs along with his principal for the office, are illegal. General Logan has come to the conclusion that it is all right and not prohibited by the act. The quid pro quo for the appointment is not the vote or less speculative support of a section of the constituency, to whom the personality of the deputy appeals, and since it brings to public notice the character of appointments the candidates will make engineering the opposition of those who disapprove as well as winning the support of such as are satisfied, the moral principles of the statutes are not transgressed. The bill as originally drawn contained language which might have affected this, the best bid for popular support; local candidates have discovered.

**BAD COLD? HEADACHY AND NOSE STUFFED**

"Pape's Cold Compound" Ends Colds and Grippe in a Few Hours.

Take "Pape's Cold Compound" every two hours until you have taken three doses, then all gripe misery goes and your cold will be broken. It promptly opens your clogged-up nostrils and the air passages of the head; stops nasty discharge or nose running; relieves the headache, dullness, feverishness, sore throat, sneezing, soreness and stiffness. Don't stay stuffed-up! Quit blowing and snuffling. Ease your throbbing head—nothing else in the world gives such prompt relief as "Pape's Cold Compound," which costs only 25 cents at any drug store. It acts without assistance, taste nice, and causes no inconvenience. Accept no substitute (adv) (Feb-adv)

**FOUR CANDIDATES FOR JAILER DIE IN NICHOLAS COUNTY**

Evidently it is not a healthy matter to seek the nomination for Jailer of Nicholas County, as four of the prospective candidates for that office have died recently. Each of the candidates was sick but a short time or died suddenly.

E. D. Scott, who was a prospective candidate for the nomination, died while driving to Carlisle one Court Day. Polk Bowen, another candidate, died a few weeks ago after a short illness. Jailer M. M. Brothers, who was a candidate for re-election, was stricken with paralysis, and lived but a few days after he was first taken ill. Mr. Mike Flora, of near Myers, another candidate, died Saturday, after a short illness of double pneumonia, resulting from a bad cold.

But there is another corps of candidates coming into the field, apparently undeterred by the seeming fatality that attends the candidacy for the office.

**WELL,** that snow storm's coming (or that snow storm's here) and you'd better get in that ton of coal your furnace is yearning for. There is only one way to get comfort in the winter time—buy it by the ton.

**MILLERSBURG**

**HISTORY OF MILLERSBURG.**

—We now come to the home of Mr. T. E. Savage. This is one of the few homes in Millersburg that has not undergone a change in the head of the household. It is true there has been many changes in the family, but Mr. Savage owned the home then and he does now. There was no sidewalk in front of the residence, nor none leading from the street to the veranda. The property was well kept, as it is now. Mr. Savage was one of the guarantors of the fund raised to maintain the Kentucky Wesleyan College at Millersburg. A picket fence enclosed the property from the street, as it does now, and is the only landmark of the kind in the neighborhood which connects the present with the past, as all of the other fences have long since been taken down.

Shortly after coming here Mr. Savage laid a rock sidewalk in front of his home and the property described in a previous letter. Later when the spirit of enterprise struck the city, he laid concrete sidewalks in front of all his property. His family consisted of his wife, two daughters, Misses Mary and Katherine Savage, three sons, William E. Savage, Robert and Fred Savage.

Shortly after coming here Mr. Savage accepted a position as salesman in the drugstore of Dr. W. M. Miller, which position he held for many years. The store was afterward sold to Mr. H. Phillips, and later to Smith & Wadell. During the time that Mr. Savage occupied this position he was also notary public, and deputy county clerk, and spent much of his time in the County Clerk's office at Paris. The children were all in school, the two older boys being students at the K. W. C. After the college was moved from here Mr. W. E. Savage completed his education at Center College, Danville, and afterward went to the Ohio Medical College, at Cincinnati. After receiving his diploma he went into the office of Dr. P. S. Connor, at that time the most prominent surgeon in Cincinnati. He remained there until after the death of Dr. Connor. After that he opened an office for himself, which he has since occupied. Some years ago he was united in marriage, and has two children to grace his home.

After Mr. Robert Savage gave up school he went into the grocery of Judy & Collier, as salesman. His health soon failed in an attack of typhoid fever and in a few weeks he died, his remains being interred in the Millersburg cemetery. Miss Katherine Richardson Savage graduated from the M. F. C., and later was united in marriage to Captain A. C. Klockseim, who occupied a chair in the M. M. I. During his stay in Millersburg they occupied rooms in the M. M. I. Captain Klockseim being desirous of prosecuting his education further gave up his chair at M. M. I. and, with his wife, went to Ann Arbor, Mich., where he continued his studies. After completing his post-graduate course there they went to his old home at Cleveland, Ohio, where he engaged

in school work and is still prosecuting the same.

Mr. F. J. Savage, the youngest son, was the first graduate of what is now the M. M. I., then the Millersburg Training School. The Baccalaureate address was delivered on the evening of his graduation by Rev. Mitchell then of the Eleventh Street Methodist Church at Covington, Ky. Mr. Savage made his own way through school, and for many years was carrier of the Cincinnati Post, and by pluck and perseverance secured the education which sent him out into the world to battle with life. After his graduation he went into the L. and N. R. station at Millersburg under Mr. W. V. Shaw, where he studied telegraphy and as soon as he was ready for work he was placed in the Paris L. and N. office by the company, where he has been since then. He has gradually risen from time to time until he holds one of the most responsible positions in that office. Some years ago he was united in marriage to Miss Bessie Boston, a second daughter of Mr. and Mrs. Willis Boston, near Millersburg, and has a little one at home. In the past two years they have built a handsome home at Paris, which they now occupy, in which his father and sister, Miss Mary Savage, spend many happy hours.

Mrs. Sue Jaynes, sister of Mrs. T. E. Savage, sold her home on Trigg avenue to Mr. F. F. Hurst. She then went to make her home with her sister, Mrs. T. E. Savage. After a short time she died of epilepsy and was interred in the Millersburg Cemetery. The Savage family at this time consisted of Mr. and Mrs. T. E. Savage, and one daughter, Miss Mary. Mrs. Savage was in failing health and died later, just after being taken from the operating table at Good Samaritan Hospital, at Cincinnati, Ohio. Mr. Savage and daughter, Miss Mary, have since occupied the home alone. In the past few months Mr. Savage has been in failing health, but we are glad to say that he is better than he was last summer, and hope that many more summers may yet bless him and his. Miss Mary Savage is his house-

keeper and cares for him with the attention and devotion of a mother.

Since resigning his position some years ago with W. D. Wadell & Co. after Dr. Smith had retired from the firm, Mr. Savage has not been engaged in active business. He has prepared more notes, written more deeds, wills, mortgages and contracts than any other man in Millersburg. He is just one of those men that every small town needs.
