TWO MEN-OF-WAR TO ASIA.

A NUMBER OF WAR SHIPS NEEDED AMONG THE PHILIPPINES.

Hobson to Appear Before the Naval Board and State His Plans for Floating the Colon.

Washington, October 27.—Two more men of war will probably follow the auxiliary cruiser Buffalo to Asia soon.

Rear Admiral Dewey has impressed upon the department the necessity of having a large number of light draught gunboats among the Philippine islands.

In addition to these gunboats it will be necessary for the department within the next few months to send an auxiliary cruiser, carrying another draft of men to take the places of those on the Asiatic station, whose terms of enlistment have expired.

Believing it desirable to add the chief intelligence officer to the membership of the board of construction, Mr. Hobson has given to Commander Richardson Cleveland, appointing him a member of that organization.

WILL OF MISS WINNIE DAVIS.

EVERYTHING SHE POSSESSED LEFT TO HER MOTHER.

A Request Made That Other Loved Ones Be Given Some Token of Remembrance.

New Orleans, October 27.—The will of Miss Winnie Davis has been filed in the district court. The document is in eloquent form and very brief. It reads as follows:

"I, Varina Anne Davis, being of sound mind on this, the 11th day of February, 1898, and about to sail for Egypt, 1898, my last will and testament, I give, bequeath to my beloved mother, Varina Howell Jefferson Davis, everything I have both real and personal property, and all returns that may come from my literary works, stocks, bonds or moneys of which I do possess. I beg her to give a remembrance out of my jewelry to my dear cousin, Anna Smith, and to my dear, dear old nurse, Mary Ahern. My dear mother is to judge what she would like to give to my dear sister, Margaret Hayes, and her children to remember me by. I know she will know what I wish one. I sign this in the Grand Hotel, 123 West Forty-fourth street, New York City, N. Y., February 11, 1898.

"Varina Anne Davis."

NEW UNION TOBACCO COMPANY.

Will Do Business in Opposition to the American Tobacco Company.

New York, October 27.—The Times says in regard to the new Union Tobacco Company of America, the belief is general in Wall street that its promoters comprise all or nearly all of the most wealthy and experienced tobacco men hostile to the American Tobacco company. Many who were at first inclined to believe that the Union was a "blind" corporation in the interest of stockholders, have changed their opinion, while the real character of the enterprise has not yet developed.

The depression remains strong that J. S. G. and William F. Butler of St. Louis and W. H. Ellis of Baltimore will be prominent in the affairs of the Union. All have been prominent in the American Tobacco company, or with the concern it has absorbed, and are now hostile to it. What appears to have leaked out in regard to the Union is correct; it will manufacture cigarettes and smoking tobacco.

In regard to the deal by the American Tobacco company, while its officers would not discuss the subject, statements regarded as semi-official were that it would be carried out by the other hand. Wall street dispatches were that P. J. Sorel of Cincinnati had been told he had sold or transferred his factory and that no new proposition had been made to the John Singer & Bro. company of Louisville. It is established beyond a doubt that the International Tobacco company, just organized at Albany, N. Y., at \$70,000,000, is in no way connected with the American company, but is an independent concern, created by the combining of several small manufacturers of cigarettes and other tobacco.

Major W. A. Taylor is away on four days leave of absence.

Captain H. S. Bishop is here with a detail superintending the shipment of some of the personal effects of members of the Fifth cavalry, left behind when that regiment was ordered away from this post.

Sergeant Sartin is up from Camp Eagle Pass for a few days.

Corporal George W. Russell has been promoted quartermaster sergeant of company D. Private Thomas T. Hall was promoted corporal.

Privates Hilton M. Harrison and Leslie C. Latimer have been appointed corporals of company B.

Orders were today issued for the following appointments in company C at Fort Bliss: To be sergeants, Corporals T. E. Cosper, Clarence G. Wilcox, Mack Nenece and Thomas E. Robinson; to be corporals, Privates George W. Taylor, Robert A. Griffler, Thomas R. Mooney, Robert A. Dunbar, A. A. McNatt and James M. Hill.

Privates Alfred H. Wilson, company E; M. Green, company K; and T. C. Perkins, company F, have been detailed on special duty in the quartermaster's department.

CHANCES ARE THAT THERE WILL BE STRONG OPPOSITION SOON.

New York, October 27.—A dispatch to the Tribune from aWierbuck, Conn., says: George A. Lewis of Nagatsuck, president of the Goodyear Rubber company, has tendered his resignation. This is the consummation of the biggest deal in the history of the rubber business in this country.

BUDGET FROM BEAUMONT.

Other Warrants Charging Fence Cutting Have Been Sworn Out.

ARE MADE RETURNABLE AT PORT ARTHUR.

Right-of-Way for the Orange and Great Northern is Being Cleared. Hop at City Hall.

Beaumont, Texas, October 27.—In The Post this morning it was mentioned that the charges of fence cutting which had been preferred against Joseph O. Osgood, manager of the Sabine Land and Improvement company, and others by Thomas Dies had been dismissed by Judge Reeves, Justice of the Peace for the Sabine Pass precinct. Mr. Dies received notice of the action of the Sabine Pass court yesterday, and late in the afternoon he went before Justice P. A. Dowlen of precinct No. 1 and filed complaints upon which warrants were issued charging Mr. Osgood and eight others with fence cutting, and the warrants are made returnable to the justice court at Port Arthur.

As heretofore stated, these charges are result of a controversy over a tract of land fronting on the Sabine and the Sabine Land and Improvement company, of which Mr. Osgood is manager, and the company announced that they were prepared to pay for the same. Recently Mr. Dies, representing New York clients, built a wire fence around the premises and erected a house thereon. This was done, however, it is said, at the instance of the Sabine Land and Improvement company, and for such act Mr. Osgood was arrested on warrants charging them with fence cutting. While the first charges of fence cutting were pending the parties who had taken up residence in the house built by Mr. Dies departed, leaving the house vacant. The Sabine Land and Improvement company, however, refused to pay for the same, and the company announced that they were prepared to pay for the same.
