SUIT FOR POSSESSION OF BUSINESS PROPERTY.

Meeting to Discuss the Alien Land Law. Committee Appointed to Wait on Gov. Hogg—No Navigation Meeting.

Special to the Gazette. DALLAS, Tex., June 24.—An interesting suit was tried in the federal court today before Judge A. P. McCormick. It was the suit of Mrs. Martin L. Owens against B. F. Paschal for possession of \$10,000 worth of business property, including a two-story brick block, in the town of Denton.

1885 B. F. Paschal shot and killed Mrs. Owens' husband, who was then about sixty years old. Something like four years after Paschal was tried under the charge of murder, and the courts of the country cleared him. Before this action, however, Mrs. Owens, through her attorney, John M. Copley, began action against Paschal for damages. In the district court of Denton county she obtained a verdict for \$225. Pending appeal, the property at present involved was levied upon and sold by due process of law.

The supreme court affirmed the verdict in the lower court, and the next step was a suit for possession of the property. Judge McCormick will hand down a decision to-morrow morning.

A large and enthusiastic meeting was held today at the rooms of the Board of Trade to discuss the alien land law as passed by the last legislature. Two sets of resolutions were read and adopted, but those presented by Mr. O. P. Bowser cover the general ground, showing the full sense of the meeting. The resolutions were as follows:

Whereas, this Board of Trade, in common with a very large portion of the business men and property owners of this city, believe that the operation of what is known as the alien land law recently enacted by the legislature will prove most disastrous to every interest in the state; and

Whereas, these disastrous effects can only be prevented by early and prompt action on the part of the legislature in repealing or amending said law; and

Whereas, it is necessary for the governor to name in his call for an extra session all subjects or questions which can be acted on; and

Whereas, it is understood or expected that a call for an extra session will soon be made;

It is resolved: 1. That the president of this Board of Trade appoint a committee of seven prominent citizens, who are hereby requested to meet and confer with the legislature, Governor Hogg, and request him to embrace in any call he may make for an extra session the question of repealing or amending the alien land law, regardless of the fact whether he favors or is opposed to said law.

2. That all other boards of trade, chambers of commerce and other such business organizations in the various cities and towns in Texas be requested to take similar action promptly by appointing a committee for the same purpose.

3. That a copy of these resolutions be forwarded to Governor Hogg and all boards of trade and chambers of commerce in the state.

Mr. J. T. Dargan stated in the course of his remarks that the amount of loans in Texas that were now in force amount to about \$3,000,000. Of this amount \$8,000,000 was American money while \$45,000,000 was foreign money. The injury to the state by having the \$45,000,000 taken from the state was thoroughly ventilated. All foreign money will be demanded as fast as loans are due.

President Guild appointed the following committee in compliance with Mr. Bowser's resolution: Frank Cockrell, Gen. J. S. Griffith, W. C. Conner, Henry Eckart, Sawin Robertson, Jot Gunter and T. L. Muesel.

The Dallas Juvenile Historians will go to Fort Worth to-morrow evening and produce Richard III. A large crowd of Dallas people will attend and the company anticipate a very flattering reception at Pantherville. Tickets for the round trip at the low price of \$1 can be obtained at Shoek & Boy's.

The Trinity river navigation meeting called for to-day did not materialize owing to the Board of Trade meeting pertaining to the alien land law occupying the meeting room. Another day's meeting will be set at some future time.

Little Improvement Shown in the Markets Abroad.

A QUIET DAY IN FORT WORTH.

The Week's Movement from This Point Light—Stockyards and Packing—House Notes—A Strong Delegation of Texans Abroad.

General Notes. Following are comments on the market at leading points as taken from last night's telegraphic reports: Kansas City—"Market dull and lower." St. Louis—"Market strong on Natives; slow on Texans."

Chicago—"Market steady at unchanged prices." The packery received yesterday thirteen six-months' hogs. Tarrant county raising, and they weighed 250 pounds, paying 4c. per pound. They were beauties. Simply a hint to hog raisers.

Secretary Paxton of the Fort Worth Union stockyards has tendered his resignation, to take effect July 1. His successor will be named at a meeting of the board of directors to-day. Those connected with and doing business at the yards will regret to lose Mr. Paxton from the secretary's desk, as he is a genial, accommodating official. He will be found in the city after the 1st.

Several cars of hogs are expected from Kansas at the Union yards to-night for the packery. The pens were entirely clear of swine after yesterday's killing.

Beef cattle have moved slowly from this point so far this week, and buyers here are convinced they've got to get out and hustle, however much they dislike to be surrounded by a "billed shirk" during its wilting process.

The packery's out-of-town shipping orders are increasing daily, and heavy shipments go in every direction. The stockyards are scarcely over clear of cars being loaded out at any hour during the day.

