THE BRENHAM GUN CLUB. BUDGET FROM BEAUMONT

Bright Prospects for the Shoot Which Takes Place Next Month.

FOUR DAYS OF SPORT ON THE PROGRAMME

Brown of Burton and Jackson of Austin Issue a Sweeping Challenge to the State—The Races.

Brenham, Texas, January 28.—The prospects are bright for the shoot which will be given by the Brenham Gun Club, February 21, 22, 23 and 24, will be well attended. Invitations are extended to all Texas trap shooters to attend, and as this is open to Texas only, the club believes that a large number will attend. In addition to Messrs. Burner, Graber, Tucker, Lockett, Swearingen, Low, Pennington and Evans of this city who will enter, Brown of Burton, Jackson of Austin, Atkinson of Giddings and Kennard of Gonzales have signified an intention to attend.

There will be 3000 live birds and plenty of blue rocks, and trap shooters can get whatever kind of sport they desire. Letters will be written to Messrs. Dupree, Miller and others of Houston, to Messrs. Hubby, Ambold and others of Waco, and, in fact, to all trap shooters in Texas whose names can be procured, urging them to be present.

Green's brigade will be in attendance here at the time, and the excursion train given by the road for the reunion will be made to have the tickets extended until after the shoot is over. The shoot will be conducted on the American Association rules, and on just a liberal basis as will pay expenses. It is expected that there will be considerable added money and all amateur shooters of the State are urged to be present. There will be \$100 added money. It is intended that this amount will be apportioned between the four days, \$25 each day to be divided between the three gunners making the best average on each day, 50 per cent, 30 per cent and 20 per cent. The hotels of the city have agreed upon a rate of \$1.50 per day for the shooters; and the shoot will be held at Firemen's park, which is a pleasant walk from the public square of the city. Each day's shoot will start at 9 a. m. A rate of one fare for the round trip obtains from all points of a distance exceeding seventy-five miles from Brenham, and 4 cents per mile for towns nearer than seventy-five miles. The following is the programme for the four days:
