An Ounce of Fact is worth a pound of theory and the swarms of conclusive facts that cluster around that incom parable preparation, Hoofland's German Bitters, prepared by Dr. C. M. The most extraordinary discovery in the World is the Gr at Arabian Remely for man and Beast. II. G. FARRELL'S CELEBRATED ARABIANLINIMENT

IT IS A FACT ESTABLISHED and well known that the Arabians attained a height in the knowledge of medieine which caused the whole world to wonder and admire. With them the science of chemistry had its birth, and it is, therefore, not at all strange that a people so eninently succossful in the healing art, and so persevering and daring in character, should, by actual and untiring experiment, discover remedies far surpassing in efficiency all others, for the care of those diseases incident to them from their mode of life. The greater part of their time being spent in haz-ardous and bloody warfare with the different tribes, they were subject to the most violent attacks of rheumatism, par, alysis, nearalgic pains, and various inflammatory diseases. as also the most horr dwounds, sprains, bruises, tumors, swellings, diseases of the joints, etc., etc. All these diseases they were so surprisingly efficient in curing, that the uninitiated looked with wouler and attributed their skill to the powers of magic. H. G. FARRELL'S ARABIAN LINI-MENT is a composition of bulsauns and oils, from rare plants peculiar to this country, and it was by the use of the articles composing this great remedy that not only their physicians, but even the wild Arabs of the desert were enabled to perform such miraculous cures. The Arab steed is world-re nowael for his betatiful symmetry of form, his unsurpassed speed and agility, and the incredible fatigue he is capable of eaduring. Why is it? Because from the time of his birth his limbs are certainly watched, and upon the first appearance of disease the magic lotion is applied, and such things as confirmed sweeny, poll-evil, fistula, ringbone, scratches, spavin, lameness, etc., etc., are unknown. The same result vill follow in all cases where H. G. Frrrell's Genuine Arabian Liniment is used in time. Therefore delay not in procaring a good supply of it, for every dollar spent in it will save you twenty, and a great deal of suffering, if not your

Look out for Counterfeits! The public are cautioned against another counterfeit, which has lately made its appearance, called W. B. Farrell' Arabian Liniment, the most dangerous of all the counterfeits, because his having the name of Farrell, many will buy it in good faith, without the knowledge that a counterfeit exists, and they will perhaps only discover their error when the spurious mixture has wrought its evil effects.

The genuine article is manufactured only by H. G. Farrell, sole inventor and proprietor, and whole sale druggist, No. 17 Main street, Peoria, Illinois, to whom all applications for Agencies must be addressed. Be sure you get it with the letters if. SPARTA, June 80, 1849.

Dear Friend Stewart:—I have been home now just two months. When I last saw you I had but little hopes of ever getting any better. But I have now the pleasure of thanking you for recommending me to take Dr. Rogers' Syrup of Liverwort, Tar, and Canchalagua. I got a dozen bottles of it and took home with me, determined to make a fair trial of it, as I had done with everything else. I have only taken tour bottles of it, and I must say it has done me more good than any other medicine I have ever taken. On my first taking it, it increased the expectoration, and I raised a great deal of bloody matter from my lungs. But that has now ceased, and so has my cough, nearly. I cough but little now, and expect soon to be entirely free from it. I consider it an intable medicine, and shall recommend it to ali who are afflicted with a cough or diseased lungs.

I let a young lady, who had the Consumption, and had bled a good deal from the lungs, and doctored several months with our Physician, but grew worse, have a bottle of it, and it cured her. It acted almost miraculously in her case.
Your sincere friend, F. M. CORY.

Bleeding at the Lungs Cured! Statement of Mr. A. Lang, Baker, No. 388 Pearl street, N. Y .- A few days before last Christmas I was taken unwell, and soon commenced bleeding freely at the Lungs. I called in a Homœpathic physician, but his medicine did not seem to help me. I mad your advertisement, and thought I would try Dr. Rogers' Syrup of Liverwort, Tar, and Canchalagua. Before I had taken up the third bottle, my bleeding had stopped, my cough was gone, and I felt well as usual. My health is now good. I consider it a most excellent medicine, and cordially recommend it to my friends. | This statement was made to the proprietors, March 12th, 1850.]

CIRCULARS, &C. As no ordinary sized advertisement can fully explain the nature and merits of this article, the Proprietors have published a new Circular, giving the history of this medicine; the description, nature, &c., of its principal ingredients; the effect they are designed to have upon the Lungs and Liver, and a copious reference to the persons who have been cured by it—giving their names and residences, even to the street and the number. Those who are troubled with a Cough, or whose Lungs are in the least affected, are earnestly desired to call upon the Agents named below, and procure one of these pamphlets.
