Clearance Sale

Norfolk has ever known. Price-reductions—HONEST PRICE-REDUCTIONS—are essential to the proper conduct of any large retail business. Buyers cannot be infallible—a season's business cannot always be EXACTLY judged in advance—and the careful merchant must make allowance for some sacrifice at the end of the season. Our advertisement to-day contains examples where a price-reduction has been considered necessary, either to reduce a stock to the size deemed consistent with the season, or for other good reasons. In every instance where we announce such a reduction it may be depended upon as an honest reduction—QUOTED WITHOUT the SLIGHTEST EXAGGERATION. Come prepared to secure the greatest bargains you have ever seen at any sale. You will find liberal indulgence unavoidable, as each article is marked with the sole view of positive clearance.
