## CITY CHRONICLES.

NEWSY NOTES GATHERED BY THE  
"TIMES" REPORTERS.

**Rural Retreats—August Orange Blossoms.**  
The sick baby excursion was held at Dodson's Town and Country-Purveyor Pays the Penalty.

**FOR SICK BABIES.**  
The first excursion to-day.

The first excursion for sick babies and their mothers under the auspices of the City Mission is announced for to-day. The arrangements were fully published in the DAILY TIMES of Thursday. A reporter called at the residence of Mrs. F. M. Baker last night but that lady was out. He was informed, however, that the arrangements had not been altered.

The train is expected to leave the Richmond and Albemarle depot at 9 o'clock a.m. for Maiden's Adventure. Returning it will leave the latter place at 6:30 p.m., reaching the city about 9 o'clock.

A gentleman at or near Doory Mills in Gloucester, expressed his intention of contributing a lot of supplies for the excursion. The effort is generous and timely, and will not doubt be appreciated.

A committee of ladies and gentlemen, Rev. Preston Nash, and a physician will accompany the party.

It is raining furiously at this writing, but is hoped that no unforeseen accident will occur either to prevent or mar the pleasure of the trip.

That it may be productive of great good, and that many little ones—and big ones too—may have a day of real happiness, will be the fervent wish of all who love their fellow-men.

**Police Court.**

The following cases were disposed of yesterday:

John Turner (colored) was fined \$10 for being drunk and resisting the police. Fanny Madison (colored), disorderly at the Third police station and using insulting language to the officer in charge. Fined \$5 and placed under bonds for her good behavior.

William Hamilton, a colored blackman, was sent on to the grand jury on the charge of robbery from the person. Bail was allowed in the sum of \$500.

**For Whom the Cap Fits.**

Of all contemptible creatures about the town is the anonymous scribbler who writes to the newspapers complaining of some report or some faceted experience, and have not the manliness to sign his name. Fortunately those stabs in the back from ambush or a safe hiding place are neither very frequent or very harmful.

**A Sensation.**

Why isn't that three bottles of R. B. B. B. sent to Atlanta to one of my other blood remedies, and taken as much consumed in the State as to compare any other preparation? No one would take our word, but surely the drug stores, Ask the people, they are competent witnesses. Six boxes in Atlanta are buying it, it is in five and ten gross lots, and some of the best practitioners every two months. Why these unimpaired sales here at home with so little advertising? Modern methods of making a name. Had R. B. B. B. been before the public as long ago as half a century, it would not be necessary to be bolstered up with crutches of newspaper advertisements now. More will conquer and down money.

**\$1,000 Worth \$500,000.**

For four years I have been a sufferer from a terrible form of Rheumatism, which reduced me to such a state that I had to give up my profession. I have suffered the most excruciating pain day and night, and often while walking in agony have wished I could die. I have tried everything known for that disease, but nothing did me any good, and have had some of the best physicians of the state to work on me, but to no effect. I have spent over \$500 without finding relief. I am now proud to say that after using only one bottle of R. B. B. B. I am enabled to walk around and attend to my business, and I would not take \$500 for the benefit received from one single bottle of R. B. B. B. I refer to all merchants and business men in this town, to your most truly,  
E. O. GARA.

Waverly, Walker county, Texas.

**Democratized Merit.**

SPARIA, GA., MAY 15, 1887.  
You will please ship me per first freight one gross of R. B. B. B.

## AUGUST ORANGE BLOSSOMS.

**A Couple of Happy Matrimonial Events.**

Brief mention was made Thursday morning of the marriage of Mr. David May of Chicago and Miss Mamie Greenbaum, which event took place the evening before at the residence of the bride's mother at No. 106 West Marshall street. The ceremony was performed by Rev. Dr. Szold of Baltimore. There was a brilliant reception, and the bridal party left the safe evening for Chicago via New York. The bride, a beautiful brunette, was attired in a rich plum traveling suit, and both looked all the happiness they no doubt felt. There was a lavish display of useful, beautiful, and costly presents.

