## PARIS COMMERCIAL CLUB NOTES

The Board of Directors of the Paris Commercial Club met Tuesday evening in the offices of the Peoples-Deposit Bank with directors Mitchell, Price, Collier, Rudolph Davis, Thomas, Withers Davis, Dailey and Santen present.

A letter was written to the Honorable Mayor E. B. January, requesting that a proclamation be issued to the merchants of Paris suggesting that all places of business be closed on Thursday afternoon, April 27th, from 2:30 p. m. to 5:00 p. m. in order that our local team of the Blue Grass League may be given the support of a good attendance on their opening game.

The subject of a hotel for Paris was again discussed at some length. There is a need for hotel here, recognized by everyone as urgent, but the recommendation of bankers and conservative business men is that the present time for launching a \$200,000 stock selling project is not auspicious. The Commercial Club has not permanently laid on the shelf the idea of a hotel for Paris nor has the Board of Directors deserted the intention of fostering such a project. When the consensus of opinion of sound business men is that Paris and Bourbon county is in financial condition, and unmistakable signs of prosperity point to that fact, then the Commercial Club hopes to organize and develop a successful campaign for a creditable and profitable hotel in Paris.

It was decided to give a dinner on May 11, at 6:30 p. m. Roxie Davis was appointed chairman of the Committee on Entertainment with permission to keep the plans for this dinner a secret. We may expect something in the way of a very pleasant surprise, judging from the excellent programs furnished in the past by this committee.

The Board of Directors instructed the Secretary to express their appreciation to the Bourbon County Garden Club of the proposed plan to plant flowers and shrubs along the highways leading into Paris. It is understood that the plan was suggested too late in the season to carry out this year, but it is hoped that the Garden Club will undertake this plan of civic improvement.

It was suggested that the Committee on the Full-time Health Department of Bourbon county and the Health and Welfare League meet together and discuss this plan.

There is not a single portion of the body that is not benefited by the helpful action of Tanlac. Roche's Drug Store. (adv)

#### NORTON.

Mrs. Lida Norton, aged eighty-two, widow of the late Wm. Norton, died at the home of Mrs. T. C. Collier, in Carlisle, following a long illness. Mrs. Norton was one of the best-known women in Carlisle. She is survived by one son, Harvey Norton, one brother, Dr. H. Clay Burroughs, and two sisters, Mrs. Mollie Dalzell and Miss Nannie Burroughs, all of Millersburg. She was an aunt of Robt. Spencer, of Paris, who attended the funeral. The funeral was held at 2:30 o'clock Monday afternoon, with services conducted by Revs. Bela Metcalfe and R. E. Elmore, pastor of the Christian church, of which she had been a member for forty-seven years. The burial followed in the Carlisle Cemetery.

#### JORDAN

Graves Jordan, aged about forty-five, died at his home in Lexington, Tuesday, after a long illness from Bright's disease. Mr. Jordan was one of the best-known conductors on the Paris-Lexington interurban line, and had a host of friends in Paris and along the line of the interurban. He had been with the company for over twenty years. Mr. Jordan is survived by his widow, formerly Miss Maude Johnson, of Lexington, one daughter, Dorothy, eight years old, and an infant son, born just one hour before his father's death.

The funeral was held Wednesday afternoon at three o'clock, at the Broadway Christian church, with services conducted by Rev. Mark Collis. The interment followed on the family lot in the Lexington Cemetery. The pall-bearers were J. A. Gray, Don Doyle, C. H. Farris, Jos. Burgeois, Henry Bush and Earl Cotterill.

#### GRIFFIN

Following a lingering illness covering a period of several years, Mrs. Mollie Doty Griffin, aged seventy-four, wife of Robert G. Griffin, died Tuesday morning at her home on Williams street.

Mrs. Griffin was the daughter of the late Benjamin and Mary Payne Doty, of Millersburg, and was married to Mr. Griffin in March, 1865. Two children died in infancy. In 1867 she united with the Methodist church, and until a few years ago, when her health failed, she was an active worker in the church.

