

"Let's take it easy for a while"

— Ches. Field

A CIGARETTE that invites you to enjoy a smoke as you never have before—that's Chesterfield.

Not merely fine tobaccos, mind you, though we use the finest of Turkish and Domestic leaf, but an exclusive blending method that brings out hidden flavors—flavors that others have failed to find.

That's why Chesterfields are different. That's why they satisfy. And this method is a closely guarded secret. That's why none but Chesterfields can satisfy.

And Chesterfields reach you in primeshape for smoking always—because every separate package is wrapped in moisture-proof glassine paper.

STOLEN RADIUM BURNS THIEF SEVERELY

Officials of the University of Pennsylvania Hospital are seeking the thief who stole a tiny tube containing \$6,000 worth of radium. Deep burns, which developed a few days after exposure to radium rays, will more than sufficiently punish the culprit, in any case.

The tube is one of six owned by the hospital. Four of them are insured. The tube which was lost was not insured.

Captain Raymond Adams, crippled by an accident while in training camp, found the missing tubes in a pathway on the hospital grounds and returned it after carrying it for a few minutes in a vest pocket.

He is suffering from painful irritation of the deep tissues of his body as a result.

The tube disappeared after it had been used in treating a cancer patient. In the search for it, several patients were examined with an X-ray, as the tube is small enough to be swallowed, and the hospital was searched by means of an electro-scope, a delicate instrument containing gold leaf which shrivels in the presence of radium.

A GOOD COUGH MEDICINE FOR CHILDREN.

Mrs. J. W. Phillips, Redon, Ga., phoned to J. M. Floyd, the merchant there, for a bottle of Chamberlain's Cough Remedy and said she had bought a bottle of it at his store recently and that it was doing her children so much good that she wanted to keep up the treatment. You will find nothing better for coughs and colds in children or for yourself. It keeps the cough loose, expectoration easy and soon frees the system from the cold.

The most interesting look on a human face is what I am inclined to call "a serene smile." The serene smile shines on the human face like the silver moon on the deep smooth lake.

THIS MEANS YOU.

When you get up with a bad taste in your mouth, a dull, tired feeling, no relish for food and are constipated, you may know that you need a dose of Chamberlain's Tablets. They not only cause an agreeable movement of the bowels, but cleanse and invigorate the stomach and improve the digestion.

60 TIMES OVER THE TOP

Here is the record made in October by a War Savings Society in Fort Smith, Arkansas, that is simply indicative of the interest taken in the campaign of Thrift inaugurated by the United States Treasury Department.

This society is composed of sixteen persons connected with the John Schapp & Son's Drug Company. The total pledges were \$22, but the sales for October, according to a report made by Executive Secretary Eberts shows that the sales totaled \$1,302, or nearly sixty times the amount of the pledges.

PRESIDENT THINKS HIGHLY OF SECRETARY GLASS

Secretary Glass left it to the President whether he should accept the Virginia Senatorship or remain at the head of the treasury, who said: "Of course you must accept the new appointment," adding that his fine ability was needed in the Senate in advancing the interests of the nation and the administration. His letter closed with this high praise: "No President has had a more loyal, a more devoted or a more resourceful friend than you have been to me. Your work as Chairman of the Banking and Currency Commission

of the House of Representatives in connection with the establishment of the Federal reserve act, and your stout support of the Administration at every turn while a member of the House, caused us to rely upon you in every emergency."

ASSERTS HUSBAND IS AMAZED AT HER PRESENT DESIRES

Mrs. Louminhauser Craves Food As Never Before. Since Using Trutona

OWENSBORO, KY., Nov. 27.—"My husband says he's afraid I'll eat him out of house and home, since taking Trutona," Mrs. Lucy Louminhauser, 109 West Main street, said recently.

"I had the 'flu' last October and since then I have been in a generally rundown condition," she continued. "It seemed that a chronic cold had settled in my side, and at times I ached all over. I didn't sleep well and felt so badly in the mornings that I could hardly drag myself out of bed. I never cared for anything to eat and had become so weak I couldn't raise my arm above my head.

"It's hard to believe, but one bottle of Trutona has actually straightened me up. The terrible pains in my body have disappeared now and my nerves are perfectly steady. I can extend my arms full length and my hands will remain as steady as a child's. This is remarkable, too, for I couldn't drink my coffee without spilling it, before I began using Trutona. I eat as I never ate before and am gaining my strength rapidly. I'm truly grateful for the relief Trutona gave me."

Trutona, the perfect tonic, is now being introduced and explained in Paris at the Drug Store of G. S. Varden & Son.
