JENNIE ANDERSON WINS THE PONY

Exciting Contest for the Ellis-Forde Pony Closed Last Night with Miss Anderson 7000 Votes Ahead of Her Nearest Competitor.

Jennie Anderson won the Ellis-Forde pony contest which closed at eight o'clock last evening by a plurality of over 7,000 votes over her nearest competitor, Jack Rarey.

When the votes were counted last evening Miss Anderson was found to have a total of 45,602; Jack Rarey was second with 38,121; Pearl Black was third, 22,850 votes having been cast for her; Lutha Overturf was fourth with 21,147 votes to her credit. There were 126 candidates in all.

Much interest was taken in the contest by everyone in Chelan and the borders of adjoining counties. Votes were sent to the store from as far east as Wilson Creek and as far west as Leavenworth. Jack Rarey, by a personal canvass, secured most of the votes from the outlying towns. Jennie Anderson's supporters were almost entirely Wenatchee people. The steamboat companies and the hotels did the most to swell Miss Anderson's score.

The race from the start was strenuous. Miss Anderson took the lead from the start and held it until about three weeks ago when Jack Rarey forged ahead by 160 votes. The following count he fell behind 1,000 votes and was forced to the second place by Miss Anderson till the count at noon on Thanksgiving day, Jack Rarey again took the lead by 600 votes. Miss Anderson's supporters rallied to her assistance yesterday, one hotel buying \$200 worth of provisions merely that they might cast the votes for Miss Anderson, and at 11 o'clock she again took the lead and gained steadily until the end of the contest.

The contest aroused great interest among the patrons of the store and many wagers were made on the result. Jack Rarey bet \$5 against himself. As the boy made a hard fight and as the two leaders were in a class by themselves the company decided to give him a second prize of a sled.

"I consider the contest the greatest advertising scheme ever inaugurated in the county," said T. J. Walker, advertising manager of the big store, "and I believe has attracted more attention and awakened more interest in the Ellis Forde Company than any other scheme that has ever been tried. I believe that the winner in the Spokesman Review piano contest held in Wenatchee a year ago only managed to secure 60,000 votes. There were several stores who that issued votes for that contest. Nearly everyone throughout the entire county was interested in our contest and worked for one or another of the candidates. The management of the store is more than pleased with the interest taken in the contest and highly gratified at the results it achieved."

ENTERTAINMENT BY THE HIGH SCHOOL

A lively and interesting debate between the Olympic and Alpha societies was heard last night at the assembly room of the high school by an audience of 200 people including parents and friends of the pupils.

The question: "Resolved, that football is detrimental to the high school." was decided in favor of the Olympic society, who argued in favor of the affirmative.

Following the debate a most excellent musical and literary program was rendered by the joint societies.

GOVERNOR JEFFERSON DAVIS.

Governor Davis, with whom during his southern tour President Roosevelt had a tilt over the lynching of negroes, is serving his third term as chief executive of Arkansas and is planning to succeed James H. Berry in the United States senate. He is a hard fighter and an adroit campaigner and is as heartily hated by his enemies as he is admired by his friends. He is only forty-three years of age.

MICHIGAN'S DEFEAT BROKE HIS HEART

Dan Clarke, who lost Game for Ann Arbor hides in Hotel and says he Will never Return to School--His Friends Fear for His Life.

CHICAGO, Dec. 2.—The police this morning after an all night search for Dan Clark, the Michigan football team's half back, who lost the game for his team yesterday and whose friends feared he had committed suicide, found him in a hotel with a fraternity brother, crushed and broken hearted.

Clark declares he will never go back to Ann Arbor. He went home to Detroit, although his team mates were loyal but unable to soothe him.

The undisputed honor of the western football championship was won by Chicago by the close score of two points, earned on a safety touchdown in the first halfsecond by the splendid work of Captain Catlin, of Chicago, but also by the poor judgment of Clark, of Michigan, in trying to run back a punt of Eckersall's, which barely reached the Michigan goal line.

He was thrown across the line by Catlin after he had thrown off two Chicago tacklers, and two points, safety touchdown, were recorded for Chicago, the only scoring done in the game.

The game was devoid of spectacular features. Brilliant open field play by Chicago and hard, grinding, mankilling work by Michigan was expected by the 28,000 spectators that surrounded the gridiron on Marshall Field. But the contrary was the case. Trick plays almost invariably were unsuccessful. Eckersall, whose remarkable powers were expected at least to score for Chicago, had only one chance at a drop kick and this was unsuccessful.

