Indicted by Nansemond County Grand Jury for Highway Robbery.

Proceedings of the County Court - A Strange Carrier Pigeon Drops Dead An Old Time Marriage Approaching Nuptials - Personal and Otherwise.

(Special to Virginian-Pilot.) Suffolk, Va., Nov. 12.—For attempting the forcible collection of what he claimed was a just bill, but what was likely highway robbery, Charles Britt, colored, was to-day indicted by a Nansemond county grand jury. Britt one night not very long ago confronted Raleigh Old, white, on a lonely road not far from Churchland, and, presenting a gun, demanded some money. He got \$1, and Mr. Old was not further molested. The case has not yet been tried by a petit jury.

Will Massey was indicted for burglary. It was he whom his brother turned State's evidence against. The brother went free. Massey is accused of breaking into Ed. Pugh's home.

James J. Copeland, accused of attempting an assault on a nine-year-old girl a few weeks ago, was turned loose. The grand jury found not a true bill.

The same jury also failed to indict Charles Williams, who was charged with breaking into Hurricane Branch's home while the family was at church, and also with meaning to attack the cook.

Benjamin L. Saunders, Robert F. Harrell, J. K. P. Daughtrey, Julius T. Rawles, Edward D. Brinkley, A. D. Milner, Benjamin F. Archer, Edwin S. Ramsey and Solomon J. Parker composed the special grand jury.

Junius Jackson, qualified as administrator of Caleb R. Jackson and gave bond in \$300, with W. H. and W. P. Jackson as sureties.

Joseph B. Howell qualified as administrator of Frank Hunter's estate and furnished \$300 bond, with Israel Cross surety.

The case of Holland vs. Holland, a civil matter, occupied the jury's attention.

A MESSENGER'S DEATH.

Yesterday a pretty homing pigeon, fluttering, trembling and its heart palpitating in apparent agony, fell into the yard of Mr. Alfred B. Cramer, at East Washington and Franklin streets, and soon gave up its life. The carrier, seemingly on a long trip, had met with some accident during its flight—maybe hurt by a gun shot or wire. Here is the identification the pigeon carried: "D. & O. 68."

Duchemin New York Vaudeville Novelty Company will come to the City Hall Theatre next Thursday, November 15th, with what is said to be a high-class entertainment, consisting of many sorts of novelties, which have been pronounced good by the best audiences in the East. Eight big acts will be presented, many of them being headliners. The public can rest assured that no vulgarity will be found in any feature. Such support will doubtless be given as to insure the return of such a galaxy of talent, which is rarely seen in this part of the country. For further information see ad.

FAT AND LEAN

That is, babies: fat, they are happy and safe; lean, they are neither happy nor safe.

"Apart from being entirely healthy or not quite well, a fat one has much reserve of vital strength to resist any sudden attack, while the lean one has little or no reserve.

The way to be fat and well is Scott's emulsion of cod-liver oil. A little: only a little. Not any, if healthy and plump already; "let well enough alone."

We'll send you a little to try if you like. SCOTT & BOWNE, 409 Pearl street, New York

NEWPORT NEWS.

WIFE OF BANKER FINCH SUES FOR DIVORCE. Newport News, Va., Nov. 12.—In the Circuit Court here Saturday Mrs. Martha A. Finch entered suit for divorce from her husband, Penton F. Finch, the well-known banker and president of the Exchange Bank. She also sues to resume control over her property in his possession. The suit was kept quiet until the papers could be served Saturday night.

An injunction was obtained by Mrs. Finch, restraining the defendant from interfering in the control of her property, or with the three children; also restraining him from filing deeds with her name attached.

The estate is said to be valued from \$600,000 to \$1,000,000. She was Miss Martha Nelson. Her father died when she was 1 year old and her mother died when she was 3 years old, leaving her a large strip of land here, running from Virginia avenue to the river, and containing a number of acres. Mr. Finch married Miss Nelson away from here in 1881, coming to Newport News several years later. To-day almost any one lot in the strip of land, which is a business centre, is worth probably more than the whole tract would have sold for when it was left to Mrs. Finch.

HAMPTON.

ENTERTAINMENT OF THE GRAND LODGE OF PYTHIANS. Hampton, Va., Nov. 12.—The Pythians of Hampton are looking forward to the coming convention of the Virginia Grand Lodge, Knights of Pythias, with the keenest interest, and already arrangements are making to entertain the visitors with the true "Old Virginny" hospitality.

The Grand Lodge is composed of many of the most prominent men in the Old Dominion and will meet in Hampton the second Tuesday in February next. The sessions of the Grand Lodge are always unusually interesting to members of the order, and the annual meeting this year promises to be no exception to the rule already established and which has offered the most craving desire of many Pythians not to miss the annual convention.

When Keoughton Lodge meets Tuesday night the subject of preparing for the convention, which will bring fully 800 Pythians to Hampton, will be considered. The various committees will be named and steps will be taken looking to the mapping out of various entertainments to be tendered the distinguished visitors during their four days' stay in the "Old Game Cock" town of the Virginia Peninsula.

