

REPUBLIC OR EMPIRE.

Stand Up for the Republic of the Forefathers.

In Appeal to Patriotism and Conscience to Preserve Liberty—Five Hundred Officers of the National Association of Anti-Imperialist Clubs Sign Resolutions That Express the Sentiments of All True Americans.

The resolutions are as follows: We, the undersigned officers of the National Association of Anti-Imperialist Clubs, conscious that the close of a most portentous campaign is at hand, when the merits of its issues, and of the respective candidates for the Presidency, are to be finally submitted to the judgment of the people, submit the following as a synopsis of our position and upon it invite the support of the membership of this association and of patriotic voters generally:

We object to the imposition of taxation without representation by the McKinley administration, either by the McKinley administration upon the people of Porto Rico, as an unpardonable violation of American principles.

We object to the recognition of slavery and polygamy by the McKinley administration, in its illegal treaty with reference to the Sulu Islands, as an outrage against the letter and spirit of American law.

We object to the perversion and suppression of news and information by the McKinley administration, either by means of censorship at Washington or by a subsidized press, as the most immediate danger threatening American liberty.

INFAMY IN PHILIPPINES. We object, as a people still devoted to righteousness, to the infamy committed in the Philippine Islands by the McKinley administration upon our own troops, as well as upon a people innocent of any offence toward our nation, as the most shameful official crime in the annals of American history.

We object to every form of tacit understanding by the McKinley administration with monarchial governments, and which to-day deprives a people struggling for self-preservation and a Republican form of government in South Africa, of the moral support and sympathy which our people would gladly extend.

We object to the arbitrary exercise of executive power by the McKinley administration, unrestrained by the provisions of the Constitution or by the customs and usage of the century.

Now, therefore, appealing to the members of these clubs as well as to all voters who place country above party, we ask that they make the reelection of Mr. McKinley impossible by declining to vote for him, and to make positively certain that such calamity may be averted that they do cast their votes for Mr. Bryan.

LAMBERT'S POINT.

ITEMS GATHERED BY OUR REPORTER YESTERDAY.

Mr. Samuel Mitchell, who lived with Mr. W. E. Trotman, of Myers avenue and Thirty-sixth street, and who was also a clerk in his store, died at St. Vincent's Hospital, Norfolk, Sunday morning at 6:20 o'clock, after an illness of two weeks of typhoid fever. The deceased was a native of Little Washington, N. C., but came to this place about three months ago and was employed in the silk mill until he accepted a situation with Mr. Trotman. He was a young man of pleasant address and fine social qualities, which made him popular with all who was thrown in contact with him. His remains were forwarded to his former home yesterday for funeral and interment.

Miss Cora Thompson, who has been seriously ill with typhoid fever at her home, on Forty-third street, is slowly improving.

The revival at the Methodist Church closed Friday night. The meetings were suited in building up the church spiritually and in the conversion of several of the unsaved. Owing to a severe cold, which very much affected his throat and made it painful for him to preach, Rev. Mr. Carroll, held only a morning service Sunday.

Mr. Harvey L. Taylor, conductor on the Norfolk and Atlantic Terminal electric line, has moved his family from Brambleton to this place. They are occupying the new and commodious residence recently erected by Mr. Cooper on Forty-third street, two doors west of Myers avenue.

Capt. L. W. Lambert, of Myers avenue, accompanied by his brother, Mr. E. O. Lambert, of Norfolk, spent the day yesterday at Sewall's Point shooting partridges.

Mr. J. J. Morgan, formerly of Brambleton, has opened a select family grocery in the new store, first floor of the dwelling corner of Myers avenue and Forty-first street.

Miss Machia Dutton, who teaches school at Newport News, spent Saturday and Sunday with her sister, Mrs. B. P. Medlicott, of Colonial avenue.

The walls of the new hosiery mill, now in course of erection in rear of the Virginia hosiery works, have progressed far enough to receive the frame work of the windows for the first floor. The building is being erected of a superior quality of brick.

Mrs. John L. Gomez will open in a few days a fancy notion establishment in the store corner of Parker and Pocahontas avenues.

Mr. William Wallace Lanier, a popular young resident, will leave for Macon, Ga., this morning, whether he goes to make his future home. He will be accompanied by his sister, Mrs. J. O. Steptoe, and her two children, who have been on an extended visit to the former's mother, on Pocahontas avenue.

Mr. T. T. Jeffries, of Old Point, spent Sunday with his parents, Mr. and Mrs. J. M. Jeffries, of Myers avenue.

The storm of Sunday prevented Miss Jane M. Jeffries from taking her proposed trip to Old Point.

Mr. James Ferguson, one of the judges of election here, says that the registered vote of Zion's Precinct is about 1,150, and he thinks the full voting strength of the precinct will be cast to-day.

AMUSEMENTS.

