## CHAIRMAN APPOINTED FOR "OLD KENTUCKY HOME" DRIVE

James M. Caldwell and E. H. Gorey have been appointed joint chairmen in the Bourbon county campaign to raise \$1,000 for the purchase of "My Old Kentucky Home." The chairmen met Wednesday evening with Lee Kirkpatrick, and concluded arrangements for the drive. They hope to raise the fund in a one-day drive, Saturday, when a team of canvassers will collect funds throughout the city and county. Saturday will also be tag day and about 1,600 tags have already arrived. The aim of the chairmen is for everyone to contribute something, from a penny to \$25. Although there has been no solicitation so far, some have already contributed, as follows:

N. Ford Brent, \$25.  
Mr. and Mrs. Catesby Spears, \$25.  
Mr. and Mrs. Henry S. Caywood, \$25.  
Mr. and Mrs. Sam Clay, \$12.  
Mr. and Mrs. Ed. Burks, \$10.  
Mr. and Mrs. Jas. M. Caldwell, \$10.  
The children of the Paris school have been selling postcards of the Old Kentucky Home at five cents each and have raised through this source about \$60. Prof. F. M. Wood, principal of the colored school, has been appointed chairman for the colored people, and hopes to raise \$100 toward the county quota.  
Other committees in the county are also organizing for the campaign, including Millersburg, where Mrs. Arthur Best is serving as chairman. The quota for Millersburg is \$200.  
A meeting of persons who will make the canvass Saturday will be held at the court house at 3 o'clock this afternoon, when full arrangements will be made for both the canvass and tag day.

## RULES FOR SELECTING POSTMASTERS MODIFIED

President Wilson's order for selection of first, second and third class postmasters under civil service requirements was modified by President Harding to give a wider field from which postmasters may be chosen.  
Instead of being required to select the candidate standing highest in civil service examination for any specific postmastership the administration may under the order give the place to any one of the three at the head of the qualified list.

## ANNUAL HIGH SCHOOL LATIN TOURNAMENT

The public and private high schools of Lexington will be hosts to thirty Kentucky high schools Saturday for the second annual Latin tournament under the auspices of the Kentucky Classical Association.

There are ninety entries from the thirty schools, and the examinations will be held at the senior high school at 1:30 o'clock.

At 10:30 o'clock the visitors will meet at the junior high school and will be taken on an automobile tour to points of interest in the vicinity. At 12:30 o'clock they will return to their senior high school for a luncheon to be given in honor of them and the Latin teachers of the State who attend.

Medals to be given to winners are offered by the University of Kentucky, Transylvania College, the University of Louisville and Georgetown College.

The local committee in charge of arrangements is composed of Miss Mary Wood Brown, Miss Narcia Pollitt, Miss Elizabeth Hartford, Miss Essie Denney, Mr. Robert Massie, Jr., and Miss Mabel Renner.

The committee of the Kentucky Classical Association in charge of the tournament is composed of Miss Elizabeth Roff, of Paris; Professor Paul Boyd, of Lancaster; Mr. E. M. Costello, of North Middletown; Miss Virginia Lewis, of Shelbyville, and Miss Mabel H. Pollitt, of Lexington.

The question for the examinations were prepared by the Latin faculty of the Shortridge high school of Indianapolis, and will be graded there by the same persons.

## WANTS TO RACE AGAINST DERBY WINNER

Jimmy Rowe, veteran trainer of Harry Payne Whitney stable, isn't convinced that Tryster, undefeated as a two-year-old, met his superior in Behave Yourself, winner of the Kentucky Derby.

So skeptical is Rowe that he has offered to wager \$50,000 that in a match race at the Derby distance, the Whitney pride can defeat the sensation of the Bradley stable. The confidence of the Whitney trainer is shared by the rest of his stable attaches.

Such a thoroughbred contest would go down in turf annals on a par with the Ten Broeck-Mollie McCarthy or the Man o' War-Sir Barton conflict.

## GALA TIME AT THE XALAPA FARM

The Xalapa Farm of Edward F. Simms, near Paris, was the scene of a happy gathering Monday when its owner entertained lavishly for a number of invited guests from Paris and a party of bankers and oil magnates from Texas who had accompanied Mr. Simms to the Lexington races.

