NEWS FROM THE PLAYGROUNDS

The City School playground Friday afternoon was a veritable style show. Dolls of all kinds, ages and nationalities were to be seen—doll buggies decorated to represent floats and miniature ladies wearing gay hats and dresses. The grounds were thronged with children and parents. The prize for the best exhibit went to Elizabeth Whitley, dressed as Miss America, accompanied by her dolls from many nations, among which were a doll from London, china doll from Paris, Dutch doll from The Hague, Belgium peasant doll, and two Scotch dolls, one wearing the Tartan costume and another the hunting costume. The second prize went to Elizabeth Overby.

Premiums were awarded to the following classes: China Edwina Gary, first, Mary Mulfiner, second, Ella Mae Maher, third; rag doll, Nettie Temple DeJarnett, whose doll was a colored mammy; eldest, first went to Estelle Collins, whose doll was 83 years, second, Mary Lou Hume, whose doll was 80 years old, and third to Miss Belle Oden, doll aged 65 years; hand-made dolls, first, to Mary Tempin Faulkner's doll, made of clothes pins to represent a sailor boy and a Red Cross nurse; second, to Nettie Temple DeJarnett; most unique, first to Nell Cain, whose dolls were one-inch twins, jointed dolls wearing hand-made clothes; foreign, first, Elizabeth Whitley, Lillian Dale, second, Marita Duncan, third, whose doll came from Hawaii; daintiest dressed, Natalie Linville, first, Anna Savage, second, and Edna Mae Doty, third; funniest, first, Clarie Rankin, second, Ora Harp, and third to Florence McCarty.

Furniture: Hand-made, Nell Quinn, first, second, Nettie DeJarnett, third, Marita Duncan; oldest, first, a bureau, age 106 years, exhibited by Elizabeth Whitley; second, cradle, 49 years, Anna K. Savage; third, to Nancy Baldwin, who exhibited a cabinet 40 years old; doll buggy, Natalie Linville, first, Edna Earl Rummans, second, Bourbon McCarty, third. There was also a doll buggy exhibited that was 50 years old.

The Three Bear Books made by the children on each playground were judged and a prize awarded to the best on each playground. Jane Van Pelt, aged 8 years, came first at the City School; A. J. Jarrett, aged 6, from the Brennan playground, and Mae Adams, ten years old, from the Wilson playground. The judges were H. B. Carr, Mrs. Nicholson and Miss Stivers.

The attendance this week has more than doubled the first week. By actual count the attendance was 2,385, but as yet the supervisors are not satisfied and are determined to make the five thousand mark. The City School, supervised by Miriam Galloway, beat the Wilson playground by a narrow margin. Thursday evening the children of the City School entertained the ball team in honor of their victory over the Wilson team. Stories were told by the children and games played, after which delightful refreshments of punch and cake were served. The Wilson playground entertained their team Tuesday night, celebrating their victory over the Brennan team. Only one game will be held this week and that between the Wilson and the City School, Tuesday afternoon on the Wilson playground.

The kindergarten children of the Brennan playground will have a peanut hunt Friday morning and stunt races in the afternoon. The Wilson playground will have their peanut hunt Wednesday morning.

Wednesday afternoon the girls base ball teams of Brennan and the Wilson will play on the Brennan playground. Thursday afternoon a horse shoe pitching contest will be held between all the playgrounds at Brennan playgrounds. The kindergarten children will start making their Mother Goose books. Much interest has been shown in the dolls that were donated by the clubs of Paris to the playgrounds. The children of the City School have named their doll for Jane Adams of the Hull House, in Chicago. The Brennan playground has named theirs for Martha Lawill and the Wilson for Edith Cavell, the martyred Red Cross nurse.

No program has been planned for the Fourth of July, as Community Service does not wish to interfere with the picnic to be held by the Knights of Columbus. Friday evening, July 14, will be stunt night on the Wilson playground and each playground will put on some special stunt. The program will be announced later.

SUNDAY'S RESULTS
Lexington 8, Paris 0.
Maysville 6, Winchester 3.
Cynthiana 8, Mt. Sterling 4.

TO-DAY'S GAMES
Lexington at Cynthiana.
Paris at Maysville.
Mt. Sterling at Winchester.

