

WITTE MAY NOT BRING ABOUT PEACE

CZAR IS BY NO MEANS READY TO MAKE PEACE AT ANY PRICE--TERMS MUST BE SUITABLE OR THE WAR WILL BE CONTINUED.

ST. PETERSBURG, July 16.—The Sviet, which sometimes interprets the views of the military party, today indignantly rejects the interpretation put upon M. Witte's appointments abroad, namely, that it is equivalent to the acceptance of any peace terms Japan may choose to offer except leveling the fortifications of Vladivostok.

The paper calls attention to Emperor Nicholas' marginal notes on various addresses expressing his determination to continue the war, and especially refers to his telegram to Lieutenant General Linevitch June 14, which the commander-in-chief read to the army and which has been published here, in which the emperor pledged himself to do everything possible to lighten the heavy task of the army, and expressed confidence that all obstacles would finally be overcome and that the Russian army as proof that the emperor has no intention to make peace at any price.

As further evidence the Sviet draws attention to the unusual note attached to the official announcement of M. Witte's appointment:

"Being intimately acquainted with the situation, M. Witte will undoubtedly be equal to the high and important mission with which the emperor has graciously charged him and know how to protect the interests of Russia."

FELON MARRIED IN JAIL

Jack Chesterfield under Three Year Penitentiary Sentence becomes the Husband of Luella More

SEATTLE, July 17.—Standing in the darkness of the solitary confinement cell in the county jail, with his right hand through the grated door and clasping that of Luella F. Fliser, John J. Christopher, alias Jack Chesterfield, awaiting transfer to the penitentiary to serve a sentence of three years for criminal assault, was on Friday, July 7, declared the husband of the woman, who is making a strenuous fight to obtain his release. The wedding was secret and was not even known to the jail officials until they were informed by a reporter.

Last September Christopher was brought to the county jail to await trial on the charge of criminal assault on Otilla Ziebell, a 16 year old girl.

From the first day of his confinement, Luella Fliser, the woman who ten days ago became his wife, has been a constant visitor at the county jail. Not only once but several times a day she has called to see Christopher. To jailors, court attendants and the public the woman has always held herself out as the wife of Christopher. She has declared that they were married two years ago and she has during that time lived under the name of Mrs. Christopher.

NEW YORK, July 16.—To avoid a collision with a ferryboat, the crowded passenger steamer Asbury Park was run at full speed into her dock in the Hudson river today. INCREDIBLE BRUTALITY

It would have been incredible brutality if Chas. Lemberger, of Syracuse, N. Y., had not done the best he could for a suffering son. "My boy," he said, "cut a fearful gash over his eye, so I applied Bucklen's Arnica Salve, which quickly healed it and saved his eye." Good for burns and ulcers too. Only 25c at U. G. Fogue's drug store.

PROVIDENTIAL ESCAPE

LOS ANGELES, July 17.—Suspended by a slender camera strap, John B. Dame of Pasadena today dangled above an abyss of 1,200 feet on Mount Wilson, while far below him he saw his horse dashed to death on the rocks. The branches of a shrub, acting almost as miraculously as the hand of Providence itself, reached out to save Dame from the same fate.

A camera swinging from his back was caught between two branches. The strap about his shoulders was drawn taut, strained and held.

Dame is confidential clerk for Proprietor D. M. Linnard of the Hotel Maryland. The accident took place in Vosburg Canyon, on a little trail up the mountain. The horse that Dame rode slid and plunged over the precipice. Just as Ryan, one of the party, was holding his breath preparatory to seeing Dame plunge over the abyss to meet certain death below on the rocks and crags, the camera on his back became wedged. Lyon, who was nearest, rushed to his assistance and dragged him back to safety before the straps parted. He had fallen 100 feet when he was caught.

The horse plunged to the bottom like a plummet into a well and its body was torn to minute fragments by tree tops and rocks in its 1,200 foot descent.

Dr. W. P. Cameron left this afternoon for Portland where he will attend the meeting of the Pacific Coast Dental Association which will be held there during the present week.

KOREANS WANT THEIR INDEPENDANCE

WILL ASK PRESIDENT ROOSEVELT TO INTERCEDE WITH JAPAN IN THEIR BEHALF AT COMING PEACE CONFERENCE

HONOLULU, July 17.—Koreans here have raised a fund to send Rev. P. T. Yon, a Korean Methodist minister, to Washington to see President Roosevelt for the purpose of asking that efforts be made by the United States in the forthcoming peace negotiations to bring about an agreement by which the Korean nation will become independent within 20 years if it shows fitness for self government.

Rev. Mr. Yon will solicit the good offices of President Roosevelt to ask Japan to grant independence as the United States did Cuba after the Spanish American war.

A memorial embodying the desires of the Koreans was presented to Secretary of War Taft here. Rev. Mr. Yon states Secretary Taft replied that it was a delicate matter and declined to say anything regarding it, but expressed his willingness to give Rev. Yon a letter of introduction to the president.