Boykins, Va., Nov. 12.—There was a largely attended meeting held at Clarksburg M. E. Church to-day of the official members composing the Boykins circuit. The following paper was adopted:

Resolved, 1. That this official body, composed in part of members of the Bryan, Stevenson and Maynard Circles, at Boykins, Va., denounce as a malicious persecution the article that appeared in the Virginian-Pilot of the 21 instant, from that club, concerning the pastor, the Methodist minister of this charge.

Resolved, 2. That the secretary of this body is instructed to send at once a copy of these resolutions to the Virginian-Pilot and to the Richmond Christian Advocate for publication, and to enter the same upon the minutes of this body.

NEW STEAMSHIP DEAL.

REPORT THAT A BIG DEAL IS ON FOOT. The Newport News Evening Telegram of yesterday says:

"Negotiations are now being conducted looking to the consolidation of a number of steamship lines engaged in the transatlantic freight trade. It is stated that the banking house of Alexander Brown & Sons, of Baltimore, which floated the bonds of the Newport News and Old Point Railway and Electric Company and the Citizens' Railway, Light and Power Company, of this city, and which is also interested financially in the Atlantic Transport Line, is handling the new deal.

"It is understood to be the purpose of the promoters of this scheme to absorb American as well as English shipping lines. It is not known just what lines the promoters have their eyes on, but it is probable that efforts will be made to secure control of the American Line, the Red Star Line, Furness, Withy & Co., the United States Shipping Company and the various lines which are practically controlled by these four. The Atlantic Transport Line, of course, will be a factor in the new deal.

"Some months ago this line tried to effect a consolidation of steamship lines crossing the Atlantic, and it was given out that the Leyland Line had been purchased by it. An agreement could not be reached, and since that time the Leyland Line has been purchased outright by Furness, Withy & Co., who operate largely from Newport News.

"It is not believed that Furness, Withy & Co. will be interested in the consolidation scheme, as this line has repeatedly declined to enter similar combinations. Its business is of such proportions and value that it has no reason for joining in with other companies in a deal such as that now proposed.

"Neither is it probable that the United States Shipping Company, which is doing an immense and profitable business on its own responsibility, will consider a proposition coming from Alexander Brown & Sons or the Atlantic Transport Line.

STRUCK BY A STORM.

SCHOONER TAYLOR LOST CANVAS, ANCHOR AND CHAINS. The schooner James V. Taylor arrived here in distress. The Taylor was bound from the Pamunkey river to Richmond, and while in Chesapeake Bay met with a succession of storms and lost part of her cargo of oak timber. The Taylor also had her sails damaged, lost an anchor and part of her chains.

Sunday and yesterday were field days at Lambert's Point, and nearly a dozen steamers took on cargoes of Pocahontas coal. Several foreign vessels also came in to load grain and other cargoes, so that it looks as if our export trade was increasing instead of decreasing, as the pessimists continually cry.

The colliers Hannibal, Leonidas and Pompey are at the Point loading coal. The Hannibal is bound to Manila, the others to American naval stations.

THE DAVIS MONUMENT.

THE LOUISIANA VETERANS WITHDRAW THEIR CONTRIBUTIONS. (By Telegraph to Virginian-Pilot.) New Orleans, La., Nov. 12.—Some bitterness among the Confederate Veterans cropped out Saturday, when the Army of Northern Virginia, Camp No. 1, which is the first organized camp of the United Confederate Veterans, not only repudiated

"I am not Well enough to Work." How often these significant words are spoken in our great mills, shops, and factories by the poor girl who has worked herself to the point where nature can endure no more and demands a rest! The poor sufferer, broken in health, must stand aside and make room for another. The foreman says, "If you are not well enough to work you must leave, for we must put some one in your place." Standing all day, week in and week out, or sitting in cramped positions, the poor girl has slowly contracted some deranged condition of her organic system, which calls a halt in her progress and demands restoration to health before she can be of use to herself or any one else. To this class of women and girls Mrs. Pinkham proffers both sympathy and aid. When these distressing weaknesses and derangements assail you, remember that there is a remedy for them all. We have on record thousands of such cases that have been absolutely and permanently cured by Lydia E. Pinkham's Vegetable Compound, restoring to vigorous health and lives of usefulness those who have been previously sorely distressed. Here is one of them.

Miss Junglas' First Letter.

"DEAR MRS. PINKHAM:—As I have heard and read so much about your wonderful medicine I thought I would write to you and tell you all about my sickness. I have been sick for four years with womb trouble, have whites, sick headache, pain in my back, and in right and left side of abdomen, feeling of fullness in vagina, am dizzy, weak and nervous. I have used many patent medicines, but found very little relief. Please give me your advice."—Miss KATIE P. JUNGLAS, New Salem, Mich. (May 4th, 1898.)

Miss Junglas' Second Letter.

"DEAR MRS. PINKHAM:—I write to thank you for the good Lydia E. Pinkham's Vegetable Compound and Sanative Wash have done me. It is now six years since I was taken sick. I had falling of the womb and ovarian trouble, I suffered untold pains, sometimes was so bad that I thought I could not live. I used the Vegetable Compound faithfully and am now well. If you like, you may use my letter for the benefit of others."—Miss KATIE P. JUNGLAS, New Salem, Mich. (May 12th, 1900.)
