

NEWS FROM RICHMOND AND OTHER PARTS OF VIRGINIA.

OUR RICHMOND NEWS LETTER

Democratic Effort to Get Out a Full Vote Partially Succeeds.

HOW THE VOTE STANDS

Second Day's Session of the Daughters of the Confederacy—Arrival of Mrs. Jefferson Davis—Wednesday's Program—A Woman of Nerve Presents a Paper—The Supreme Court—Death of Former Citizen.

Richmond, Va., Nov. 7.—The election passed off so quietly here to-day that only the closed doors and curtained windows of the saloons gave notice that it was in progress. But for the great exertions of the Democrat leaders here the vote would have been one of the lightest ever cast.

There were five Democratic candidates in the field, and one Republican, a man named A. C. Worsham, and unknown to fame. It was surmised, however, that Worsham had come out at the solicitation of some disaffected Democrats in the hope of beating Mr. S. S. P. Patterson, who declined to make known his Senatorial preference, although presumed to be a Tyler man.

THE RESULT.
For this reason the Democrats have made extra exertions to get out a full vote, but their success was only partial. The total vote cast here was only 2,627, and of this number A. C. Worsham, the Republican, received only 167. The Democratic nominees were elected by the following votes: George W. Anderson, 2,536; S. S. Patterson, 2,527; John B. Epps, 2,521; E. C. Folkes, 2,513; S. L. Kelley, 2,498.

DAUGHTERS OF CONFEDERACY.
The Daughters of the Confederacy continued their sessions here to-day, the time being devoted mainly to a business meeting of the Virginia Chapter.

Mrs. Jefferson Davis, her daughter, Mrs. Hayes, and the latter's son, Jefferson Hayes Davis, arrived this afternoon from New York.

To-morrow morning Hon. John H. Reagan, the only survivor of Jefferson Davis' Cabinet, now of Austin, Texas, is expected to reach here.

To-night a largely attended reception to the Daughters was held at the Executive Mansion.

WEDNESDAY'S PROGRAM.

The program for to-morrow is an interesting one. The tablets to Miss Winnie and the other children of Mr. and Mrs. Davis will be unveiled in St. Paul's Church, and at night a banquet will be held at the Jefferson. The unveiling ceremonies in Hollywood occur Thursday.

Mr. George Julian Zolnay, the eminent sculptor, reached Richmond this morning, coming by way of Norfolk.

SAVED BY NERVE.
Fire broke out in a building adjoining Lee Camp Hall at 2 o'clock to-day while the hall was filled with delegates to the meeting of the Grand Division of Virginia, U. D. C. Mrs. Norman V. Randolph, recording secretary, heard the engines and saw the smoke, but it escaped the attention of the others. She mounted the president's rostrum and in a good natured and quiet tone asked the delegates to vacate the room at once as it was needed. She insisted that the fire was a small one and did almost no damage, but the smoke became very dense and the coolness of Mrs. Randolph may have averted a panic.

THE SUPREME COURT.
The Virginia Supreme Court of Appeals will convene to-morrow morning. The term, it is expected, will be an unusually busy one. Among the cases that will first occupy the attention of the court are those of the Commonwealth vs. Johnson and the Commonwealth vs. Davis, both of which will probably be dismissed.

The case of Wise vs. the Commonwealth will probably be submitted on briefs. The case of Willis' executors vs. the Commonwealth will be argued. The next two cases, Robert Bundick vs. the Commonwealth and Catherine Bundick vs. the Commonwealth will be heard. It will require to-morrow and Thursday, probably, to dispose of the above cases.

DEATH OF JOHN R. WEST.
News has been received here of the death in Savannah last Friday of Mr. John R. West, formerly a resident of Richmond.

He resided here several years as agent of the Equitable Life Insurance Company. Mr. West was widely known in Richmond. He took a very active part in church work, and was one of the most enthusiastic Y. M. C. A. men in the city. While here he held membership in the First Presbyterian Church.

