GAME LAW VIOLATORS ARRESTED

Deputy State Game Warden A. W. Bullock, of Paris, whose territory embraces several counties in Central Kentucky, is being kept busy apprehending violators of the game laws. Mr. Bullock is the right man in the right place, and is proving a terror to law-breakers.

In Bourbon county the local Game and Fish Club is aiding in the work.

CIRCUIT COURT

Plans are being made by the members of the Bourbon county bar for a reception to be tendered Special Judge James C. Dedman, who is presiding over the November term of the Bourbon Circuit Court, in the absence of Judge Robt. Lee Stout, who is spending the winter in California. A committee has been appointed to complete the arrangements, and it will probably take the form of a supper during the last week of the term.

Following the adjournment of the grand jury, and the returning of thirty-three indictments, the following have been served with bench warrants by the Sheriff's office, and released on bond for their appearance at the March term, 1923, of the Court: George Russell, colored, two indictments, carrying concealed a deadly weapon and having an illicit still in his possession; Nelson Porter, taking property without felonious intent; L. T. Leach, escaping from the Bourbon county jail; John Hill, having in his possession an illicit still; Aaron Linville, suffering gaining. Linville entered a plea of guilty and was fined \$250; George Woods and Jno. Shinnors permitting a minor to play on a "pigeon hole" pool table, four counts; Joseph Cain, selling intoxicating liquor; Robert Link, suffering a common nuisance; Annie English Shouse, flourishing a deadly weapon; Vernon Denny, carrying concealed a deadly weapon; Henry Sladd, who was indicted on a charge of assault with intent to kill, appeared before Circuit Clerk Wm. In a dispute over wages between Calvert Meng, of Paris, and Junius Boggs, colored, tenant of Meng's farm, near Paris, it was alleged that Boggs struck Meng in the head with a brick, inflicting a severe scalp wound. Boggs was arrested by Sheriff M. Peale Collier, and Deputy Sheriff James Gibson, and brought to Paris. He was given a hearing yesterday morning in the County Court before Judge George Batterton, and fined \$100 and given a jail sentence of fifty days.

COURT NEWS

In the County Court Judge Geo. Batterton appointed Jasper McDonald, of Clintonville, as administrator of the estate of the late Mrs. Mary E. Stipp, who died several days ago at her home near Clintonville. Mr. McDonald accepted the trust, and qualified by furnishing bond in the sum of \$10,000, with James W. McClure as surety.

The Court appointed G. W. Cooper as administrator of the estate of the late Goebel Cooper. Mr. Cooper qualified by furnishing bond of \$500 with the Fidelity Trust and Deposit Co. as surety.

In the Federal Court at Richmond, Friday, Ed. Herrin, who was arrested in Paris some days ago by prohibition officials on a charge of manufacturing moonshine whisky was given a sentence of six months in jail. Herrin was tried on the charge of manufacturing or possessing apparatus to manufacture alcoholic drinks.

MAYOR'S VETO SUSTAINED

At a recent meeting of the Paris City Council, the seven members voted to sustain the recent veto of Mayor E. B. January to the order allowing John M. Stuart to hold dances in the hall of the Stuart & O'Brien building, on Main street, from October until May without paying an increased license. Mr. Stuart has paid at the rate of \$10 per night since last May for nights on which dances were held.

Mr. Stuart made the claim that at the rate at which he had been assessed he had paid into the city treasury more than would have been required of him for the year if he had taken out a yearly license and stated that he had not been able to make the business pay at that rate.

OLD CANE RIDGE FUND

Contributions are still solicited for the restoration of the old Cane Ridge Christian church and the grounds adjoining. The preservation of this historic old structure should be a matter of pride to the people of Bourbon county, and the State at large, as it has figured extensively in the religious history of the Christian church. To the people of Bourbon county it should always be a shrine, a place sacred to the memory of the famous men who gave their labors in the ministry of the church, and to the men and women of that generation who were of their congregations.

A few days ago a committee composed of Virgil Chapman, Jr., Chas. Spears and Harold F. Harris was appointed to extend the local campaign for the fund into a nationwide campaign. In the meantime contributions can be sent to J. Will Thomas, of Paris, treasurer of the fund.

PROPOSES PROHIBITION PLAN FOR AMERICAN LEGION

Mrs. Kate Waller Barrett, recently elected president of the Women's Auxiliary of the American Legion, told the W. C. T. U. assembly, at Philadelphia, that she had never encountered a returned soldier who was against prohibition and that a great effort is being made to unite the American Legion with the W. C. T. U. for the principles of prohibition and purity.

There is never any necessity for a man advertising his faults, they will be discovered soon enough.

H. C. BAILEY DROWNED IN ATLANTA

H. C. Bailey, Southern Division Agent of the Louisville & Nashville railroad, with headquarters at Atlanta, Ga., was drowned at Atlanta, Saturday, according to a message received here by Mrs. Charles Hukill, from her niece, Mrs. H. C. Bailey, of Mt. Sterling. Mrs. Bailey passed through Paris late Saturday evening on her way to Atlanta. No particulars of the drowning was given. Mrs. Bailey was formerly Miss Emma Hanly, daughter of the late Gratz Hanly, of Paris, and was married to Mr. Bailey several years ago. Her mother, Mrs. Gratz Hanley, at present resides in Mt. Sterling.

The daily papers of Sunday, carried the following news item from Atlanta, under date of Saturday: "The body of H. C. Bailey, division passenger agent for the Louisville and Nashville railroad, was found in the Brookhaven Lake of the Capital City Country Club here today.

"County police expressed the opinion that he had taken his own life. "Mr. Bailey's coat and hat were found on the bank of the Lake near where the body was discovered in the water by two caddies while they were searching for a golf ball. Papers found in one of his coat pockets indicated he had planned to leave Atlanta to-night for Louisville, Ky., his former home, to visit his mother.

"A coroner's inquest will be held Sunday. "Arthur H. Erwin, son-in-law of the railroad official, stated that he knew of no reason why Mr. Bailey should have decided to end his life. He had been in the service of the L. & N. for 34 years.

The body was brought to Louisville yesterday in a special car over the L. & N., accompanied by members of the family, and a delegation representing the L. & N. The funeral will take place at 11:30 o'clock this morning. The interment will take place in Cave Hill Cemetery.

PARIS HI VS. VERSAILLES HI FRIDAY

Friday, November 24, will be the last home game on the Paris High School football schedule for 1922. At this time the visiting team will be the strong Versailles team, which has made a splendid record during the entire season. Friday's game is as far as the home ground is concerned, the end of the career of several of the Paris High School's most popular players, as the schedule closes Thanksgiving Day in Covington. We are expecting this week one of our best games and one of the best crowds.

Paris High School extends an invitation to the football teams representing the Bourbon County High School at Millersburg, North Middletown High School, Little Rock High School, Clintonville High School, Center-Hill and to any other football team in Bourbon county to be guests Friday afternoon, at the Paris-Versailles game. Sixteen boys representing each of these schools will be admitted free to this game. In addition to the above invitation, the Paris High School team invites all the Bourbon county teachers and all 7th and 8th grade students coming from any rural school in Bourbon county, to be their guests at the game Friday afternoon.

We hope to have county-wide representation at this game, as this is the last home game of the season. On behalf of the coach, manager and players of the Paris High School football team, we want to express our appreciation to the people of this city and surrounding communities for their splendid attendance and support during this season, and especially do we want to thank the newspapers for the liberal space they have given us in writing up our games.

We feel that we are closing an unusually successful season and are looking forward to next season with great hopes for a championship team.
