'It has become known to Catholics re that an effort has been made to scredit the Knights of Columbus bero the church authorities at Rome. It is the late of the church in America. It is the late of the fact that in its degree work or the companitation makes use of an elarate ritual seem to be the chief uses of complaint against it.

'It is also objected against the sorty that it forces the young priests to join it to 'subject themselves to ecommon discipline, renouncing all stinctions, obeying lay chieftains—in word, leaving their sacredotal charter at the door.' The authorities at me, it is declared, have already been formed that the society is a new danry which menaces the church, and it said they have its dissolution under visement.

Dr. Cohen has returned to Norfolk after a pleasant summer vacation. On Friday night he delivered an eloquent sermon at Ohef Sholom Synagogue. His theme was on the line of the different uses to which wealth is put by rich men. As an example of the noble use of money to promote the general happiness of man he cited the great philanthropist, the late Baron Hirsch, whose beneficence was broad enough to cover mankind, irrespective of seet, race or clime. The members of the choir have also returned, and the music was of a high order.