Mr. West went to Atlanta to reside about three years ago. Only a few weeks ago he removed to his old home at Savannah, where he was born about fifty years ago. The cause of his death was heart trouble, from which he had suffered for several years.

Mr. West leaves a widow and children. He has relatives in Richmond, among them Major Robert Stiles, a cousin.

SECRETARY LAWLESS RETURNS.

Secretary of the Commonwealth Joseph Lawless returned this morning from a business trip to the North. Mr. Lawless did not go to his home at Portsmouth. The regular ticket has no opposition. It is the first election held since Mr. Lawless attained his majority in which he did not cast a ballot. Had there been any opposition whatever to the Democratic ticket he would not have failed to exercise the franchise at this time.

U. S. CIRCUIT COURT.

The calendar of the United States Circuit Court of Appeals is the largest in the history of this court. The court will convene Thursday at noon and Judges Coff, Simonton, Paul and Brawley will preside.

The twenty-fourth annual convention of the Virginia Christian Missionary Society will begin at the Seventh Street Christian Church to-morrow morning.

PETERSBURG.

BUSINESS HOUSE ROBBED—LIGHT VOTE POLLED.

Petersburg, Va., Nov. 7.—The election here to-day for members of the Legislature passed off quietly and a very light vote was polled. The regular Democratic nominees were Messrs. W. P. McRae and Thomas B. Ivey, both of whom are ex-members of the Legislature. Mr. S. M. T. Bass ran as an Independent Prohibition candidate and Mr. J. J. Blick as an Independent Democratic candidate. Messrs. McRae and Ivey were elected.

HOUSE ROBBED.
Some time during the early part of last night the Boston Installation House, on Halifax street, was broken into from the rear way and robbed of different articles. A negro was seen coming from the rear of the store, but he eluded capture.

An investigation developed the fact that the robber had brought out of the store a large quantity of goods which he had placed at the back door, and which he intended carrying off when an opportunity offered.

CONFERENCE PROGNOSTICATIONS.

It is now thought that there will be no changes made at the Virginia Conference, which meets here on the 15th instant, at Washington Street Church, of the pastors in Petersburg, except that of Rev. R. B. Barrett, pastor of the Blandford M. E. Church, whose term expires by limitation. Rev. Geo. W. Wray, pastor of Washington Street Church, said to-day he did not think there was any foundation for the published statement that he would, probably be removed to Richmond during the session of the conference. Rev. W. C. Vaden, presiding elder of the Portsmouth District, Rev. B. E. Lipscomb, of Newport News, Rev. T. H. Campbell, presiding elder of the Petersburg District, and Rev. T. J. Wray, of King George county, will be the guests of Rev. George W. Wray.

SABBATH DESECRATION.

At a meeting of the ministers of the city, held yesterday a paper on Sabbath desecration was presented by Rev. J. D. Hart, pastor of the Second Baptist Church, which was fully discussed. The paper was referred to a committee of five, who will make its report one month hence.

Mr. W. D. Cooley, of South Dakota, 75 years of age, is building a boat on the wharf here, in which he proposes to go to Boston, where, it is said, there is over \$3,000 belonging to him, which has been invested by the county authorities. How Cooley came in possession of the money was not ascertained.

ROANOKE.

CHURCH TROUBLE—ACCIDENTALLY SHOT—ELOPEMENT.

Roanoke, Va., Nov. 7.—The trouble in Calvary Baptist Church is not at an end as yet. The pastor, Dr. Hale, has given out that all members who attend theatrical performances and dance at the German are not wanted.

About twenty members were cut off last week, and it is expected that fully as many more will quit the church this week.

The pastor laid down the law again yesterday and asked all who endorsed his views to stand up. Nearly all stood. One of the most prominent members, however, spoke in opposition to such extreme views.

The people who are leaving the church are generally the most influential members. It will be recalled that Prof. J. Rasmussen, the organist, resigned several weeks ago on account of similar remarks made by the brother of the pastor.

ACCIDENTALLY SHOT.

