The optimist used to encourage the struggling youth with the assertion about there being always room at the top. The pessimist nowadays observes that at the top there are taxes which lop off earnings like the scimitar of Saladin lopped off heads of the unfaithful.

"HUCKLEBERRY FINN" HERE WEDNESDAY AND THURSDAY

Huckleberry Finn has reached the screen. Mark Twain's immortal boy hero is the leading figure in an elaborate motion picture version of his adventures, which will be shown at the Alamo and Grand two days, commencing to-morrow.

The cinema "Huckleberry Finn" is declared to follow the text of the original faithfully, taking up the story when Huck and Tom Sawyer discovered the robbers' treasure in the cave and following the adventures of Huck through the efforts of Widow Douglas to reform him to his abduction by his no-account father and subsequent encounters with the broken-down actors, the "Duke" and the "King."

The role of Huck Finn is in the capable hands of Lewis Sargent, a boy actor of unusual talent. Gordon Griffith plays Tom Sawyer and the other performers in the large cast are said to be thoroughly competent.

In Siam, it is a custom for every man to enter the priesthood during his lifetime.

AUGUST 6, 1921.

FRANK COLLINS

We Solicit The Earnest Consideration of the Voters, both Women and Men, and pledge a careful and impartial administration of the office should you entrust us with the duties of this important charge.

We put forward two good reasons, we think, in asking your votes:

First—We believe we can fill the office satisfactorily and we want to be elected on August 6, 1921.

Second—We have seven children to educate, five of them girls, and this second reason, we think, is "some reason" for any one wanting an office.

Vote for us and we'll all be happy.

FOALS AT THE WIGGINS STOCK FARM.

Recent foals at John S. Wiggins' Military Stock Farm, near Hutchison, are a bay filly by Princess—Aurora by Solitaire II, and a chestnut colt by The Manager—Mildale (dam of Annette Teller) both the property of Frank J. Kelley, of Chicago. Among the yearlings at Military Stock Farm

is a handsome bay filly by Brummel—Gylfi (a full sister to Johnny Dundee, two-year-old winner of three races, including the Tijuana Futurity).

The first foal by Under Fire, a chestnut colt out of Silvery Shapiro by Bannockburn, has arrived at the farm of Kenney Nichols. It is the property of Under Fire's owner, Pat Dunne, who recently established his

home in Lexington and has announced that he will live there in the future.
