THEY GET A REGULAR GUSHER AT THE MILL

At a depth of about 315 feet one of the finest artesian wells in this section was struck at the knitting mill this week. It is a regular gusher and is pouring out a big stream. Mr. Jewett, who sunk the well, will immediately begin putting down the old well another 100 feet.

Mr. Groat will have an ample supply of water for his big plant and enough to supply the city with drinking water if the old well should flow like the new one. These are not over-flow wells but must be pumped out. There are now eight or ten good artesian wells here, affording the purest of drinking water to all who will go after it.

DOUBLY PROVEN

Gazette Readers Can No Longer Doubt the Evidence.

This grateful citizen testified long ago. Told of quick relief—of undoubted benefit.

The facts are now confirmed. Such testimony is complete—the evidence conclusive.

It forms convincing proof of merit. Mrs. E. V. Hopkins, 433 Holt St., Hampton, Va., says: "It has been about two years since I used Doan's Kidney Pills. For some time my kidneys had given me a great deal of trouble. My back was weak and lame, and I suffered from headaches and dizzy spells. The secretions from my kidneys were unnatural and caused considerable annoyance. Doan's Kidney Pills were brought to my attention and were so highly recommended that I decided to give them a trial. They cured me and I have not had a recurrence of kidney complaint." (Statement given December 30, 1910.)

WILLING CORROBORATION.

When Mrs. Hopkins was interviewed on April 11, 1912 she said: "I am just as willing to give Doan's Kidney Pills my endorsement today, as I was in 1910. I have had no occasion whatever to resort to the use of this remedy for several months. My freedom from kidney complaint is due to the use of Doan's Kidney Pills."

For sale by all dealers. Price 50 cts Foster-Milburn Co., Buffalo, New York sole agents for the United States. Remember the name—Doan's—and take no other.
