REMINDER OF THE PAST

In excavating on Sixth street, between Main and High for the reconstruction work, being done by the Henry Bickel Co., the big excavating machine uncovered an old fire cistern, one of the many built by the city years ago for fire protection purposes.

The old cistern, directly in front of the Baptist parsonage, was originally built of brick and was kept filled from Stoner Creek. In those days the old hand engine was the only fire-fighter known in Paris, being later replaced with a steam pumper, this also going into the discard, being supplanted by the present up-to-date motor-propelled apparatus. In the days of the old cisterns, the volunteer fire company held "regular practice" every Wednesday night, when the hand engines were taken from one cistern to another and pumping tests made.

These old cisterns were located in different sections of the city. Twice a month they were inspected, measurements made and a record kept of the quantity of water used and the balance remaining. This old cistern on Sixth street is probably the only one that has been reopened since the days of old Paris.

PARIS HEALTH BOARD AGAIN WARNS PUBLIC

Paris, Ky., Aug. 11, 1921.

TO THE PUBLIC:
 Is your water for drinking and domestic purposes from hydrant, spring, cistern or well? It matters not, either may become contaminated and if so dire results may follow.

We have no typhoid or other serious intestinal troubles at present, and to avoid such conditions you are again urged to boil all water used for above purposes.

By order of the Board,
 A. H. KELLER,
 Health Officer.

Y. M. C. A. NOTES

The Y membership campaign continues to grow in interest as the time for the chicken supper on Friday draws near. Both sides are holding back their returns, hoping to put it over their opponents when the final count is made.

Boy Scouts are planning a big outing at Boonesboro, Thursday. Unless more autos are secured some of the Scouts will be disappointed in not getting to go.

On account of the organization of the church base ball league, and the extension of the base ball season, the Business Men's Volley Ball Class did not begin Wednesday, August 17, as announced.

The Boys' Band resumed practice Wednesday, August 17.

The date for the Championship Swimming meet has been changed from August 30, to Monday, September 5.

Mr. D. Y. L. Farley left this morning to have charge of the Christian Endeavor Camp at Camp Daniel Boone.

Secretary Harrison will leave Saturday for Camp Daniel Boone to attend the Christian Workers' Conference being held there also. Mr. Harrison will be in charge of the recreational features at the conference.

Rev. F. M. Tinder and the Men's Class from North Middletown will put on the program on Sunday at the Conference. A number of other Bourbon county citizens are expected to attend.

A delegation of picked High School students from Paris will attend the Older Boys' Conference at Camp Daniel Boone, August 24 to 31. Mr. Sheffield will accompany the delegation.

The Y. M. C. A. membership campaign results took a leap forward at the meeting Tuesday night, when the solicitors reported. The Blue's score went up to 500 points, while the Reds took the lead by a score of 750. C. C. Dawes took first place with a total of 310 points to his credit.

At a meeting of the Physical Department Committee of the Y. M. C. A. a tentative class schedule was adopted for the coming season. A basketball committee was appointed, composed of Frank Collier, Garrett Jefferson and Jos. J. Grosche.

Four autos heavily loaded with Boy Scouts and baggage left the Y. M. C. A. building Thursday morning at nine o'clock for Boonesboro. The party was in charge of Mr. O. L. Davis, as manager, and Mr. Sheffield, as director of sports. Mr. John M. Brennan accompanied the party, and will assist Mr. Davis. Scouts McCarty and Spicer will assist Mr. Sheffield. The following Scouts composed the party: Sol Feld, Jas. Merringer, Eddie Merringer, Edward Hibler, Thos. Spicer, Roy Markland, Robt. McCarty, Edward Pruitt, Duke Payne, Harvey Hill, Joe Vardea, Noah Hinton, William Hinton, Edwin Rice, John B. Tate, Garnett Swinford, William Sauer, William Wilson, William Marshall, T. J. Judy, Francis Quisenberry, Edgar Hill; apprentice Scouts Ned Brent and Jack Brennan.

KALAPA FARM HORSES IN SARATOGA SALE

Twenty-four thoroughbreds in training from the Kalapa Farm, which is owned by E. F. Simms, brought \$86,550 at the auction held at Saratoga, N. Y., Monday night.

The sale was the most important of the season and brought out a record crowd.

All of the horses sent under the hammer were in splendid condition and it was announced by Kimball Patterson, the trainer who developed them, that they were ready to race at a week's notice.

The top price of the sale was paid for John Paul Jones. This three-year-old bay colt, by Pracey, out of Moneta III, went to W. H. Rows, after spirited bidding, for \$12,500. Edgar Allen Poe, a bay gelding by imported McGee and Maltha, was second on the list. He was bought by S. C. Hildreth for the Rancoeas Stable for \$11,000. Despair brought third highest price, T. E. Crist paying \$8,000 for him. The Trout, the young jumper, which is rated as one of the three best cross country horses in training, brought the good price of \$7,700. Captain H. M. Walker got him after spirited bidding at that figure for Mrs. F. Ambrose Clark.

Just now the men are not called out on strikes except in base ball games.

Kentucky, once famous for its great men, has now not a single outstanding figure in political life.
