For all the purposes of a Family Physic, and for curing Constipation, Jaundice, Headache, Dyspepsia, Rheumatism, Dropsy, Biliousness, Indigestion, Nervousness, Debility, and all the ailments arising from a disordered state of the Blood.

Are the most effective and congenial purgative ever discovered. They are mild, but effectual in their operation, moving the bowels surely and without pain. Although gentle in their operation, they are still the most thorough and safe cathartic medicine for the stomach and bowels, and even the blood. In small doses of one pill a day, they stimulate the digestive organs and promote vigorous health.

Ayer's Pills have been known for more than a quarter of a century, and have obtained a world-wide reputation for their virtues. They correct disordered action in the severest, assuming a general character of the body, and are so composed that obstructions within their range can rarely withstand or evade them. Not only do they cure the every-day ailments of children, but their aperient action gives them much more than the common purgatives, and never give pain when the bowels are not inflamed.

They reach the bowels in a few hours, and strengthen the system by freeing it from the elements of weakness.

They are so composed that obstructions within their range can rarely withstand or evade them. Not only do they cure the every-day ailments of children, but their aperient action gives them much more than the common purgatives, and never give pain when the bowels are not inflamed.
