Start Tomorrow and Keep It Up Every Morning

Get Into the Habit of Drinking a Glass of Hot Water Before Breakfast.

Millions of folks bathe internally now instead of loading their system with drugs.

There are vast numbers of men and women who, immediately upon arising in the morning, drink a glass of hot water with a teaspoonful of limestone phosphate in it.

People who feel good one day and bad the next, but who simply cannot get to feeling right are urged to obtain a quarter pound of limestone phosphate at the drug store.
