PARIS CHAUTAUQUA JULY 2, 3, 4, 5, 6 AND 7.

If the signs point right Paris is going to have a most successful Chautauqua this summer on the above dates. It is a little early perhaps to go into details of the Chautauqua plans, and in fact many of them are not yet decided upon, but with announcement of the program and the general interest which is already manifest, but one in which a great many people will be immensely interested.

As to the sale of the season tickets, every live business man in town will have tickets to sell when the time comes. No one need be troubled about finding a place to get tickets. But the committee is not going to fool themselves by sitting by and waiting for persons to come in and buy tickets. That's all very well in theory, but the way to round them up is to go out and bring them in. So you may depend upon it, someone will call on you within a short time. And it would be fine for you to have your mind made up to go by that time and have the money ready.

WANDERER COMING HOME.

After an absence from "the old home town" of nearly three years, during which time he has visited nearly all the principal cities of the Middle West and the far West, Mr. Sherman Snapp will arrive in Paris about the last of this month from California for a visit to his mother, Mrs. Alice Snapp, and family.

Mr. Snapp has been in charge of a crew of demonstrators of Royal Baking Powder from the time he left Paris, nearly three years ago, and this will be his first visit "back home" in that time. He has visited all the towns of importance along the Pacific Coast from Southern California to British Columbia. In the letter advising his mother of his anticipated return Mr. Snapp stated that he had just returned from a visit to the big shipyards at Vallejo, California, where he had the pleasure of inspecting some of the big ships under construction for Uncle Sam's navy equipment.

NEW VERSION OF "THE SPOILERS" AT GRAND.

Those who saw the presentation of Rex Beach's famous story of "The Spoilers" in filmplay at the Grand Opera House some months ago, will no doubt go again on the night of Wednesday, June 20, to see the new revised version of the story which will be presented on that night.

This new de luxe edition of the popular story will be shown in twelve reels, featuring William Farnum and Kathryn Williams. This will furnish the first complete production of the play ever seen in Paris. The one shown here some time ago was a thriller, but it is said that it does not compare to the new version. This picture required 12,000 feet of film, 1,000 feet to the reel, to complete. There are over four hundred people in the cast, an all-star company. Farnum's terrific fight is reproduced in all its intensity and then some.

At the Paris Grand Opera House, Wednesday night, June 20. Twelve thrilling reels. Admission, ten and twenty cents.

UNEARTHED RARE COIN.

An old English coin bearing date of 1775, was unearthed Tuesday by Mr. Wm. W. Dudley, of the Craven Restaurant, while working in his garden on Cypress street. The coin bore the inscription "Georgius Rex III" on one side, together with a bas relief of George III, the English ruling monarch at that time. On the other side was the inscription, "Britannia," and a bas relief of an enthroned woman representing the power of England.

CONTRACT AWARDED.

The contract for finishing and putting on the roofing on all the railroad buildings in the Louisville & Nashville yards at Decoursey amounting in money value to \$4,000, has been awarded to January & Connel, of Paris.

CHILD FATALLY BURNED.

Martha Joe Fightmaster, the eighteen-months-old daughter of Mr. and Mrs. Forest Fightmaster, was fatally scalded at their home in North Middletown about eleven o'clock Monday morning, lingering in great agony until 9:20 o'clock Tuesday morning, when death relieved her sufferings.

The accident happened in the kitchen of the Fightmaster home, and was particularly distressing. The child's mother was using scalding water from a teakettle to wash the kitchen sink, and in turning, tripped over her little daughter, who was playing on the floor. Both fell, and the scalding water poured over the child, burning her side and shoulder fearfully. The mother also received severe burns about the knees, hands and feet, but her condition is not serious. Every medical attention was promptly given the child, but there was no chance to save her life.

The body of the child was taken to the home of Dr. and Mrs. John Mastin, in Cynthiana, Tuesday night. The funeral was held at the Martin home yesterday afternoon at four o'clock, the burial following on the family lot in Battle Grove Cemetery. Mrs. Fightmaster before her marriage was Miss Bessie B. Martin, adopted daughter of Dr. and Mrs. J. B. Martin, in Cynthiana, Tuesday night, a son of Mr. and Mrs. Jos. Fightmaster, of Cynthiana, and is proprietor of the auto bus line recently established between North Middletown and Lexington.

COLORADO ORATOR HOLDS AUDIENCE SPELLBOUND.

