## FAMILY ROW IN THE CZAR'S PALACE

**Grand Duke Boris Calls the Czar a Backless Creature. Whereupon He Gets a Black Eye at the Hands of Grand Duke Nicholas.**

CHICAGO, Dec. 14.—The St. Petersburg correspondent of the Daily News cables that from an eye witness he obtained an authentic account of the incidents which recently gave rise to the report that the czar had been wounded in a personal encounter with the Grand Duke Boris.

On Thursday, November 30, says the correspondent's informant, the czar ordered that from his private purse an asylum be built for the orphans of victims of "Bloody Sunday, when many peaceful workmen were shot down by the troops in St. Petersburg.

Grand Duke Vladimir, who was in chief command of the troops, regarded this as a personal slur upon him. The same day Vladimir's son, Grand Duke Boris, reproached the czar for having sacrificed family interests for his own political interest, adding: "The grand dukes are now ruined.

The czar replied that the mismanagement and malfeasance of the grand dukes, together with the notoriously scandalous lives which they lead, had brought about the present troubles, while Grand Duke Vladimir's orders to the troops on January 22 last to shoot down the workmen under Father Gapon's leadership, had participated and was the actual cause of the revolution.

Grand Duke Boris retorted angrily, calling the czar a backless creature.

Thereupon Grand Duke Michael, the czar's brother, who was present, struck Boris who, in a furious rage, drew his sword, but Grand Duke Nicholas, who has succeeded Grand Duke Vladimir at the head of the St. Petersburg garrison, stopped the melee. The matter ended by Grand Duke Boris being ordered out of Russia.

## MOSCOW BOURSE IS IN A PANIC

**Reign of Terror at Riga Where Russian Officials Have Been Expelled and Many of Them Killed—Soldiers Refuse to Protect Landlords.**

MOSCOW, Dec. 14.—A veritable panic prevails on the bourse. The complete collapse of business in the provinces has been attended by many bankruptcies.

The agrarian disturbances are extending almost to the gates of this city. The country mansions of many nobles, including that of Count Shakhovskoi, have been burned.

Strikers fought a duel with a Cossack band in the outlying industrial village of Gorodistcht. The strikers stood their ground with revolvers, emptying four saddles and forcing the Cossacks to retreat.

The workmen's council of Moscow have adhered to the decision of the St. Petersburg council in deciding against a general strike. It develops that the council's funds have been exhausted in supporting the 16,000 idle workmen.

Efforts to break the post and telegraph strike have been unsuccessful. The volunteer carriers are boycotted and taunted in the streets.

News from Kursk says that two regiments which refused to protect landed estates from the peasants have been ordered back to that town.

The publishers of Moscow have decided to defy the press laws.

At Riga the Russian officials are being expelled from the provinces and many of them have been killed in the streets of the towns. There is a reign of terror. Women and children are living in the upper stories of houses, and foreign merchants are winding up their business or abandoning everything in order to escape.

## SKHAROFF'S ASSASSIN WAS MAN IN WOMAN'S CLOTHES

VIENNA, Dec. 14.—The Neue Freie Presse today publishes a dispatch from Czernowitz, Austria, received by mail from Kieff, in which the writer asserts that the assassin of General Sakharoff, former minister of war and the representative of Emperor Nicholas at Saratoff is a locksmith's apprentice named Gavely Woroschinkoff, from Ekaterinadodair, who was dressed as a woman when he killed Sakharoff.

Woroschinkoff, the correspondent adds, posed as being deaf and dumb when he gained an entrance to the palace in order to hand to General Sakharoff a letter.

A few hours after his arrest he was forcibly released from custody by the revolutionists and conveyed across the border into Austria Poland, where he is now safe.

## GOV. HOCH SAYS IT ROBS THE PEOPLE

**Kansas Executive Makes Grave Charges Against Standard Oil Company in a Public Address at Ottawa. Kan.—People Robbed of Millions.**

OTTAWA, KAN., Dec. 14.—Governor W.E. Hoch, speaking here last night at a gathering of Republicans said:

"At this time the Kansas oil field is yielding 60,000 barrels a day any insignificant part of its capacity, and for this oil the Standard Oil Company, which sets the price, is paying less than one-third what it paid a year ago. I believe that it could pay one dollar a barrel more for this oil than it is paying and still make a large profit. In other words, it is robbing the people of \$60,000 a day, or \$22,000,000 a year. We sit supinely down while we are being robbed of enough money every day by this one corporation to build one hundred homes for the homeless, or to rear a great educational institution, or to endow a college, or in one year to pay all the expenses of the state for five years."

### Peace Conference Postponed

WASHINGTON, D. C., Dec. 14.—The state department has been informed that the effort to arrange a date for the assembling of The Hague conference has been suspended for the time being and is now thought to be impossible for the second conference to meet early next year as was once expected.

## CHICAGO GRAND JURY INDICTS REBATERS

**Big Railroad Officials Accused of Giving Kansas City Shippers \$20,000 --Gave Rebates to Big Packing Firms of Chicago.**

CHICAGO, Dec. 14.—Indictments were returned today by the federal grand jury against John H. Faithorn, president of the Chicago Terminal Transfer Railway Company, and Fred A. Wann, vice president of the Pere Marquette and Chicago and Alton, charging them with paying rebates amounting to \$20,000 on shipments over the Alton, and Wann, general manager of the road.

It is alleged that during their connection with the Alton they gave rebates to Schwarzobild and Sulzberger, packers in Kansas City. Beth S. Cusey traffic manager recently pleaded guilty of receiving rebates and was fined \$5,000. Today's indictments were returned upon Cusey's testimony.