Besides her husband she is survived by two sisters, Mrs. Susan Taylor, of Lexington, and Mrs. Ella Edwards, of Akron, Ohio, and one brother, George Doty, of Lexington. The funeral was held at two o'clock yesterday afternoon, with service conducted at the grave in the Paris Cemetery by Rev. F. B. Jones. The pall-bearers were John Doty, James Doty, Arch Bedford, Chas. W. Fothergill, Dr. S. P. Mohney and E. B. January.

### "TRADE AT HOME," EH.

In reading exchanges from a number of nearby Kentucky towns, we noted the names of many Paris and Bourbon county people as being among shoppers in those places. Of course, every free American citizen has the right to shop where he or she pleases, but, we wonder what's the use of the Commercial Club slogan, "Trade At Home." What takes these shoppers to other places? Is it because of better prices, better goods—or just what? We pause for an answer.

### FARM BUREAU TO RECEIVE MARKET REPORTS

Beginning May 1st the Bourbon County Farm Bureau, will receive daily stock market reports from the Chicago market. This is in addition to the Cincinnati market which is being received and published daily at present. ## BOURBON FISH CLUB GIVES "FISH FRY"

The name "fish fry" doesn't cover everything in the way of good things that were served at the annual event of the Bourbon Game and Fish Club, held on the Xalapa Farm, near Paris, Wednesday. At least, that's the verdict of some three hundred people who were present and partook of the delightful and bountiful stores of good things provided for the inner man at this "fish fry."

Hundreds of big fish, barbecued mutton, roast pig, beef, ham and other kinds of sandwiches, and other good things too numerous to mention were served the hungry guests, who more than did justice to them. The dinner was served on the banks of the lake on the Simms estate, and was all that the appetite could desire.

After the guests had fully satisfied their hunger, and the dinner was over, Mr. Ayelette Buckner, president of the Club, introduced as the first speaker, Judge Denis Dunton, of Paris who lauded the local organization for what it was accomplishing and aiming to accomplish in the future in the way of game and fish conservation and protection, and recommending its extension into a State organization. Judge James B. Denny, of Lexington, who was one of the speakers at the event given at the same place last season, was introduced, and paid a fine tribute to the Bourbon county fishermen, sportsmen and to the sporting spirit that had made Bourbon county famous for many years. He urged support of legislation that would tend to protect the fish in the streams of the State. Judge Denny was followed by Representative John E. Brown, of Shelbyville, a member of the last Legislature, who told of the earnest desire to promote and encourage legislation tending toward the preservation and conservation of fish and game.

At the close of the program, the officials who had served so faithfully during the past year were re-elected, as follows: President, Ayelette Buckner; vice-president, Charles Spears; secretary and treasurer, Jas. D. McClintock. The Bourbon Fish and Game Club is rapidly becoming one of the strongest organizations in the State, and the earnest efforts being made by the members and officials to further the game and fish interest of the country are being taken as a model by similar newly-formed organizations in other counties.

Among those from out of town present were John E. Brown, Judge Charles Marshall, Allen Bond and Commonwealth's Attorney H. B. Kinsolving, of Shelbyville, Jas. Denny, Leonard B. Shouse, Dr. Sam Halley, Samuel B. Walton, H. B. Courtney, Coleman Calloway, Elmer Mullen, Sanford Lyne, and Judge George E. Kinkade, of Lexington, Sam Woolridge, of Versailles, Mr. Marvin, of Scott county, and Louis Woodford, Caswell, and John Bedford, Marion Bedford, Ben Golf, Louis Rye, Harvey Duvall, Steve Vaught, J. O. Evans, Levi Gough, Jr., of Winchester, Quincy Ward, Cynthiana.

### PETITION PRESENTED PROTESTING LICENSES.

For several days a petition, signed by a large number of members of the Bible schools of the various Paris churches, has been in circulation, requesting the City Council to take action in regard to refusing licenses to certain soft drink stands in Paris, the proprietors of which having been indicted on various charges here and in other places. The petition, which was signed by at least seven hundred persons, and presented to the City Council last night, was worded as follows:

"To the Honorable Mayor and Board of Council of the City of Paris: "We, members of the Bible classes of the Baptist, Christian, Methodist and Presbyterian churches of Paris, Ky., respectfully protest against you granting licenses to anyone to conduct a restaurant, bone dry or soft drink stand or any other business in our city, who has been indicted or repeatedly fined for breaking laws of our town or in adjoining towns. "We also respectfully ask you to use the police power of the city to rid our community of bootleggers and illicit stills, and we promise you our moral support."