Atlanta; Neal Deering, Sioux City, Opera House, Tuesday night sat spellbound while they listened in almost breathless silence to the two-hours' address delivered to the graduating class of the Western High School by Roscoe Conkling Simmons, the noted colored orator of Louisville. Simmons has gained an almost national reputation by his patriotic speeches of the past few weeks, and it is safe to say that Paris people who heard this address on this occasion would be willing to hear him again.

Two entire sections of the lower floors on the right hand side of the house had been set aside for white people, and every seat was taken, and many more could have been used. Simmons' address breathed a fervid patriotism all through its entirety and was in every respect a finished piece of word-painting such as it is given to few colored men in this generation to produce.

The members of the class of 1917 who received their degrees Tuesday night were Madeline Buckner, valedictorian, Lillian Beatrice Hurley, salutatorian, Mary Lorine Salary, Mabel Corinne Parke, Daisy Hitch, Gussie Belle Stewart, Stanley Edgar Bowles, George Francis Jackson and Mamie Elizabeth Lampkin. The diplomas were presented by Mr. N. Houston Rion, Secretary of the Board of Education.

TRULY A FREAK.

What is perhaps one of the most remarkable freaks in the horticultural line can be seen at the home of Mr. and Mrs. N. A. Moore, on Pleasant street. An American Beauty rose bush which last year bore large American Beauty roses of the most pronounced type, this year has suddenly bloomed out in the most perfect pink peonies that even a florist would delight in. Every flower is as perfectly developed as the roses the same bush bore last season.

A few feet away is a peony bush that last year bore peonies. This season the bush is almost bare. The roses have completely disappeared and on the parent stem that bore them there is, as stated before, a complete family of the loveliest pink peonies. The result of the strange freak is that the rose bush, while not bearing, is still barren, and the peony bush, while barren, is not bearing. "Anyhow," as Mr. Dooley says, "tis a strange devil uv a mix-up."

HELP.

Bourbon county must raise at least \$15,000 for the RED CROSS SOCIETY. Uncle Sam says we MUST. Every man, woman and child in Bourbon county should help in this movement. Attend the big mass meeting at the court house Sunday afternoon at 3 o'clock.

RELIGIOUS.

The four college presidents, Revs. Ganfield, of Danville, Crossfield, of Lexington, Adams, of Georgetown, and Clark, of Winchester, who had expected to be here next Sunday, have postponed their visit until a later date.

The Endeavor Society of the Christian church will meet at the usual hour Sunday night in the church parlors. The subject will be, "What Is Reverence?" Mr. A. L. Burley, leader. The Mission Band will meet in the church parlor at three o'clock Sunday afternoon.

The Relief Committee of the Christian church announces that it is in need of some clothing for a girl eleven years old and a boy of nine. If any one has clothing that their children have outgrown, let the Relief Committee know of it, and they will send for it.

The Missionary Society of the Presbyterian church will have a Silver Tea at their regular monthly meeting at the manse Monday, June 18, at 2:30. This is the last meeting of the year and an attractive program has been prepared. All the ladies of the church are most cordially invited to be present.

FINED FOR FAILURE TO GET INTO ARMY.

Frank Henry Parker, colored, certainly considers himself an unlucky individual, with all the evidence to support his belief.

Parker was placed under arrest by the Paris police a few days ago on warrants charging him with vagrancy and committing a breach of the peace. When presented in Police Court for hearing on the charges, he was told by Judge January that he must either go to work or go to war.

Parker chose the latter alternative and in company with Judge January, went to the court house to enlist in the service. After a rigid examination he was turned down on account of some physical disability. He was then haled back into court, and tried on the vagrancy charge, being assessed \$5 and costs.

Parker pleaded that he wanted a chance to go to work since he could not get into the army. Judge January, recognizing Parker's willingness to serve his country on the firing line, and his ability to "do his bit" in another way, secured him a position with a farmer near Paris. Parker gladly accepted the proffered clemency and with the fine and costs sidestepped, departed for the farm.

KINGHTS OF PYTHIAS MEMORIAL EXERCISES.

Memorial exercises for the deceased members of the Pythian lodges of this city will be held in the Paris Cemetery on Sunday, June 17, by Rathbone Lodge, K. of P. No. 12, and A. J. Lovely Co. No. 13, Uniform Rank.

Lodges from Cynthiana, Mt. Olive, Berry, Carlisle, Blue Licks and Winchester will be present. Music will be furnished by the Mt. Olive Band. The principal addresses will be delivered by Rev. Dr. O. R. Mangum and Rev. J. T. Sharrard.