The guests, fifty-two in number, were taken to the farm in automobiles and after an inspection tour of the beautiful estate, were seated at tables set in the open in the beautiful woodland, where a delicious fish-fry and dinner formed the principal feature. The guests were served fish caught from the Xalapa fish ponds, roasted shooat, lamb, old country ham, salads, cake, etc. During the progress of the dinner brief talks were made by several guests. Mr. Simms acted as toastmaster, and gave a cordial welcome to everyone. The principal thought underlying his remarks was his love for his old home and his home people, and the beauty of the Bluegrass region, of which many of his guests were getting their first glimpses.

Among those present were Judge Denis Dundon, Clarence K. Thomas, Col. Catesby Woodford, A. B. Perkins, Ben Buckner, H. S. Caywood, of Paris; Desha Breckinridge, Dr. S. H. Halley, of Lexington; John T. Scott, president of the First National Bank, of Houston, Texas; W. C. Hogg, son of former Governor Hogg, of Texas; George Hammond, vice-president of the Union National Bank, Houston, Texas; Frank Ireland, formerly of Paris, now an oil operator of Beaumont, Texas; John T. Crolley, oil operator; Bassett Blakesley, Texas cattle king; Jos. Evans, formerly of Maysville, now a leading cotton exporter of the Lone Star State.

## "CONFUSION" AT P. H. S. AUDITORIUM TONIGHT

There will be "Confusion" at the Paris High School auditorium tonight, but it will not be the "Confusion worse confounded" spoken of by the poet, but a nifty little High School playlet.

"Confusion" will be produced this evening by students of the Georgetown College. They will bring with them the orchestra from the College, and an enjoyable musical program is promised in addition to the evening's dramatic program. The low fee of twenty-five cents will be charged to the general public, with a special rate to pupils of the Paris school.

The proceeds of the evening's entertainment will be devoted to the purchase of much-needed equipment for the school. Let everybody and everybody's friends and neighbors come, and help to pack the house. You are sure to enjoy "Confusion" and the musical program.

## THE NEWS HELPS TO LOCATE MAN

Publication in THE NEWS of a Government check at the local post-office awaiting its owner, James Thompson, colored, was the means of locating Thompson, to whom the check was given after many weeks' search.

Thompson was located on a farm on Route 7, near Paris by Rural Route Carrier Ollie Hedges, who reading the article in THE NEWS, thought the man he knew on his route was the man. Investigation proved him to be right. Thompson had no knowledge of the money due him until the matter was brought to his attention through the post-office department and the tireless efforts of Money Order Clerk George Howard to locate him.

## NOTES OF THE CITY AND COUNTY SCHOOLS

The eighth grade examinations will be held in the Circuit Court room in the court house to-day and to-morrow, Friday and Saturday, May 13 and 14, beginning at eight o'clock in each morning. It will also be pay day for the eighth month. All reports, both monthly and annual, should be turned in at this time.

## TO ADDRESS FARM BUREAU

Henry Hartke, president of the Kentucky County Farm Bureaus, will deliver an address in the court house, in Paris, to-morrow (Saturday) afternoon, May 14, at 2:30 o'clock to the members of the Bourbon County Farm Bureau. Mr. Hartke's address will deal with matters of supreme interest to the farmers. He is a member of the Executive Board of the State Federation. Officers for the year will be elected at the meeting to-morrow.

The first woman's club in the United States was founded in Boston by Anne Hutchinson in 1632.

## COUNTY CLERKS BENEFIT BY COURT'S DECISION

If the judgment of Judge Robert L. Stout, Franklin Circuit Court, in the suits of County Clerk J. B. Nash, Frankfort, and County Clerk S. H. Lewis, Lexington, against the State Tax Commission, is sustained by the Court of Appeals, County Clerks will take toll of approximately \$70,000 out of the State road fund annually.

They used for a 5 per cent. commissions for collecting the money for motor licenses and were granted a mandatory injunction.

The act of 1920 allows them 30 cents fees, to be paid by the motorists, for issuing licenses. The general statute provides that County Clerks shall receive 5 per cent. commission on all moneys collected for the State. This judgment gives them both fees.