"RUPERT OF HENTZAU."

It is safe to say that every one of the large audience that attended the Academy of Music last night thoroughly enjoyed the presentation of Anthony Hope's "Rupert of Hentzau" by Mr. Howard Gould and his excellent supporting company.

The play, like its companion piece, "The Prisoner of Zenda," is too well known to theatre-goers to require a word of eulogy or explanation. They have long since run the gauntlet of the critics and have been approved by the public.

The presentation last night was up to the standard in every detail—scenery, properties, costumes and company meeting with every requirement of a critical audience.

"A BACHELOR'S ROMANCE" TONIGHT.

Tim Murphy in "A Bachelor's Romance" will be at the Academy of Music this evening. Mr. Murphy's tour is directed by Fred G. Berger, who is also the manager for Sol Smith Russell. The latter, on the advice of his physicians, has decided to rest for another season, and Mr. Berger is personally directing the present tour of Mr. Murphy.

In stepping into the shoes of Mr. Russell, Mr. Murphy has assumed a task which is sure to attract attention. In cities where he has appeared this season he has been regarded as a capable successor of Mr. Russell. Frederick Edward MacKay, in the New York Mall and Express, comments as follows:

"Mr. Murphy is one of the best actors to-day in evidence. He combines the quaint, homespun pathos of Sol Smith Russell with the sterling comedy of Nat Goodwin. He has struck into a vein of intense, stirring, soulful playing that makes him easily worthy to star straight along in our best theatres."

JAMES AND KIDDER.

The appearance of this organization at the Academy of Music to-morrow, matinee and night, will doubtless draw out our best class of theatre-goers. The company embraces, besides Mr. James and Miss Kidder, such players as Norman Hackett, Thos. Cooke, James J. Ryan, Ashley Miller, Jane Oaker, Ethel Browning, Ina Brooks, Jessie Merritt, Abbie James and the four little Bryan Sisters. Two 60-foot baggage cars are utilized in the transportation of the scenery.

MURRAY AND MACK.

"Shooting the Chutes," that dashed into success at the outset, will be the attraction at the Academy Thursday, matinee and night. One can readily anticipate by the title that it is a fun-wager. And so it is. It is up-to-date and interesting, possessing all those elements necessary to appeal to the amusement-seeking play-goers who prefer to shed tears of laughter rather than weep over the pathetic scenes of a harrowing melo-drama.

"A MILK WHITE FLAG."

That keen satirical skit on the millitairism "A Milk White Flag," is one of Author Hoyt's most popular plays, and by far his most pretentious effort. It is filled with bright and sparkling dialogue, the specialties are new and clever, and the girls are all pretty and shapely. "A Milk White Flag" is up-to-date in every way and comes to the Academy of Music Friday and Saturday and Saturday matinee.

CONSTITUTION FOR THE ISLE OF CUBA.

The Convention Called to Order by Governor-General Wood.

THE OATH OF OFFICE TAKEN.

General Wood Administered Some Wholesome Advice to Delegates—Convention Organized With Senor Llorente, Chief Justice of the Supreme Court, Chosen as President—Resolutions Complimenting the Governor-General and Instructing Him to Cable Greetings to the President of the United States Offered.

(By Telegraph to Virginian-Pilot.)

Havana, Nov. 5.—The Cuban Constitutional Convention met in the Marti Theatre this afternoon at 2 o'clock. Long before that hour the theatre was crowded. Many thousands were unable to gain admittance, and the streets in the neighborhood were blocked with people. General Wood and his staff, accompanied by General Fitzhugh Lee and his staff, received an ovation on entering, the band playing "America." Senor Cigueros and General Rivera escorted General Wood to the platform and he almost immediately opened the convention.

"As military governor of the island of Cuba and representing the President of the United States," he said, "I call this convention to order. It will be your duty first of all to frame and adopt a constitution for Cuba, and when that has been done, to formulate what, in your opinion, ought to be the relations between Cuba and the United States."

"The constitution must be adequate to secure stable, orderly and free government. When you have formulated the relations which, in your opinion, ought to exist between Cuba and the United States, the government of the United States will doubtless take such action on its part as shall lead to a final and authoritative agreement between the people of the two countries to the promotion of their common interests."

"All friends of Cuba will follow your deliberations with the deepest interest, earnestly desiring that you shall reach just conclusions and that by the dignity, individual self-restraint and conservatism which shall characterize your proceedings, the capacity of the Cuban people for representative government may be signally illustrated."

"The fundamental distinction between a dictatorship is that in the former every representative of the people, in whatever office, confines himself strictly within the limits of his defined powers. Without such restraint there cannot be free constitutional government."

"Under the order pursuant to which you have been elected and convened you have no duty and no authority to take part in the present government of the island. Your powers are strictly limited by the terms of that order."