The members of the lodges will meet at the Pythian Castle Hall, in the Wilson Building, corner of Main and Third streets, at 1:30 o'clock, Sunday afternoon, and march to the cemetery at 2:00 o'clock. The graves of the deceased members will be decorated with Pythian and American flags and flowers. Brig-Gen. McCracken and Pythian staff, of Newport, will attend.

GRASS SEED SEASON NOW ON IN COUNTY.

Long rows of mule-drawn grass seed strippers filed out of Paris yesterday morning, en route to the blue grass fields in the county to harvest the crop. The work gives employment for several weeks to a large number of men.

While the crop in this county is short in quantity, it is said to be of an excellent quality. The shortage in quantity will mean an increase in price, with a corresponding profit to the producer.

SCOTT—SHANKS.

Mr. and Mrs. Jesse Scott, of near Paris announce the engagement of their daughter, Miss Mattie D. Scott, to Mr. Edgar Lee Shanks. The wedding date has not been publicly announced, but is understood to be an event of the coming month.

HIGHFIELD—BATTERTON.

One of the prettiest weddings of the June time was that of Miss Mary Virginia Highfield, of Lexington, to Mr. Roy Batterton, of this county, which was solemnized in the Centenary Methodist church, in Lexington, at eight o'clock Tuesday evening, the Rev. Thomas B. Roberts officiating.

The church was beautifully decorated for the occasion. Miss Louise Dwyer, the church organist, played the wedding music. The attendants were Mr. Robert Adair and Mr. Brooks Woodford, both of Paris; Misses Lillian Haydon, of Lexington, and Martha Stevenson, of Paris. Miss Lillian Highfield, sister of the bride, was maid of honor. The ushers were Mr. Virgil Gaitskill and Mr. Fielding Rogers, of Paris, and Mr. Z. F. Elkin, of Lexington. The bride was given in marriage by her father, Mr. Alvin Highfield.

After the ceremony the young couple drove to the home of the bride's parents, and left from there for a trip of ten days in the East. On their return they will reside on the groom's farm near Paris.

CARNAHAN—DAUGHERTY.

Announcement has been made here of the engagement of Miss Anna Carnahan, of Philadelphia, to Mr. Frank Daugherty, of Philadelphia, formerly of Paris. The wedding is scheduled to take place in Philadelphia on June 30.

Mr. Daugherty is a son of Mrs. C. A. Daugherty, of Paris, a brother of Dr. Chas. G. Daugherty, Mr. James Daugherty, Mr. Garrard Daugherty and Miss Anna Daugherty, all of Paris, and Mrs. Jesse Hazelrigg, of Winchester.

He is a graduate of the Paris schools, and of the College of Mechanical and Electrical Engineering of the University of Kentucky, where where he received his degree fifteen years ago. After filling several minor positions in different places as electrical engineer, he was elected vice-president of the Schofield Engineering Company, of Cleveland, Ohio. Removing to Philadelphia he assumed charge of a large concern there, where he is highly esteemed for his executive ability and keen business qualities.

THE NEWS extends congratulations and best wishes in advance of the happy event.

Y. M. C. A. OPEN HOUSE.

About three hundred persons gathered at the Bourbon County Y. M. C. A. building last Monday night in response to invitations asking them to attend the Y's Open House meeting, held to celebrate the lifting of the \$20,000 indebtedness on the institution.

The guests spent the evening in games and other forms of amusement, one feature of which was the exhibition drill by the members of the Y. M. C. A. Boys Scouts and the boys' swimming class. Music was furnished by the Reynolds Orchestra of Lexington, and refreshments consisting of ice cream, strawberry sauce and individual cakes were served to all comers. The hours were from eight to ten.

The Entertainment Committee composed of Mrs. Thompson Tarr, Misses Lucy Simms and Mayma Spears, who were in charge of the program, did their work well, and nothing was left undone to contribute to the enjoyment of all who called. Owing to the fact that the office force and mechanical departments of THE NEWS were busy getting out the best paper in Paris we were unable to be present, but we all know we missed a great time.

LET'S MOVE TO NICHOLAS.

Four dollars per day is the price being paid by growers for men to set out the tobacco crop in Nicholas county. Growers report that they are able to get only a few men at this price. They are having much difficulty in getting out the crop, although there is a good season. Estimates are that the crop will be much shorter in acreage here than a year ago, as much land prepared for tobacco has been planted in corn and other food products.