The groom is a former Richmond boy, a son of the late Moses May and a nephew of our well-known townsman Mr. Jacob May. He removed to Chicago some years since, and is now a prosperous merchant of that great city.

The bride is a daughter of one of Richmond's former best-known and most respected Hebrew citizens, and was the joy and pride of a widowed mother as well as a favorite in all circles where she was known.

Long life and happiness to Mr. and Mrs. May.

Another marriage that deserves at least a passing notice was that of Mr. James M. Healy to Miss Lizzie Johnson. Father Van de Vyver officiated, and the newly-wedded pair received many congratulations.

Mr. Healy is one of the most popular typos in the city, an ex-journalist, and is deserving of all the happiness that is wished both for him and his bonnie bride.

## TRULY RURAL.

**On Pine Street from Broad to Franklin.**

Very quiet and quaint is Pine street—at least that portion of it which extends from Broad to Franklin street.

Pine street finds its northern terminus at Broad as in fact do all the streets west of Broad and south of Broad. All of these avenues strike Broad just at the wrong point, and then branch off in various directions, such as Gilmer, South, Hancock, &c.

But it is of Pine street from Broad to Franklin that this is written. It is very narrow. It has neither sidewalk or paved roadway. The trees on either side nearly loop over and under, and the street has a truly rural appearance. However, it strikes one in most fashionable avenues and city drives in one of its most favored localities.

Park-place church is at the north-west corner of Pine and Franklin streets, and the church is flanked by some of the handsomest residences in the city, while in front is beautiful Monroe Park.

There is a very fine gravel walkway on the part of Pine street here, and in good weather the walk is an inviting one. In fact it combines town and country, and a stroll through it is as pleasant as in any other part of our city, still it is one about as little frequented as any place in it. The immediate residents, and a roving reporter, the tax collector, water and gas bill men, and a few peddlers are believed to be all who know of its existence.

## BARKIS WAS NOT WILLING.

**A Sale Advertised that Did Not Come Off.**

Yesterday at 12 o'clock m. was the hour fixed for the sale of the effects of Mr. J. S. Doolson of the American Hotel, by Sheriff L. P. Weston.

Before making sale Sheriff Weston applied to Auditor Mays for a bond to indemnify him against all loss and consequential damage likely to accrue from said sale. Attorney General Ayers was not in the city, and the Auditor was unwilling to give such a bond. Consequently the sale did not take place and is "off" until a more convenient season.

This property was levied upon to satisfy an execution in favor of the State of Virginia against Mr. Doolson, in payment of which he had tendered coupons proven to be genuine, in compliance with the law.

"Talk is cheap," but actions speak louder than words.

## HE WILL BE WELCOME.

**A Distinguished Python Visitor Expected in the City.**

Hon. Howard Douglas, Supreme Chancellor of the world of the Knights of Pythias, is in Norfolk, Marshall Lodge, No. 12, has invited him to visit Richmond. The invitation was also extended to Grand Chancellor T. B. Vinson of Portsmouth, and Past Grand Chancellor D. J. Turner of Norfolk.

The lodge adopted the following committee to take charge of the affair: Beverley T. Crump, G. V. C. John C. Teller, G. K. of R. and S. W. S. Woodson, D. D. G. C. Robert J. Mellowell, P. C. J. W. Carr, P. C.

The committee was to have met at the store of L. B. Thomas, on Broad street, last night. A TIMES reporter met Messrs. Crump and Mellowell there at 9 o'clock, but the other members had not yet arrived, and were looked for.

Up to the hour of closing up last night nothing had been heard from them in reference to the expected visit.

## The "Loop" Completed.

The "loop from Reservoir Lake down Beverly and out Strawberry street to Main was completed yesterday, and return trips were made by that route.