THE OATH ADMINISTERED.

The convention organized with Senor Llorente, Justice of the Supreme Court, as president, and Senor Villuendo as secretary. The following oath was then administered: "We, delegates elected by the people of Cuba, to the National Constitutional Convention, swear faithfully to fulfill the duties of our office. We publicly and solemnly renounce allegiance to or compact made with any state or nation, whether made directly or indirectly, swearing to the sovereignty of the free and independent people of Cuba and swearing to respect the solution this convention may adopt, as well as the government established by the constitution."

All of the 31 delegates were present. Senor Aleman, who said that the convention was "only a continuation of the fight for independence," moved that the regulations governing the old Cuban assembly at Yaya, in 1896, be adopted. As nobody seemed familiar with them, the convention adjourned until to-morrow, when copies will be furnished to the delegates.

RESOLUTION PRESENTED.

The following resolutions were presented to the president of the convention just before adjournment, and will probably be adopted to-morrow: "The undersigned delegates propose that the Constitutional Assembly adopt the following resolutions: "First, that a committee of the assembly proceed immediately to call upon General Wood and to manifest the satisfaction with which the delegates have seen him carry out the difficult mission entrusted to him."

"Second, that the committee request General Wood to cable to the President of the United States as follows: "The delegates elected to the Constitutional Convention assembled at the inaugural meeting, greet with profound gratitude and affection the President of the United States, and they are satisfied with the honesty demonstrated in the fulfillment of the declarations made in favor of the liberty and the independence of the Cuban people."

FOOTBALL YESTERDAY.

UNIVERSITY TEAMS PLAY A SPECTACULAR GAME.

(By Telegraph to Virginian-Pilot.)

Atlanta, Ga., Nov. 5.—No score was made here to-day in the football game between the teams from the University of North Carolina and the University of the South at Sewanee, Tenn. The game was a spectacular one in many ways. North Carolina attempted to drop kick for goal from the field, which failed. Sewanee tried a place in the kick for goal, which also failed. The 35-yard run of Seibels for Sewanee was a brilliant play, but this failed to give the Tennesseans a score.

BERKLEY NEWS AND ADVERTISEMENTS

THE ELECTION RETURNS Will be Displayed on Virginian-Pilot Bulletin Board To-night.

Marriage in South Norfolk Sunday The Old Electric Light and Power Plant Closed—The Money Point Extension—Injured Man Better—Brief Mention.

The Berkley bureau of the Virginian-Pilot will give prompt returns from the election all over the United States to-day. The bulletin board is in front of Dr. Wallace's pharmacy and the public is cordially invited to examine it tonight. We do this to save the people the trouble of going to Norfolk, as they have had to do on previous occasions, when an important election was held.

ALL IS READY. The voting booths were placed in position yesterday in the East and West Berkley voting precincts and the bundry lines marked off. From the indications of yesterday the voting will be animated to-day. The majority of the whites, with the exception of a very few, will vote for Bryan.

All the saloons of the town were closed last evening at midnight and will remain closed until Wednesday morning at sunrise in accordance with the law.

MARRIED SUNDAY.

Mr. Edward Everiott and Miss Margaret Hall, both of Great Bridge, were united in the holy bonds of matrimony Sunday afternoon at 1 o'clock at the residence of Mr. E. E. Stryker, in South Norfolk. Rev. M. P. Porter, pastor of Main Street Christian Church, officiated.

Miss Hall is the daughter of Mrs. Robert Hall and is a handsome and popular young lady. Mr. Everiott was formerly of Washington, N. C. Their intended marriage was kept quiet except among the family. The happy couple will reside at Great Bridge for the time being.

A PLANT CLOSED.

The Berkley Electric plant was abandoned last night and the lights and power for Berkley was furnished from the Norfolk Street Railway and Light Company's plant. Many were of the opinion that when the change took place the lights would be more brilliant, but they were mistaken, as was demonstrated very successfully.

THE MONEY POINT LINE.

The Berkley Street Car Company will begin running their cars to Money Point the first of December. The track has all been laid and the trolley extended over most of the distance. They have been detained in getting their steel crossing for the Norfolk and Western Railroad, which their line crosses before reaching Money Point.

INJURED MAN RECOVERING.

Mr. Chas. Dalby, who was considered seriously injured by a piece of timber falling on his head some time ago, has recovered to the extent that he has been taken to his home in South Norfolk. He has not good use of all his limbs yet, but his condition is so much improved that those who saw him while in the hospital think his recovery was indeed wonderful.

BRIEF MENTION.

Dr. Bishop, Secretary and Treasurer of the mission work of the United States and Canada, who was to have preached at the Main Street Christian Church Sunday evening, did not materialize on account of the inclement weather.

As a result of the unfavorable weather Sunday, the congregations at the various churches of the town were very small, both morning and evening.
