Have you read any of the many recent accounts of murders for the purpose of robbery, of houses robbed and the houses burned to conceal the robbery? Such things are occurring in great numbers. After a panic the hoodlums and thugs know that at that time especially, many unwise people board their money instead of putting it in THE BEST PLACE.

## A Mineral Water that Defies Drugs

### NATURE'S GREAT BLOOD TONIC

The recent drug exposures in this Country have proven to all that deadly poisons and stimulants lurk in many Patent Medicines. You never know when you might be taking some of that class.

Nature has made ample provision for restoring vigor and vitality to humanity, and the public, as well as doctors, resort to Natural Remedies, when all others have failed.

Are you troubled with **Dyspepsia, Nervousness, Malaria, Kidney or Bladder Trouble, Chronic Diarrhoea or Dysentery**, and above all, that dreadful disease **Scrofula**, which has almost baffled human skill, or **Diseases peculiar to Females?**

## Piedmont-Bedford Concentrated Iron & Alum Water

Is Nature's Remedy for Nature's Ills. Yes, when you consider that disease comes from impoverished or run down conditions of the system, this Natural Mineral Water furnishes the system what it needs.

The analysis of this Water, shown on the bottle, tells you what **Nature thinks you should take when sick**, and the doctor who reads it will agree.

Do you think the grouping together in this Water of 17 different minerals, which are recognized by medical writers as **most powerful blood tonics**, could have been accidental? Reason answers, NO!

An 18-oz bottle of Piedmont-Bedford Concentrated Iron and Alum water contains all the minerals of 25 gallons of the average natural water—Then why buy a barrel of water when you can get a bottle of minerals at the trivial cost of one dollar. The dose is a teaspoonful in a glass of your own spring water.

How this Water acts upon the system is not clearly known. It is judged mainly by its works. It has cured all the diseases enumerated above, and many more, evidently through its action as a powerful **BLOOD TONIC**.

We have many valuable certificates, which we will be glad to mail, if you are interested.
