

GOOD-BYE SALE TO ALL THE SUMMER GOODS!

The Story in a Nutshell.

Instead of having a Closing-Out Sale in September we put September prices on now, when Summer goods are selling—when there are just ahead two or three months of service. All the Summer Goods in the entire establishment have been marked down to make the last few days in this month the busiest July in ten years' business a fitting climax to the month.

Taking Things As They Are.

We will begin to-morrow, Monday, and offer during the week our entire line of Ladies' Muslin Underwear at less than manufacturers' price. YOU might guess, after looking at the goods, and never tell why it was done. Anxious to clear up before next season's things arrive. Are you in at this money-saving chance?

This Clearing of Odds and Ends

Comes twice a year, and short lengths, broken sizes and small quantities lose half their retailing value. Hundreds of shrewd shoppers wait for these half yearly clearings, and they do not wait in vain. Why not look in at the store to-morrow? It might mean one, two, or even five dollars, saved.

SUMMER GLOVES.

The right kind, in Kid, Silk and Lisle, are here in just the qualities and styles you most prefer. White Chamois Gloves, that will wash; cool looking Silk Gloves, that won't wear out at the finger ends, and several other kinds—selected because the best. Prices are reduced in many lines.

SUMMER MILLINERY.

A few more of those Fine Straw Shapes at 5 cents, and about one dozen Trimmed Hats at such low prices that if you are in need of a handsome Hat we will guarantee to please you.

The railroad department Y. M. C. A. will place an entertainment in the Academy of Music at an early date that will eclipse anything yet done by this progressive association, and will be "local" in every sense of the word. Full particulars will be given early in the week.

A Pleasant Gathering.
Mr. and Mrs. J. B. Brady, of 308 Nelson street, celebrated the thirty-fifth anniversary of their married life last Friday night with a gathering of their friends, to the number of thirty-five or more. All present are enthusiastic in praise of the pleasures of the occasion, and earnest in the wish that the happy and respected pair may be blessed with many happy returns of a similar anniversary.

May be Wanted in North Carolina.
Sergeant Manuel, of the police force, yesterday morning arrested a colored man who gave his name as Robert Brooks, and who answers the description of a man who is wanted at Roxboro, N. C. Brooks also, it is alleged, made a statement to another person that he is wanted at some other place, he would not say where, and that if taken there he feared that he would be

hanged. He will be held until the North Carolina authorities have been consulted.

A Former Roanoke Man.
Prof. Robert L. Garner, the expert in monkey talk, is now in Chicago, where he has formed a company for African exploration. His object is described as being the exploration of African forests, the studying of the habits of wild beasts in their lairs, the collection of specimens for museums, and the special examination of the language of chimpanzees. That there is faith in the practical results of his undertaking, is shown by the fact that his backers are principally Chicago business men.—Richmond State.

The Bar of Virginia.
The Virginia State Bar Association is soon to assemble in annual meeting. The next session will be held at the Greenbrier White Sulphur Springs on August 6, and the new management of that famous resort promises this body of Virginia lawyers a warm welcome. Gen. Roger A. Pryor, of New York, will deliver the annual address. There will be other addresses, and papers will be read, as per program, by Chas. Perkins, of Charlottesville; R. Walton Moore, of Fairfax; and Judge James C. Lamb, of Richmond. The Dispatch publishes a long list of members of the bar of the State who have signified their expectation of attending the meeting, among them R. Walton Moore and Jos. E. Willard, of Fairfax; Jas. P. Jeffries, Hon. R. Taylor Scott and C. M. White, of Fauquier; S. Carroll Chancellor, of Loudon, and Hon. C. E. Nical, of Prince William.

The Wrong Man Arrested.
Ex-Chief of Police M. C. Morris and B. N. Bernard went into Franklin county yesterday morning and at the historic spot called Back Creek, arrested a white man named "Pink" Roach, for the murder of his wife, which occurred in Henry county eleven years ago. The name of the murderer is Bob Harris, not Roach, but as the latter answered to the description, and as his captors had recently obtained a supposed clue to the perpetrator of the crime, he was brought to this city yesterday afternoon. Roach was accompanied by his wife and two small children. He protested that he was not the man who was wanted, and at Starkeys a gentleman on the train positively identified him as being the wrong person. When Roanoke was reached the prisoner was released and he returned to his home on the next train.

