HINSDALE, N. H.

Quagmire of Mud and Oil. Oiling the state road proceeded under considerable difficulties the latter part of last week and the first of this week, owing to the unusual amount of rain, which made the worst mess imaginable, and the oil that was not washed into the sewers was tracked into the stores and houses. At one time last Monday afternoon nearly the whole surface of the Ashuelot river below the village was covered with oil which had been washed off the road. There was such a quagmire of mud and oil on Canal street that the whole surface had to be scraped off. Mrs. Patrick Conway has returned from a few days' visit in Keene. Dono Chavonelle of Keene was a guest of Hinsdale friends Sunday. Miss Bonnie Purcell was at home from Greenfield, Mass., Sunday. Golden Rule lodge of Masons will hold a special meeting next Monday night, at which the M. M. degree will be conferred upon two candidates. This will be the last meeting of the lodge until September. The electric current for the street lights and all other electric lights was off several hours Saturday night and was the cause of much inconvenience. A falling tree breaking the transmission wires between the power house and Brattleboro caused the trouble. As usual the official opening of the baseball league was again postponed until next Saturday for the same reason. It is thought that the players will not stand for another postponement and it looks now as though the games would be played next Saturday, rain or shine. The I. O. O. F. lodge held its memorial services in the Universalist church Sunday. After a very appropriate sermon by the pastor, Rev. F. H. Cole, the members marched to Pine Grove cemetery, where 26 graves were decorated. One grave in Oak Grove cemetery at North Hinsdale also was decorated. Maximilian Bergeron, son of Mr. and Mrs. Edward Bergeron, received the degree of D. D. S. at the Georgetown university commencement exercises this month. Mr. Bergeron deserves great credit for the progress he has made as he has paid his own way by working at the war college during his entire course of three years. He will take the New Hampshire state board dentistry examination and intends to locate in this state. Excursion to Plattsburg June 25. See ad on page 3.
