CHATEAU YQUEM.

The CHATEAU YQUEM, of the 1876 vintage, bottled at the Chateau, is acknowledged to be the finest FRENCH WHITE WINE now to be had. The subsequent vintages of this growth being very inferior, the demand for this vintage has so much increased that there is very little of it left. ANNUAL POUND PARTY OF the Eye, Ear, and Throat Infirmary, No. 217 Governor street.

"Whatsoever ye do, do it heartily."
On Thursday, the 18th of November, the Infirmary will be open from 10 A. M. to 10 P. M. to receive contributions from friends and well-wishers of this benevolent institution.

The Lady Managers ask the public—hitherto so liberal and generous—to respond freely, and help them now in their time of need. They wish all citizens—male and female—to aid in this good work. Small gifts will be gratefully received, also weightier contributions, such as coal, barrels of flour, &c. Space does not admit many statements of things done for the deaf and blind, but we beg leave to mention that during the year 5570 visits were made to the Dispensary by the poor of the city; also to tell of the incalculable benefits the needy have received from the twelve charity beds in this establishment.

We trust the public will visit the Infirmary, and liberally help these women who are laboring to build up so charitable an institution in our midst.