NINETY FIRMS BOYCOTT CANADIAN PACIFIC RAILWAY

VANCOUVER B.C., Dec. 2.—Last night after a bitter debate ninety merchants of this city voted to boycott the Canadian Pacific railroad and do all in their power to divert business to the Northern Pacific and Great Northern railroads, it being contended that Vancouver is discriminated against in freight tariffs.

OHIO SOLON SETS A GOOD EXAMPLE

Recently Elected Member of the Legislature enrolls in School and will take Special Course to fit Him for His New duties.

LIMA, O., Dec. 2.—"I want to go to Columbus and at least be able to construct a correct English sentence." Thus did D. J. Schurr, the newly elected representative to the state legislature from Madison county, explain today why he entered Lima college as a student.

Schurr is 39 years old and single. He is taking special rush courses in political science, economics, constitutional history and law and physiology.

"My chief idea in attending college is to be best able to represent the people who elected me," he said.

ADAMS DECIDES HIS CASE IS HOPELESS

Will Plead Guilty in the Hope that He May Receive Mercy from the Court--Is Despondent and Anxious to Confess.

SEATTLE, Dec. 2.—George Edward Adams, former clubman and "good fellow," but now self confessed embezzler of a fortune in gold from the United States assay office, will plead guilty to every indictment brought against him. Anxious to begin serving his time as soon as possible, and knowing that no defense he can make will save him, the prisoner will throw himself upon the mercy of the court when 't comes time and ask for sentence. Not even counsel will be retained by Adams. Believing his case a hopeless one, he will take his medicine as well as he can and say nothing.

In the hearing before United States Commissioner Kiefer this fact was brought out clearly. In statements made at the county jail late yesterday afternoon and today he signified his intention of not fighting for liberty.

Adams, first boastful and reckless in his bearing, then despondent and anxious to confess and then hopeful that the confession could be recalled and a good defense made, is now aware that he can expect little from a long and expensive legal battle. With almost every man's hand against him, he is certain of conviction. He believes now that a long fight against fate will only result in a heavier punishment being meted out to him than if he pleads guilty and throws himself on the mercy of the court.

CAUCUS AT CASHMERE

A caucus was held in Cashmere last night and a city ticket nominated. The people at the caucus were under the impression that the mayor was a hold over and no nominations were made for that audience. Three council men for one year were nominated. They were: H. S. Irwin, E. C. Long and John Francisco. A number of persons were dissatisfied with the ticket and there presumably will be another nomination tonight, at which a nominee for the mayor's office will be named.

Cashmere will very likely be a prohibition town this year. The most of the voters of the town failed to register, those who registered being almost entirely composed of men that were opposed to the saloon element.

The meeting was held in the G. A. R. hall and was poorly attended.

DEER HUNTING RIVALS FOOTBALL

Wisconsin Hunting Season Breaks the Record With 26 Dead and 55 Injured--Wounded and Dead Were Mistaken for Deer, as Usual.

CHICAGO, Dec. 2.—A dispatch to the Tribune from Milwaukee, Wis., says:—When the hunting season in Wisconsin and upper Michigan closed last night, all records for casualties among hunters had been broken. There are 26 dead and 55 wounded, some of whom may not recover. The usual number of the wounded and killed were mistaken for deer.

ENGLAND'S QUEEN IS 61

LONDON, Dec. 2.—Queen Alexandra's sixty first birthday is generally observed in all parts of Great Britain and the colonies today. All public and many other buildings are decorated with flags and the ships in all British harbors are flying the national flag. Early this morning all the church bells in this city pealed forth their greetings and the guns at the military and naval stations fired a royal salute.

FLOWERS WILL BE BARRED FROM SENATE ON OPENING DAY

WASHINGTON, Dec. 2.—There will be no flowers in either house on the opening day of congress. Two years ago soon, after Speaker Cannon was sworn in, an attempt was made to bring in large floral pieces and place them upon the desks of members. The speaker issued positive orders to stop the proceeding and the banks of flowers remained in the lobbies until they were sent to the homes of the members. A standing resolution of the senate was adopted during the last session of congress barring flowers from the senate chamber. Mr. Cannon has already given notice that he will not allow the flowers to be brought in as heretofore.
