You can surely find everything that is kept in A FIRST-CLASS GROCERY STORE. OUR PRICES WILL SUIT YOU. YOUR PATRONAGE IS SOLICITED. RESPECTFULLY, L. H. BRUGH, JEFFERSON STREET, ROANOKE, VA.

IVANHOE! WYTHE COUNTY, VA. At the junction of the North Carolina extension and Cripple Creek extension of the Norfolk and Western Railroad. A great railroad junction, in the heart of the greatest mining district of Southwest Virginia, and destined soon to rank with the great industrial centers of the New South.

THE IVANHOE LAND AND IMPROVEMENT COMPANY Offer at Private Sale Desirable Business and Dwelling Lots at an average Price of \$275.

All lots are favorably located on gently rising grounds overlooking the beautiful Valley of New River. The exceedingly low price at which these lots are placed upon the market induces investors quick and large returns.

TERMS OF SALE: One-third cash, balance in one and two years. Through its excellent railroad facilities, IVANHOE is placed within minimum haul of the enormous deposits of Gossan Iron Ore, of Carroll County, and the world famous limestone and mountain ores of Cripple Creek Valley, and within easy haul of the celebrated Pocahontas and Flat Top coal and coke fields.

IMMENSE LIMESTONE QUARRIES ARE BEING OPERATED WITHIN THE TOWN. The No. 1 Furnace of the New River Miners Company is already in successful operation, while the

Ivanhoe Iron Company, under the Presidency of Mr. Jordan L. Mott, of the Mott Haven Iron Work of New York, has been organized for the purpose of erecting another furnace of large capacity. The extensive mines of the Mad River Mineral Company adjoining the town, are already giving employment to a large number of men.

The IVANHOE ZINC COMPANY, with a capital of \$500,000, has purchased immense deposits of exceedingly rich zinc ores, which they are now developing, and will soon erect several zinc furnaces.

Being the only city in the Southern connection of the Norfolk and Western Railroad, IVANHOE must become a great distributing point for the immense ore fields and agricultural and timber districts of Southwest Virginia and Western North Carolina. Situated in the midst of a great wool raising district, and with a short distance of the Southern cotton fields, no place in Virginia possesses greater advantages for woolen and cotton mills.

Vast tracts of Red and White oak, chestnut, hickory, pine and hemlock, besides, at hand, furnish exceptional opportunities for wood-working establishments and steam tanneries.

A \$35,000 Hotel will be erected at once. Water works, planing mill and brick factory will be erected at an early date.

Being 2,000 feet above the sea, the climate is unsurpassed by the celebrated mountain resorts of the world. A large tract of level land with a front of one and a half miles on New River has been set aside for manufacturing purposes. Liberal inducements will be offered all industries locating here. Through its connections with the steamship lines, the Louisville and Nashville, the Cape Fear and Yankin Valley and the Shenandoah railroads and its outlet on the Ohio River, the Norfolk and Western Railroad places IVANHOE in direct communication with the great markets of North, East, South and West. For maps, descriptive pamphlets, etc., apply to the Ivanhoe Land and Improvement Company, or G. M. Seeley, Secretary, Ivanhoe, Wythe county, Va.
