

THE TRIALS OF A HOUSEWIFE

How They Have Been Endured and How Overcome by Lydia E. Pinkham's Vegetable Compound

Experience of a Providence Woman

Providence, R. I.—“I took Lydia E. Pinkham's Vegetable Compound for a female trouble and backache. It began just after my baby was born, and I did the best I could about getting my work done, but I had awful bearing-down pains so I could not stand on my feet. I read in the papers about Lydia E. Pinkham's Vegetable Compound and the good it was doing other women, and I have got dandy results from it and will always recommend it. You can use these facts as a testimonial if you wish.”—Mrs. HERBERT L. CASSEN, 18 Meni Court, Providence, R. I.

Ohio woman for three years could hardly keep about and do her housework she was so ill. Made well by Lydia E. Pinkham's Vegetable Compound: Fayette, O.—“For about three years I was very nervous and had backache, sideache, dragging-down pains, could not sleep at night, and had no appetite. At times I could hardly do my housework. I got medicine from the doctor but it did not help me. I saw Lydia E. Pinkham's Vegetable Compound advertised in a newspaper and took it with good results, and am now able to do my housework. I recommend your medicine to my friends and you may publish my testimonial.”—Mrs. CHESTER A. BALL, R. 15, Fayette, Ohio.

An Illinois woman relates her experience: Bloomington, Ill.—“I was never very strong and female trouble kept me so weak I had no interest in my housework. I had such a backache I could not cook a meal or sweep a room without raging with pain. Rubbing my back with alcohol sometimes eased the pain for a few hours, but did not stop it. I heard of Lydia E. Pinkham's Vegetable Compound, and six bottles of it have made me as strong and healthy as any woman; and I give my thanks to it for my health.”—Mrs. J. A. McQuitty, 610 W. Walnut St., Bloomington, Ill.

The conditions described by Mrs. Cassen, Mrs. Ball, and Mrs. McQuitty will appeal to many women who struggle with their daily tasks in just such conditions—in fact, it is said that the tragedy in the lives of some women is almost beyond belief. Day in and day out they slave in their homes for their families—and beside the daily routine of housework, often make clothes for themselves and for their children, or work in their gardens, all the while suffering from those awful bearing-down pains, backache, headaches, nervousness, the blues, and troubles which sap the very foundation of life until there comes a time when nature gives out and an operation seems inevitable. If such women would only profit by the experience of these three women, and remember that Lydia E. Pinkham's Vegetable Compound is the natural restorative for such conditions it may save them years of suffering and unhappiness.

There is hardly a neighborhood in any town or hamlet in the United States wherein some woman does not reside who has been restored to health by this famous medicine. Therefore ask your neighbor, and you will find in a great many cases that at some time or other she, too, has been benefited by taking it, and will recommend it to you. For more than forty years this old-fashioned root and herb medicine has been restoring suffering women to health and strength.

FOOTBALL NOTES

The Paris High School team defeated the St. Xavier's College team, of Louisville, on the latter's grounds Saturday afternoon, by a score of 16 to 12. The Paris team went into the second half of the game twelve points behind St. Xavier, and scored a touchdown on a fumble and added another later. Ralph Connell kicked a field goal from the thirty-yard line, giving the Bourbon county lads the victory by a score of 16 to 12. The game was witnessed by a number of Paris rooters who accompanied the P. H. S. team.

In a game on the M. M. I. grounds at Millersburg, Saturday afternoon, between the M. M. I. and Cynthiana High School teams, M. M. I. won over their opponents by a 33 to 6 score. Adams, Stone and Womack starred for M. M. I. while Cox was the bright shining star for the Cynthiana team.

The Paris Boy Scouts' football team defeated the North Middletown Graded School team in a game played on the latter's grounds Friday afternoon by a score of 14 to 12. The Paris boys put up a strong game and held their opponents safely at all stages of the play. The teams will play on the Paris grounds in the near future.

WHAT PARIS WANTS TO KNOW

The Answer Is Found In the Statement of a Paris Resident

From week to week, from year to years, there have been appearing in these columns statements made by neighbors, which we have all read with great interest, and many of us with great profit. But what we want to know is, do they stand the greatest test of all—the test of time? Here is conclusive evidence on this point from a Paris man:

Phillip M. Heller, proprietor meat market, 314 Second street, says: “I have used Doan's Kidney Pills a few times in the past and have been greatly benefited by them. Whenever my back has been weak or lame or my kidneys have acted too frequently, causing me to get up during the night, a box of Doan's Kidney Pills which I get at Varden & Son's Drug Store has always given me relief. I certainly think Doan's are a splendid remedy and gladly recommend them to anyone.” (Statement given November 9, 1916.)

On November 12, 1920, Mr. Heller said: “I am glad to say the cure Doan's Kidney Pills made for me has been a lasting one. All I said in the past in favor of them I now confirm for I think just as highly of Doan's to-day as I ever did.”

Bought Right to Name Asteroid.
A certain German astronomer, having discovered a new asteroid, advertised in the newspapers that whoever first sent him a post office order for \$250 might have the privilege of naming it. The offer was taken up by Baron Rothschild, who sent his check with directions that the newly discovered body should be named after one of the ladies of the baron's family.

CATARRHAL DEAFNESS
is greatly relieved by constitutional treatment. **HALL'S CATARRH MEDICINE** is a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced, your hearing may be destroyed forever. **HALL'S CATARRH MEDICINE** acts through the blood on the mucous surfaces of the system, thus reducing the inflammation and assisting Nature in restoring normal conditions.
