HEAD OF G. A. R. PASSES AWAY AT BOISE

GENERAL W. W. BLACKMAR DIES WHILE ON A TOUR OF INSPECTION THROUGH THE WEST

WIFE WITH HIM

WAS A SOLDIER OF DISTINCTION AND WAS PROMOTED ON FIELD BY CUSTER

BOISE, Idaho, July 16.—General W. W. Blackmar, commander in chief of the Grand Army of the Republic, died at 10 o'clock this afternoon of intestinal nephritis. His wife was with him during his illness.

The general arrived on the 10th on a tour, during which he intended to visit Grand Army posts throughout the west. He was ill when he arrived and gradually failed. The seriousness of his condition was kept from the public at the request of his wife.

General Blackmar was born July 25 1841, at Bristol, Pa. He enlisted in the Fifteenth Pennsylvania cavalry, West Virginia. He served with distinction throughout and at Five Forks was promoted on the field by General Custer to the rank of captain. Through the three administrations of Governors Long, Talbot and Rice he was judge advocate general of Massachusetts. At the last national encampment of the G. A. R. he was elected commander in chief.

BALTIMORE, July 16.—By the death of General Blackmar, Captain John R. King of this city, senior vice commander in chief, becomes, under the laws of the G. A. R., acting commander in chief and will continue as such until the next national encampment. Captain King is pension agent for Maryland, Virginia and West Virginia, and has an office in Washington.

MASHER GETS SIX MONTHS.

NEW YORK, July 1.—A six months' sentence to prison for a passing street flirtation with a married woman was imposed today by Magistrate Steiuret on Benjamin F. Smith, who came here from St. Louis.

Late last evening Mrs. Grace Gamble, who is handsome and dresses stylishly, was waiting for her husband, a Brooklyn business man at the Madison avenue and Forty-second street subway entrance. Smith was passing and spoke to her. Mrs. Gamble resented this, struck Smith in the face and caused his arrest.

In court today, although Mrs. Gamble requested leniency to the prisoner, the magistrate imposed sentence and at the same time invited other women who suffer from "airy" mashers to act as did Mrs. Gamble.

FUNSTON'S FATHER IN COURT.

IOLA, Kan., Saturday July 14.—Thirty-five hundred people jammed into the Grand Theatre, which owing to the public interest, has been engaged for the trial for former Congressman Funstan father of General Funstan. Fifty witnesses were summoned.

Funstan advocated the dynamiting of the saloons previous to the recent explosions which wrecked several places. He was arrested for disturbing the peace and carrying concealed weapons.

A BAD RUNAWAY

A. R. Smith, a rancher, who lives north of town, was thrown from his wagon upon a pile of rocks this morning. He was badly shocked and cut about the head but whether hurt internally or not it is impossible to say. The accident was caused by the team becoming frightened at the cars, running away and upsetting the wagon.

TELLS DETAILS OF A HORRIBLE CRIME

KILLS WIFE BECAUSE SHE DID NOT TELL HIM THE TRUTH ABOUT HER AGE

USED PENKNIFE

HIT HER ON THE HEAD WITH A ROCK AND THEN GASHED HER THROAT WITH SMALL KNIFE

PUEBLO, Col., July 16.—A special to the Chieftain from La Junta, Col., says:

John Schskloskas, a Russian, wanted at Belmont Mass., for the murder of his wife last Wednesday night, was arrested at La Junta this afternoon by Sheriff Barr while passing through the city on the Santa Fe railroad. The murderer confessed and gave the full details of the tragedy, which has been puzzling the Massachusetts officers. He said that he and his wife were drinking and quarrelling Wednesday afternoon, and continued their quarrel at a park that night, when her taunts enraged him to such an extent that he cut her throat with a penknife and threw the body in a gully.

The murderer told a clear story of the tragedy. He said he came to America from Poland five years ago and has worked near Lynn, Mass.

In February 1902 he married the woman whose murder he now confesses. When he married her, he states, the woman represented that she had \$800 and was but 28 years of age. He found afterward that she possessed but \$80 in money and was more than 40 years of age.

The quarrel over the false statements the woman had made before their marriage was begun anew, and the man became enraged at his wife's answers to his taunts. He threw a rock and struck her on the head, and while she was lying unconscious from the blow he gashed her throat with a penknife and dragged the body through an unfrequented part of the park, throwing it in a gully and covering it with rubbish. Then Schskloskas returned home, slept as peacefully as if nothing had happened, and left for the west Thursday noon, first returning the ticket he purchased for his wife and receiving back \$69.

LAWSON IN CHICAGO

Will be the Principal Speaker at the Jefferson Club Banquet—Mayor Dunne Will Not Attend

CHICAGO, July 16.—Thomas W. Lawson arrived in Chicago at 10:55 o'clock today from Albert Lea, Minn., in his private car Halmore attached to a Rock Island train. He was met at Joliet by a committee headed by Clarence Darrow. Lawson will be the guest today and tonight of the Jefferson Club and principal speaker at a banquet given in his honor this evening. Mayor Dunne will not be present. He left today for a week's outing in Wisconsin. Lawson leaves for Boston at the close of the banquet.

Lawson said he was much pleased with his reception in the West and the result in arousing sentiment against the system. He was shown a printed report of Rockefeller's remarks at a prayer meeting last night. Lawson said:

"That's the finest line of bunco I ever heard."

JESSIE JOHNSON FINED.

Judge Palmer fined Jessie Johnson \$10 and costs this morning for being drunk and disorderly on the streets last Friday night.

LINEVITCH MAKING A GREAT BLUFF

PLANNING GREAT DEMONSTRATION TO SYNCHRONIZE WITH PEACE CONFERENCE

HAS 400,000 MEN

IT IS NOT BELIEVED THAT HE INTENDS TO TAKE THE AGGRESSIVE IN THE FIGHT

TOKIO, July 16.—It is unofficially reported that General Linevitch's forces number over 400,000 now, and that he is extensively using water transportation to bring forward men, supplies and ammunition.

An officer who recently returned from Manchuria expresses the opinion that Linevitch plans a great demonstration to synchronize with the meeting of the plenipotentiaries, but that he does not intend real aggression.

It is understood that Captain Bouguin returns permanently to France.

GUNSHU PASS Manchuria, July 16.—Reports that the Russian army is in a precarious situation appear to be without foundation. Investigations made by correspondents of the Associated Press show that neither flank has been turned, and that, in fact, the Russian wings are more advanced than the center.

The Japanese center is strongly fortified. Many siege guns have been emplaced along the Changtufu Nanchenze line, and the triple ring of forts commanding the Mandarin road.

The Japanese are using a novel elephant trap style of entrenchment, consisting of ditches covered with platforms which are balanced in the middle, and which tilt into vertical positions under the feet of attackers.

The Japanese have captured a balloon eight miles south of Nanchenze.

President James J. Hill of the Great Northern Railroad is sending his own private car to Seattle for the accommodation of Baron Komura and his immediate party. This car will be on the side tracks at Smith Cove when the party reaches Seattle and will be attached to any train that the Japanese minister desires to take.