The petition was turned over to Mayor January, and presented at the meeting of the Council last night. Owing to the fact that THE NEWS goes to press early we did not hear what action was taken.

## BASE BALL

Despite the lowering and grey skies a large crowd gathered at League Park yesterday afternoon, to witness the struggle for diamond honors between the Paris and Mt. Sterling teams. The event was preceded by a parade from Main street to the ball park, headed by the Y. M. C. A. Boys' Band, followed by the two teams and visitors and others in automobiles. The merchants of the city made the day a half-holiday in honor of the opener, and closed their places of business, giving their employes a chance to see the game, which was called promptly at three o'clock. The grand stand and the bleachers were filled with a cheering, enthusiastic crowd, who gave close attention to every play, and were of the unanimous opinion that Paris had a good team, one that would be heard from at all stages of the League race.

After two hours and a half of play the Paris sluggers copped the game by a score of 6 to 3. McCord and Rocky were on the points for the Paris team, while the hurling and receiving points for the visitors were in charge of Warner, Fugate and Barks.

Since the Covington and Red Sox games here the Paris park has been considerably enlarged and improved. The fences have been moved back a distance of eight feet, and four-foot-high wire has been strung all along the creek to prevent balls from going over the fence. Many other improvements are being planned, and will be carried out as the season advances. Every effort will be made to make the local park one of the most comfortable in the League.

The Paris Pirates, under the leadership of Manager-Captain Arthur B. Hancock, Jr., will play the Lexington Bulldogs, on Hancock Field, Winchester street, to-morrow (Saturday) afternoon, at 2:30 o'clock. Admission, 25 cents; children, 15 cents. The Pirates are making a good record in local baseball circles, having several hard-won victories to their credit, one of them being against the Paris High School team. Capt. Hancock is justly proud of his team, and is confident they will make a good showing in the game against the Lexingtonians to-morrow.

In a game played on the Xalapa Farm during the fish fry Wednesday afternoon between Paris High School teams, the latter was returned victor by a score of 8 to 6. Many who came to attend the fish fry remained over to see the game.

The grounds on Winchester street recently donated to the Church League by Mr. A. B. Hancock are now in fine shape. The grandstand has been completed and other necessary improvements planned are well under way. The members of the teams have already been testing out the grounds, and have been putting in strenuous hours of practice, despite the weather.

### COMMUNITY SERVICE MUSIC MEMORY CONTEST, APRIL 28, 1922

"To a Wild Rose"—MacDowell. Edward Alexander MacDowell (1861-1908, American. Studied in France and Germany, but not unduly influenced by foreign schools, for he retained his originality. "Barcarolle"—From Tales of Hoffman—Offenback. Jacques Offenback (1819-1880). German by birth, but was chiefly identified with French School. First performance of Tales of Hoffman was four months after the death of the composer. Scene of Second Act in which Barcarolle is sung, is laid in Venice at Carnival time. Barcarolle means "boat song" and the rhythm suggests swaying of a boat.

He is busy with compositions and lecture recitals. His interest in Indian music dates from 1906. He has spent much time with the Indians collecting tribal melodies—upon which his music is founded. ## NEWS JOB ROOMS COMPLETES DIRECTORY JOB

The Maysville Home Telephone directory has just been completed and delivered from THE NEWS job rooms. As usual, with all classes of work from this establishment, the book is a fine specimen of typographical and mechanical excellence, fully warranting the confidence of the Home people in the ability of THE NEWS job rooms to turn out really first-class work. The job was completed and delivered on contract time.

THE NEWS has also received the contract for printing and furnishing the directory for the Paris Home Telephone Co., which will also be completed and delivered on contract time. THE NEWS has for many years printed the directories for the Paris, Maysville, Cynthiana, Carlisle, Owenton and Lawrenceburg exchanges of the Central Home Telephone & Telegraph Company, with satisfaction attained in each case, both to the Telephone Company and the job rooms. It shows we are prepared to handle big jobs with as much care and attention as little ones. Our equipment is complete, and with an excellent force in the mechanical department we can discount the claims of those who would say, "We can do that job for you, better than anyone else."