Club	Won	Lost	Pct.
Maysville	16	5	.762
Lexington	12	8	.600
Paris	11	10	.524
Winchester	10	11	.476
Cynthiana	8	13	.381
Mt. Sterling	5	15	.250

Cynthiana played errorless baseball behind Rorer and Rehkamp in the game at Cynthiana, Thursday with the Paris Mammoths, shutting out their opponents by the score of 3 to 0. The game was full of features. Fast fielding by the Cynthiana outfield robbed Paris of several chances to score. The batteries were: For Paris, Wills and Dugan; for Cynthiana, Rorer, Rehkamp, Willis and McVaine. The game went an hour and fifty minutes. Gay umpired.

Lexington undoubtedly has the "hoodoo sign" on Paris. Paris is the only team in the Blue Grass League with a respectful batting average and yet the Parisians are the only team that has not defeated Lexington.

Paris took the scoreless end of a shut-out game in Lexington, Sunday afternoon, when the Studebakers "goosegged" them to the tune of 8 to 0. In the first inning Paris used four pitchers, Lexington taking the starch out of them in the swiftest that followed. This makes the fifth time the Paris aggregation has tried to down the Lexington bunch, coming to grief each time. The old hoodoo still seems to be in good working order. Lexington made six runs in the first inning, and one each in the second and fifth. The four Paris twirlers who made offerings to the Lexington sluggers were Wills, McCord, Miner and Parsons, the latter being a new recruit. The result of Sunday's game puts the Lexington team a game and a half ahead of the Paris team. In Sunday's game Paris played without an error being chalked up against them—but couldn't break the hoodoo. The game lasted an hour and forty-five minutes, and was umpired by Day, who gave satisfaction all around. The game was witnessed by a large crowd of Paris fans.

The Lexington Herald's sporting writer pays tribute in Sunday's paper to two Paris players as follows: "Nippert, the Miami University product who is playing left field for the Mammoths, has played in six games and has hit safely in each one. This is the longest hitting streak extant in the league just now. Miner, the Paris southpaw, didn't look to be a wonder yesterday, and he may not be. But just now he is running a neck and neck race with Monhollen, Lexington's star left hander, for strikeout honors in the league. Miner has whiffed 62 men in 59 innings pitched."

Representatives of the clubs in the Bluegrass League will meet at Cynthiana to-morrow night, for the purpose of taking action on the proposed new three games a week schedule, to take the place of the present schedule, of two games weekly. The announcement was made by President Thos. M. Russell, of Maysville, while in Lexington. If the new schedule is adopted Mr. Russell said, it will probably go into effect on Sunday, July 9. Under the proposed schedule the games would be played on Thursdays, Saturdays and Sunday. Some of the baseball people got their dates mixed and went to Cynthiana last Wednesday night, only to find they were a week ahead of the real date of the meeting. The only difficulty anticipated is to satisfy the Lexington club, which has been holding out for all Sunday games in which the team participates to be played in Lexington.

In reference to the proposed change from two to three games a week, some of the clubs object to the change on the ground that Saturday base ball will hurt small towns in the League. The Lexington team objects to the change, that is, if they are to be deprived of their Sunday games at home. From the past week-day games, Manager Jesse Morton states that the contests on Sunday are the only ones that are paying, and if the club has to lose these games at home it would almost force them to withdraw from the circuit. However, before the schedule can be adopted, unanimous consent of the six clubs must be had which at present looks very doubtful.

A team composed of players selected from the four clubs of the Church League, played a team at North Middletown, Saturday afternoon, winning out by a score of 11 to 9.

RAILROAD SHOPMEN IN "A WALKOUT"

In obedience to instructions from the leaders of their union, about one hundred and eighty railroad shopmen employed in various branches of the work in the South Paris yards of the Louisville & Nashville, laid down their tools and "walked out" Saturday morning, being a part of the nation wide protest against the wage cut instituted by the Railroad Board at Chicago. The strikers refused to couple the air hose on outgoing trains, but made no other demonstration.

The men on strike are orderly and no trouble is anticipated here. The Louisville & Nashville has placed several guards at important stations in their local territory, as a matter of precaution. The men are taking the situation very philosophically, and their leaders scoff at any intimation of possible trouble. It is their belief that the rail strike will be settled satisfactorily within ten days. Local interest was centered yesterday in the possibility of a call from the meeting at Detroit for the maintenance of way men, trackmen and others to join the ranks of the strikers. A conference of strikers was held Sunday afternoon, at which the situation was thoroughly gone into, but no details were given out for publication.