The Chicago Drovers' Journal special London cablegram quotes the supplies of cattle light. Trade firm. Price 1/2 cent higher, top American cattle 1 3/4 cents per pound, sinking the offal.

The St. Louis Market. The National Livestock Reporter, National stockyards, Illinois, thus comments on the "billed shirk": "This morning by the time the business was fairly started the receipts of Texas and Indian cattle amounted to 124 carloads, and of these only a few cars were from the New York trade. The cattle were largely Southern Texas grassers, and the quality was not good enough on an average to induce active operations on the part of buyers, and as a result the market was unfavorable for the trade in grass cattle business opened here in very bad shape compared

DALLAS.

with the close of last week. A number of buyers wanting a few loads each did the early business, amounting to thirty-five to forty loads, after which the market was very dull and slow. Prices were 10 to 15 cents lower than the close of last week, and not quite so high as the week before. The report shows over 7000 cattle in the receipts, out of 8000 of them passed through the yards, and the balance of the year on range cattle of medium and lower grades."

The Chicago Market.

At the close of business at the Chicago stockyards Monday last, the Drovers' Journal comments as follows on the condition of the market, and there has been no material change, at least for the better, since: "Texas cattle lower, common cattle dull, very light run of sheep, choice native beaver higher, London cattle market higher." Cattle receipts were about 1000 more than a week ago, and as there were 3000 more Texas cattle than a week ago the supply of available cattle was 8000 less than last Monday. The quality of native cattle was not good and the choice kinds, both heavy and light, sold at about 10 cents below the Chicago market. All kinds of common cattle coming in competition with the better grades of range cattle sold unevenly lower."

Texas Abroad.

The following Texans had livestock at National stockyards, Illinois, from the Lone Star state Friday and Monday last, as reported by the National Livestock Reporter: C. W. Barnard had in cattle from Sabinal. A. Branch, Hubbard, marketed cattle. T. M. Pool, Valley Mills, had cattle on the market. J. Y. Bell, Cuero, had in seven cars cattle. George S. Williamson had in a car of Southern Texas cattle. Lock Forrester, Bolivar, had in eight cars cattle. Gilroy & Price, San Antonio, had cattle on the market. C. G. Caldwell had in two loads of cattle from Austin. S. H. Garrison has cattle on the market. R. B. Hutto of Hutto has two cars cattle on the market. Daniel & Matson, Hubbard City, had cattle on the market. F. L. Turner, Axtell, had three cars cattle on the market. Campbell & Co., Sweetwater, had three cars cattle on the market. Trammel & Evans of Sweetwater marketed three cars of cattle. Matthew Cartwright of Terrell had seven cars of cattle on the market. E. S. Elissner & Son, Gainesville, had three cars of cattle on the market. L. B. Chase of Valley Mills had three loads of cattle on the market. S. H. Annett, Hubbard, was at the yards with three cars of cattle. W. H. Jennings of San Antonio had seven cars of cattle on the market. Walter Parker, Iowa Park, had a double deck load of cattle on the market. J. R. Sullivan, Sanger, had three cars of cattle on the market and visited the yards. Baker & Woodworth, Cuero, and M. J. Baker of the same place had in a train of cattle. Frank Dives, Midland, had in two cars of cattle and visited the yards. Saunders & Jennings and Jennings and Deane of the same place of Southern Texas cattle on the market. Messrs. Blanton & Davis of Hutto had cattle on the market, and Mr. J. P. Davis visited the yards. W. D. Holman and J. S. Holman of Hutto, Williamson county, visited the stockyards to-day, having several cars of cattle. A. J. Durban, Sabinal, was at the yards and had three cars of cattle on the market. Robert Small, Dallas; W. D. Holman, J. S. Holman, J. P. Davis, C. R. Stephens, Hutto; F. L. Turner, Axtell; L. D. Boyd, Monte Carlo; H. Amos, Hubbard; William Bryden, Mount Calm, were at the Allerton house on Sunday and Monday.

Somervell's Stock All Right.

Special to the Gazette. GLEN ROSE, SOMERVELL COUNTY, TEX., June 24.—Stock of all kinds is looking first-class. Midlothian's Shipment. MIDLOTHIAN, ELLIS COUNTY, TEX., June 24.—Midlothian has shipped about 1700 beefs to St. Louis and Chicago this spring. San Angelo as a Wool Market. Special to the Gazette. SAN ANGELO, TOM GREEN COUNTY, TEX., June 24.—Capt. A. E. Shepard closed the contract here to-day for the large three-story flouring mill building, which he expects to start in the next few weeks. A charter has been applied for with a paid-up capital of \$30,000. This will guarantee San Angelo as the largest wool market in the state. About 1500 head of muttons are shipped from here daily, which are selling at fair prices in St. Louis and Chicago.
