A cracked wheel was found on a coach on train No. 1 yesterday morning at the Union Depot, and another car was substituted in its place. Rev. Dr. E. C. Jordan, formerly pastor of the Salem Presbyterian church, accompanied by his family, is visiting Dr. S. P. Christian, of this city. A number of Philadelphia capitalists passed through the city yesterday in a special train en route to Kensington, Ga., on a prospecting tour. It is understood that a newspaper to be known as the "Times" will be launched upon the sea of journalism at Vinton by parties in this city. The additions to the West End yard has been nearly completed. Four long side tracks have been laid, and other tracks are being put down as fast as practicable. Mrs. O. Jenkins arrived in the city yesterday morning from Sanford, Fla., and will spend some time with her parents, Captain and Mrs. W. H. Lookbill, on North Jefferson street. Bignany. Henry Toole, a former resident of this city, is wanted by Anniston, Ala., authorities for bigamy. Chief of Police Morris has just returned from Alabama, where he spent several days to testify to the fact that Toole passed as a married man when he lived here. Retiring Lynchburg Officials. Mayor N. C. Manson, Jr., Commonwealth's Attorney A. H. Hutcheon, City Sergeant Matt J. Day and Commissioner of the Revenue E. N. Eubank, of the Lynchburg municipal government retire from office today, and their successors will be sworn in.

THE RAIN STORM. The rain storm of yesterday was a very severe one. The rain poured down in torrents for at least an hour. The streets were all covered with mud, as is usual on such occasions, and were impassable for some time after the rain ceased to fall. The lightning was vivid and the thunder immense, but no damage has been reported from either. Everything and everybody was much refreshed by the shower, and the thermometer takes down a peg or two. Police Court. Mayor Evans had a long, sultry, disagreeable day of it this morning, administering justice to quite a lengthy list of trivial law-breakers. Among those present were a number of shoe shiners and members of other kinds, who were dispensed with in various ways. Mr. Evans gave them a severe raking over the coals, gave them distinctly to understand that this practice is becoming too common and detestible for the law-abiding people, and hereafter he will apply the law to its fullest extent in cases of this kind. Virginia News. Near Tappahannock Saturday last a dissatisfied colored man, about 40 years old, saturated the clothing of Mr. George Martin's little fifteen-month-old daughter with kerosene oil and fired the same. The child lived a few minutes after the parents discovered the facts. "Hollywood," one of the oldest and most historic landmarks in Stafford, was burned to the ground, with all its contents, at an early hour Wednesday morning. The fire is supposed to have been of an incendiary origin. Its present owner and occupant was Dr. G. T. Greenlaw. THEY ARE SATISFIED. What the Hagerstown Club Thinks of Its Recent Visit to Roanoke. The Hagerstown baseball team returned from Roanoke yesterday afternoon victors of two of the four games played in that city with the Roanoke club. The last game was an exciting one, and was played on Saturday in the presence of about eight hundred spectators, our boys entering the game under great disadvantages, and dropped it to Roanoke by a score of 1 to 12. Rollins had been disabled the day before, and in the second inning, with the score of 1 to 0 in favor of Hagerstown, Shank, who was catching Burns in fine style, was struck squarely in the face with a red hot ball, and was compelled to retire. Helleine succeeded Shank but he could not hold Burns, and after a number of passed balls the fielders became demoralized and the Roanokes piled on run after run. While this was unfolding in itself, our boys had to face a professional pitcher, and the record they made of capturing the two games is one of which they can feel proud. They afforded the Roanokes the best ball playing they ever witnessed, and came out of the contest a stand-off with a club that was and is the pride of Virginia, and one that anticipated an easy walk-over with the amateurs. -Hagerstown News. Death of an Estimable Lady. Mrs. Minerva E. Yates, wife of D. C. Yates, died yesterday morning at the family residence near Melrose Park, after several months' illness. Mrs. Yates was 39 years of age, and was an estimable christian lady. She was well known in this city; had won many friends by her motherly and amiable disposition; was a devout member of the Presbyterian church, and left behind her in addition to a host of friends and relatives a devoted husband and six children to mourn her loss. The remains will be interred at the East Hill cemetery in Salem, at 11 today from the residence of each in this city, where the services will be held at 9 a. m.

