

# AN OLD SAYING:

"FOREWARNED IS FOREARMED."

Are you going to the Great Butler Fair with that old buggy and harness? They are not safe and don't look well. You know the Fair is your show and it becomes your duty to make a good appearance; therefore don't you think it would be a good idea to get a new Buggy or Carry and a set of their own make of good harness, as they are making special low prices now so as to enable everybody to go to the Fair in style this year. The management think this will be the greatest Fair they have ever held and nobody wants to miss it. Better come in immediately and look over our stock and get the pick—it won't cost you a cent to look.

Yours Truly,

HOW TO CURE YOURSELF WHILE USING IT.

The tobacco habit grows on a man until his very system is a noxious affair. Impairing health, causing and leading to dyspepsia, indigestion, and a host of other ailments, it is only too true that the system is continually straining.