George Lowry, a farmer, was shot in the face to-day by Colonel R. H. Woodrum and Clarence Moorman, who were bird hunting. The shooting was an accident. Mr. Lowry was coming up the hill just as the guns were discharged. His wounds are painful but not dangerous.

AN ELOPEMENT.

Miss Rosa Graveley, a stenographer, and daughter of Joseph Graveley, of Snowville, Va., and E. O. Kernan, a Roanoke merchant, eloped to Washington, D. C., Sunday morning, where on their arrival they were united in marriage. They will take a ten days' bridal trip before returning to Roanoke.

WILLIAMSBURG.

Williamsburg, Va., Nov. 7.—The William and Mary foot ball team is arranging for a game with Newport News and Portsmouth.

Mr. Elwell Scott, who has spent the past six years in the Philippines, is expected to return here next spring. He will spend six months here, and during his stay will purchase a lot of machinery to take to our new possessions in the East.

Ex-Congressman Richard A. Wise, of this city, who is contesting the seat of Hon. W. A. Young from the Second District, says he will be seated, and considers his case against Mr. Young stronger than in 1896, when he won the contest over the congressman-elect.

(Special to Virginian-Pilot.)
Richmond, Va., Nov. 7.—Judge Brown, of the Bedford County Court, to-day overruled the application for a new trial for Lulu Smith, convicted of poisoning her husband last August, and sentenced the woman to hang on the 12th of next January.

NEWPORT NEWS.

DROWNING OF MR. GRIFFITHS—HAMPTON ODD FELLOWS.

Newport News, Va., Nov. 7.—The reported drowning of Mr. George E. Griffiths, the popular young business man of the firm of Griffiths & Lewis, was confirmed this morning with the return of Mr. and Mrs. H. J. Lewis, partner of Mr. Griffiths, who left last night to identify the body and bring it back to this city for interment.

The remains were brought to Old Point Comfort, of the New York, Philadelphia and Norfolk railroad, the same boat from which the deceased fell to his watery grave, and were brought here in an undertaker's wagon.

The hour of the funeral has not been definitely set, but will take place from the late home of deceased on Thirtieth street, and will take place soon, as the body was in the water nearly twelve hours before it was recovered.

Mr. Lewis stated this morning, on his return from Cape Charles, that the drowning was in all probability the result of a paralytic stroke and that Mr. Griffiths must have fallen from the steamer just before it made a landing Sunday night to transfer its passengers to the north-bound train. He identified the remains as soon as he saw them and at once took charge of the effects on his person.

SPECIAL TERM OF COURT.

Judge Blackstone will hold a special term of the Circuit Court here to-morrow, principally for the purpose of disposing of, at once for all, the case of the defunct Atlantic Transportation Company.

This company's affairs have been in the courts here ever since the concern went into the hands of receivers, and it is hoped to-morrow to straighten out the tangle in which some half dozen lawyers are interested.

The Dudley bankruptcy case comes up to-morrow in the United States Court at Norfolk.

HAMPTON ODD FELLOWS.

Monroe Encampment, I. O. O. F., of Phoebus, had a rousing big time at the hall of Chesapeake Lodge last night, when thirteen candidates were given the Patriarch's degree. Past Grand Patriarch Haas presided and there was a large number of visitors present from Newport News, Hampton, and Old Point. After the degree work was completed, the visitors were invited into the large assembly hall, where they sat down to an excellently prepared banquet, to which all did full justice.

Boston, Nov. 7.—The American tramp steamer Winfred, commanded by Captain Langhorne, arrived to-day from Galveston, October 28th, with cotton in her forehold on fire. The vessel's cargo consists of 6,150 bales of cotton consigned to New England mills.

On the second day out from Galveston smoke was discovered issuing from the forward hatch. Steam was at once injected into the hold, and by this means the fire was held in check, although not fully extinguished. The steamer continued on her way here with the fire smouldering among the bales of cotton, but there was no danger to the ship. Just how serious the fire is cannot be ascertained until some of the bales are removed. The value of the vessel's cargo is about \$250,000.