Marvelous Results.
FROM a letter written by Rev. J. Gundersman, of Dimondale, Mich., we are permitted to make this extract: "I have no hesitation in recommending Dr. King's New Discovery, as the results were almost marvelous in the case of my wife. While I was pastor of the Baptist Church at Rives Junction she was brought down with pneumonia succeeding a gripe. Terrible paroxysms of coughing would last hours with little interruption, and it seemed as if she could not survive them. A friend recommended Dr. King's New Discovery. It was quick in its work and highly satisfactory in results." Trial bottles free at Christian-Barbee Drug Co.'s drug store. Regular size 50c, and \$1.

MASSEY-PILOT LIBEL SUIT.

A Verdict of \$1,600 Damages For Plaintiff.

NORFOLK, Va., July 27.—The jury in the Massey-Pilot libel suit to-day rendered a verdict of \$1,600 against Sam W. Small and R. E. Byrd and the Pilot Newspaper Company, clearing the directors of the Pilot. The plaintiff will argue for a new trial.

The suit grew out of publications in the Pilot, then edited by Sam Small, formerly a well-known evangelist, charging bribery against Massey, who is superintendent of public instruction of Virginia, in connection with the State's dealings with what is termed the American Schoolbook Trust.

The libel suit has been on trial in the courts for several weeks and interest in it throughout was intense. John S. Wise represented the Pilot and there were some lively passages between him and Massey when the latter was on the stand.

HARD ON THE NEWSPAPER MAN.

The Editor of the Asheville Citizen Fined \$250.

ASHEVILLE, N. C., July 27.—In the contempt proceedings against Frank E. Robinson, editor of the Citizen, the local daily of Asheville, Judge Ewart fined him \$250 and sentenced him to thirty days in the county jail. An appeal was taken to the supreme court. The contempt proceedings were the result of an editorial in the Citizen Tuesday criticizing Judge Ewart for removing the Sumner murder case to Henderson county.

The editorial stated that the case was not removed on its merits, and that the judge should explain his action. Four lawyers appeared for Robinson at the trial, and claimed that the editor did not intend to reflect on the integrity of the court. Judge Ewart read the editorial, made his own comments, and said it was useless for any man to claim that no contempt and misrepresentation was intended.

MORE INDIAN TROUBLES.

Those of the Warm Spring Reservation May Go on the War Path.

WASHINGTON, July 27.—The Indian bureau officials are not much disturbed by the dispatch from Portland, Oregon, this afternoon in which it is stated that trouble similar to that with the Banocks is likely to occur with the Warm Spring Reservation Indians in middle Oregon.

The rights of these Indians to the fishing privileges granted them by the United States has recently been confirmed by the Oregon State courts in the fullest possible manner. According to the treaty the Warm Spring Indians are given exclusive hunting and fishing privileges of their reservation, and equal privileges "in common with white men" on all lands formerly belonging to them.

The Indian bureau construed this to mean that when a game law was passed restricting white men in their hunting and fishing, it also operated against the Indians, but the Oregon courts held that such a law controlled only the whites and could not abridge the solemn treaty rights of the Indians.

NOT A SICK DAY, For Over Thirty Years!

RESULT OF USING
AYER'S PILLS

"Ayer's Cathartic Pills for over thirty years have kept me in good health, never having had a sick day in all that time. Before I was twenty I suffered almost continually—as a result of constipation—from dyspepsia, headaches, neuralgia, or boils and other eruptive diseases. When I became convinced

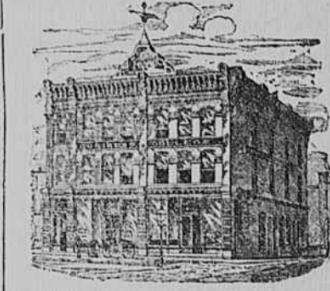

that nine-tenths of my troubles were caused by constipation, I began the use of Ayer's Pills, with the most satisfactory results, never having a single attack that did not readily yield to this remedy. My wife, who had been an invalid for years, also began to use Ayer's Pills, and her health was quickly restored. With my children I had noticed that nearly all their ailments were preceded by constipation, and I soon had the pleasure of knowing that with children as with parents, Ayer's Pills, if taken in season, avert all danger of sickness."—H.