GLADE ADDITION. A Beautiful and Convenient Location for Buildings. No city in the South has grown with greater rapidity than has Roanoke, and probably not one is on a firmer foundation considering its age. Roanoke swells and grows each day, and unlike most cities, does not grow in any one direction more than another, but is being rapidly built up on every side, north, east, south and west. The influx of population since 1844 has been enormous, and hundreds of buildings have gone up to supply the demand. There has been no lull in the erection of houses this winter, the pace that was set by the rain, and drive in what direction, you will hear the sound of the hammer and evidences of building meet your eye. Hundreds who rented houses a few years ago pay taxes on their own buildings, and the erection of residences is the best index to the growth of the city and the strongest assurance that the city is here to stay. The homes that have been built in the Glade Addition are, as a rule, of a high class, as handsome, artistic and expensive as can be found anywhere. To accommodate the ever increasing population, numerous additions have been laid off and the lots placed in the hands of the most reliable and able properties heretofore, none of greater inducements as a place of residence than the Glade addition. This property is situated just east of the extension of the Roanoke street railway, which places it in direct communication with the central portion of the city, a person can live in that section, and if his place is one of its desirable ones, in the upper part of the city, or even in the West End, he can take the street car and be ready for the day's work at the usual time. Every benefit of a suburban residence is obtained, without any of its disadvantages. The property is well drained, and is therefore healthy. It has been divided into lots by the laying off of wide streets and avenues. The view from the Glade Addition is beautiful. On the east, towering hundreds of feet in the air, are the Blue Ridge mountains, while on the south the Roanoke river winds its like a silver thread among the hills, forming one of the most beautiful bits of scenery anywhere in Southwest Virginia. One of the principal features about the Glade property is the easy terms upon which the lots can be gotten. The price has been placed so low that it is within the power of every man to own his home. Messrs. William M. Yager & Co., are the agents for the company and they will take pleasure in giving any information concerning the property. Call on them at their office on South Jefferson street. EAST END ADDITION. Desirability of and Demands for Lots There. As the summer advances much activity in building operations is noticed, and many new houses are in process of construction, it is naturally makes the real estate market much firmer, and agents are correspondingly happy. Simmons & Co. have been doing a rushing business, one of the best since the firm was established. The East End property is changing hands very rapidly, and many new houses will be erected this season. Among the prominent additions at the East End, is that of the Oak Ridge Land Company. The addition is just east of Belmont and south of the East Side Land Company's property and adjoins the farms of Messrs. George Taylor and G. W. Carr. This offers every inducement as a place of residence. It is removed from the business portion of the city and therefore gives a quiet, suburban home, while at the same time it is near the dummy line and therefore quite convenient to the city. The lots are high and dry, and have just enough slope to give it good drainage. Gas and water mains are being put in and new streets are being laid out. Everything is properly planned, and is destined to take its proper place in the front rank. It is located near the furnace, rolling mill, bridge works and the machine works, and offers, therefore, greater inducements to the workman, as it is near his work. A number of cottages are going up and others have been contracted for. James S. Simmons & Co. are agents for the company, and they can give good bargains. The property is going rapidly, and if you want to obtain a good bargain call on them at once. The prices for the lots are low and the terms easy, so every man can own his home.

Choice Lot Sale. The Bedford City Land and Improvement Company announces a sale of choice lots on the 5th day of July, 1890. The number of lots is limited but choice, and they will be sold on moderate terms. Every body is offered an opportunity to make big money. It was intended to have this sale earlier, but it has been postponed until after the exercises at the dedication of Randolph Macon Academy, on the fourth of July. Large numbers of our citizens and distinguished guests, among them several bishops, clergymen, United Senators and the governors of some of the Southern States, will be present to witness this splendid program prepared by President Smith, closing with magnificent display of fire works a night. We earnestly request all visitors to remain over till the fifth and attend this sale of lots. All of the real estate in stock of the company The same lot will not be sold to several purchasers, but as soon as a sale is effected it will be placed on the bulletin board. The company has the price low to induce citizens to build, and with all who will contract to build houses special terms will be made. It is not the policy of this company to boom.