The strikers are jubilant over the fact that only five of the different branches of the service which went on strike have remained at their work. Opinions differ as to the effect on the running of trains. Railroad officials say there has been no change beyond a delay of a few minutes in the schedule. The strikers, however, claim that the freight service has been crippled, and that no freight trains northbound from Corbin have passed through Paris since Saturday afternoon. It was reported that the five men who refused to walk out Saturday morning had reconsidered, following an interview with a committee of strikers, and had joined their associates, making the strike here one hundred per cent.

A dispatch from Chicago to the afternoon papers yesterday stated: "The six railway shop crafts unions which went on strike Saturday were outlawed by the United States Railroad Labor Board to-day."

"In a formal resolution the board declared that the unions, by their action, forfeited all rights before the board as railway employes and that new organizations of shopmen taking the striking men's jobs should be formed to represent the shop employes in disputes before the board."

COMMUNITY SERVICE TO GIVE "NEIGHBORHOOD NIGHT"

The Community Service has planned several kinds of entertainments for the summer. One of the most enjoyable will be observed Friday, July 7, and will be known as "Neighborhood Night." The object of this is for the people of different sections of the city to get together, to meet old friends, and to make new ones, in fact, to have a good time generally.

Everyone is invited to come out. Everything is free. In your neighborhood you will be hosts to the visitors, and it is up to you to see that there is a crowd waiting to receive them and to make them welcome.

There will be four stopping places, and the court house will be the starting point. There will be trucks to accommodate those who help to do the entertaining, and there will be music, singing, and different kinds of stunts. At each point one or more of our popular speakers will make short speeches. All who can sing, or who wish to try will meet at the Y. M. C. A. Thursday night at 7:30 o'clock, for rehearsal. Familiar songs will be chosen, and the young people are especially urged to participate.

Remember the meeting place, court house square, Friday, 6:45 p. m., and the stopping places, Nineteenth and Main, 7:00 p. m., Fifteenth and High, 7:30 p. m., Seventh and Walker avenue, 8:00 p. m., Second and Lileston avenue, 8:30 p. m.

CLOSED 4TH OF JULY

THE LEADER DEPARTMENT STORE WILL BE CLOSED ALL DAY, JULY 4TH.

JULY COURT DAY

July court day attracted only a small crowd to the city yesterday, due to weather conditions, and the presence of the "bill collectors," who were very much in evidence. Trading in stock was light, the demand and supply being about equal. Merchants reported their collections for the first day of the new month as very good. Business was on the up-grade, and merchants seemed to view the future with optimism.

NOTICE TO FORMER SERVICE MEN

Rev. T. S. Smylie, Commander of Bourbon Post, American Legion, calls attention of all disabled ex-service men who are not receiving compensation from the Government, but who should be receiving such compensation; all disabled men whose compensation is not properly adjusted or is not coming regularly; and all men who have complaint to make about their compensation, to report this week to Flournoy Hagan, Adjutant of Bourbon Post, at his office in the First National Bank building, and fill out one of the forms for disabled men.

This is a Statewide campaign on for cleaning up all these cases. Bourbon Post wishes to co-operate with any "buddie" in the effort to straighten out his compensation tangles and will do all it can to help Get in touch right away with Mr. Hagan. Do it today. The delay of a few days may mean that you cannot get your claim in time. This is of the greatest importance to all disabled ex-service men.

NEWS OF THE COURTS

In the County Court Saturday morning Judge George Batterton heard evidence in the case of Frank Hanks, of near Millersburg, charged with selling moonshine liquor, and Henry Feeback, of near the same place, who was charged with having liquor in his possession. Hanks was fined \$200 and given a jail sentence of sixty days. Feeback waived examination and was held to the grand jury in the sum of \$500.

A few days ago two men, wearing blue overalls, claiming to be from Mt. Sterling, came to Millersburg. After strolling around the city for a time they asked a man if he knew where they could get some moonshine whisky. They were sent to Feeback, who was then in Millersburg. Feeback is alleged to have told the men that he could get them any quantity desired. The men further stated that they wanted to buy a good still. According to the story Feeback had just what they wanted. They then bought a half-pint from Hanks, and one of the men went with Feeback to inspect the still. When they arrived at the Feeback home it was found that his stock had been previously disposed of, but a deal, it was alleged, was made for purchase of the still. When the two men returned to Millersburg they were arrested by Marshal Linville. The two strangers proved to be prohibition officers.