The Lake terminus is on Mallory street. The horse car terminus is at Lombardy street station. This is written because "a private picknicker" of the DAILY TIMES yesterday got his Mallory and Strawberry mixed, and overlooked Lombardy street entirely in his report of his round about rambles.

## Ambulance Work.

The city ambulance was called out yesterday at 8:30 o'clock a.m. to No. 1309 East Main street to see a colored man named Robinson, who was suffering with cramps. He was conveyed to his residence at No. 5 Duval street.

It was called at 3:30 p.m. to Third and Marshall streets to see Samuel Madison, a youth, who was overcome by heat. He was conveyed to his residence at No. 514 Laurel street.

## WHY IS IT THUS?

**Grounds and Gravelles From Chronic Complainers.**

Whatever have the editor, the city editor, or any of the attaches of the DAILY TIMES done that they should have inflicted on them letters from city sojourners in the rural districts, who complain that they have been badly sold and who pray for relief?

One sufferer writes that he is sweating up at Shady Grove, where there is not a tree or even any shrubbery within half a mile of the place. Another is up at Pleasant Prospect where there is nothing but mosquitoes and malaria. Another arrived at Cool Spring only to find that the drinking water would almost boil an egg, and that there is not an ice house in a half day's journey.

Oak bowery is surrounded by small oaks and a field of pine, and Strawberry Hill only furnished blackberries, which were red and green. Kenelworth didn't yield a cent, and Lockwood Hall only four rooms and a stable in which was kept a buggy; but this did not prevent the beds from being likewise. And as a column could be filled with such complaints about the misnomers of the so-called retreats for summer boarders, from most of which the luckless sufferer is glad to beat a retreat after twenty-four hours of endurance.

At home, sweet home, is the best place after all, especially when you can't get away. At all events, it is better in this case at least "to bear the ills we have rather than fly to others we know not of."

## Set Aside.

In the Chancery Court yesterday the contested will case of James H. Tanner, deceased, was tried. Mr. Tanner made his will in 1885, bequeathing the whole of his property, valued at \$8,000, to his two youngest children, cutting off Mrs. Tanner and the other children. The jury brought in a verdict setting aside the will on the ground that the deceased was of unsound mind at the time the will was made.

## MIDSUMMER MURDERNESS.

**Not Much Relief To-day Cooler To-morrow.**

Yesterday was another very hot day and it continued warm until long after night fall.

Signs of an impending shower began to show up just before 9 o'clock, and soon after that hour the afternoon predictions for local rains were verified. There was a very good rain and a fall in the temperature.

For to-day local rains and stationary temperature are the indications, to be followed by cooler weather, and winds shifting to northerly to-morrow.

## A SHEEP HILL SKIRMISH.

**After Grapes but Got Shot.**

Yesterday evening a number of little boys were helping themselves to the grapes of Mr. William Hopkins, at the end of Clay street, on Sheep Hill. The owner, William Hopkins, fired on them with a shotgun and two of them, named Brown and Tyler, were badly peppered. It is hoped that their injuries are not serious. The shooting created great excitement. Hopkins was arrested. The DAILY TIMES reporter tried late last night to hear from the Third police station house, but his most persistent efforts could not get any reply from the telephone office.

## MANAGER E. M. CASTINE.

**Russia at the Theatre Next Week.**

Manager E. M. Castine was warmly welcomed on the streets yesterday by many who remembered his able and courteous management of Mozart Academy during the last two seasons.

The DAILY TIMES announced about two weeks ago that he would be here the middle of August with his new play Russia.

The company are now engaged in the rehearsal, and the play will be presented by Frank C. Bangs and company at the Theatre Wednesday, August 17. The engagement is for four nights and one matinee.

Calling over in Manchester the other day we dropped into the first-class bakery establishment of L. & V. Stein's, and found it fitted up in first-class style with all the necessary supplies of good things, such as always remind us of Christmas. Bread, crackers, biscuits, etc