Outside Jefferson county, which is on a salary basis, motor license fees collected so far amount to \$1,150,000, the commissions on which will be \$57,500.

## PARIS LOSES IN BIBLE STUDY CONTEST

The Cynthia High School won the State trophy in the annual Statewide Bible Study Contest inaugurated some time ago by the State Y. M. C. A., also the silver loving cup for the best Class 2 record, according to announcement made Wednesday.

The contest covered a period of eight weeks, the course requiring a period of group study each week ranging from forty minutes to an hour. Fifty-nine schools engaged in the contest, with a total enrollment of 2,056 boys.

Honor certificates will be sent to Paris representatives in Class 3. Paris made the following record in the contest: Attendance 2,725; Percent Exam., 58; Points, 580; Score, 3,305. The cup was won last year by Paris. The trophy has gone to the Cynthia school for the fourth time in seven years.

## LODGE NOTES

More than two hundred members of the Rebekah lodges in Central Kentucky are expected to attend the annual convention of the order to be held in this city on June 2, according to announcement by Mrs. J. R. Smith, secretary, who states that plans are being made by a committee for a big celebration at that time. The visitors will represent seven districts of the order in surrounding towns. Final plans for celebration will be announced later.

At the regular meeting to-night of Imperial Encampment, Patriarchs Militant, I. O. O. F., plans will be discussed for entertaining delegates to the annual meeting of the Grand Encampment, which will be held in Paris, Wednesday, May 18. Seventy-five delegates are expected to attend the Encampment.

There will be a special meeting of Paris Council No. 30, R. and S. M., on Friday evening, May 13, at 7:00 p. m., for the purpose of conferring the S. E. M. degree. The work will be done by Lexington Council, and a large class is expected. We are also expecting classes from Carlisle, Richmond, Winchester, Cynthia and Mt. Sterling. After the work an elaborate supper will be served. All Council Masons are requested to be present. We also extend a cordial invitation to all visiting Council Masons.

WM. BOWLING, T. I. M. Paris will be well represented at the annual Knights Templar Conclave to be held in Mt. Sterling next Tuesday, Wednesday and Thursday, May 17, 18 and 19. Besides a large delegation from Richard Couer de Lion Commandery No. 26 there will be present a large number of Paris people, wives, daughters and sweethearts of the members.

A committee composed of M. H. H. Davis, Chas. A. McMillan and Hume Bedford visited Mt. Sterling and perfected arrangements for accommodation of the local commandery. They will have headquarters at the home of Miss Mary Apperson, where they will be comfortably housed and will receive their friends. Mt. Sterling has made extensive arrangements for making the 1921 conclave one of the most memorable ones in the history of the order.

## YOUTHFUL ENERGY READY

Many of the people of Paris and Bourbon county readily admit that Paris should have more improvement work and educational movements, but everyone is too busy to do the work on these propositions.

A great deal of the work of such movements could be done by High School pupils, and some by children of the upper grammar grades. These young folks are overflowing with vigor and a desire to do things. With a little direction they could get up courses of entertainments. With proper supervision they can lay out and improve play grounds, plant trees and shrubbery on streets and school grounds. We do not use ten per cent. of the girl and boy power available in our community.

## ADMINISTRATOR APPOINTED

In the County Court, Tuesday, County Judge George Batterton appointed Judge Denis Dundon as administrator of the estate of the late J. O. Marshall, former Deputy Sheriff of Bourbon county. Judge Dundon accepted and qualified for the trust by furnishing bond in the sum of \$5,000.

## PARIS PASTOR MEMBER CHRISTIAN EXECUTIVE COMMITTEE

At the second day's meeting of the 1921 Congress of the Disciples of Christ, held Tuesday, in Springfield, Ill., Rev. W. E. Ellis, pastor of the Paris Christian church, was elected a member of the Executive Committee.

Rev. J. J. Castleberry, pastor of the Walnut Hills Christian church, of Cincinnati, well known in Paris, where he has held revival meetings in the Christian church, was elected president of the 1922 Congress by a unanimous vote. Rev. Maxwell Hall, of Columbus, Ohio, extended the Congress an invitation to select that city as the meeting place for the Congress in 1922.

