**Comforting Words.**

Many a Williamsburg Household Will Find Them So.

To have the pains and aches of a bad back removed; to be entirely free from annoying, dangerous urinary disorders is enough to make any kidney sufferer grateful. To tell how this great change can be brought about will prove comforting words to hundreds of Williamsburg readers.

H. G. Duling, living at 813 Twentieth St., Newport News, Va., says:—"I do not think there is a better remedy for kidney trouble than Doan's Kidney Pills as I used them and received relief almost instantly. For a long time my back was so lame and pained me so severely that I was unable to stoop. I could not sleep at night and as a consequence arose in the morning tired and worn out. My general health became impaired and at times I was unable to lift the slightest article without aggravating the pain. I tried numerous remedies, but did not succeed in obtaining relief until Doan's Kidney Pills were brought to my attention and I procured them. They cured me and I will always recommend them."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York Sole agents for the United States.