The election of officers brought one surprise in the re-election of W. E. M. Hackleman, a layman of Indianapolis, as secretary for a second term. Heretofore the custom has been to restrict officers to one term only. Rev. C. J. Tisdall, of Columbus, Ohio, was elected treasurer.

## BOURBON FARM CONDITIONS

The farmers have been greatly delayed in preparing ground for planting, owing to continued wet and cold weather. Vegetation has made little progress.

The farmers are beginning to become pessimistic as regards the wheat crop, as they say it is going to be very short of straw, and what some pronounce "rust" is becoming noticeable in many fields of small grain. Some attribute it to so much damp weather, having such an open spell of weather earlier in the spring.

Live stock trading in the county among the traders or shippers has been a little brisker than usual, as there have been several carloads of hogs and some cattle shipped to the Cincinnati market. These brought good prices.

## PARIS BOY WITH TOURING COLLEGE PARTY

Thornton Connell, son of Mr. and Mrs. J. J. Connell, of Paris, on the reportorial staff of the Louisville Courier-Journal, is with a party of College students making a tour of Ohio, Wisconsin and Illinois colleges and universities gathering data for the University of Kentucky.

The party composed of twenty-five representatives of various Kentucky industries and University students, left Lexington in a special car for the trip, which will take up several days. They will gather material to be used in the improvement of the University of Kentucky along educational and business lines.

Mr. Connell is a graduate of the Paris High School and the class of 1919 at the State University. After graduation he was with the Lexington Herald for a time and later with the Courier-Journal. He was one of the newspaper party which accompanied the Presidential aspirants of both parties on their swing around the State during the campaign last fall.

## LOCAL MUSICAL ORGANIZATIONS PROGRESSING

Paris now has two bands, both possessing talent of a very high order, and both making fine progress in the musical art. Rehearsals are being held frequently, and the bands will be ready to give their first public concerts soon. There has never been a dearth of good musical talent in Paris, and the efforts of these young men should be encouraged. Boys' bands have been great successes elsewhere, especially in Maysville, which possesses one of the very best in the State, and Paris should not be far behind. The only trouble is to get the boys to stick together, and not to be discouraged by a few failures.

## NOTES FROM FANDOM

There will be no game Sunday afternoon on the Centerville grounds. The Centerville team will go to Richmond, where they will try conclusions with the Richmond team. Manager Holleran says he will take a strong team with him, and will make a lively effort to bring home the bacon. He will have a fine battery, who will be supported by a good infield and outfield.

A large force of carpenters have been busy in the past two days erecting a big grand stand on the Second street ball ground for the Ruggles Independent team. Paris will play the fast team from Clay City Sunday afternoon, at 2:30 o'clock. A large crowd is expected to attend the game. The new grand stand will be completed and ready for accommodation of the "fans" before the day for play. Manager Crider hopes to annex the scalp of the Clay City bunch, and to that end will have an effective battery and a good supporting team in the game.

## COMMERCIAL CLUB LUNCHEON

The semi-monthly noonday luncheon of the Paris Commercial Club, held Tuesday in the Masonic Temple, the last of a series of eight, was well-attended and interesting in every particular. The short talks were directed toward boosting the campaign in Bourbon county for the \$1,000 quota assigned the county in the "Old Kentucky Home" drive for the purchase of Federal Hill, where Foster wrote "My Old Kentucky Home."

A. L. Boatright presided as toastmaster, and those who know Mr. Boatright well will bear out the statement that he did the honors gracefully. Preceding the banquet those assembled joined in singing Foster's masterpiece, "My Old Kentucky Home." At the conclusion of the luncheon, Mr. Boatright introduced James M. Caldwell, who has been selected by Edward H. Gorey, president of the Paris Commercial Club, to act as chairman of the campaign in this county. Mr. Caldwell told of being at one time in Calgary, Canada, and how the familiar tune of "My Old Kentucky Home" had caused him to return to Kentucky with a firm determination never again to wander. Addresses were made by I. W. Bush, W. V. Shaw, Thos. W. Spicer, Rev. T. S. Smylie and Rev. J. T. Sharrard. The delicious and appetizing luncheon was furnished by the ladies of the Eastern Star order.
