Drank Wine From Slipper

PHILADELPHIA, Dec. 15.—On the promise that his name be kept secret, an intimate friend of the Corey family, who is a prominent clubman of this city, gave the details of a bizarre dinner where, it is alleged, the steel magnate first displayed his infatuation for Mabelle Gilman, and where the breach between himself and his wife first started.

Among those prominently mentioned as having been present at the function, where there were such novel features as the drinking of champagne from slippers and the singing of Parisian songs, are three young Philadelphia society women and one from New York.

The dinner, it is said, was given at Asbury Park four years ago in honor of the actress, who conducted herself, it is alleged, as if she and not the steel magnate's wife, who was also present, was the hostess of the evening.

What the Packers Face

CHICAGO, Dec. 15.—"What might happen to the packers" is a topic of general discussion at the federal building. Twenty-one defendants, fined 1,000 each on each of the five counts in the indictment, \$525,000. Total punishment for twenty-one defendants and five corporations, 105 years imprisonment and \$560,000 in fines.

Denies That Dowie is Failing

CHICAGO, Dec. 15.—John Alexander Dowie, who was absent for the second time from services at Shiloh tabernacle yesterday, is reported at Zion City as recovering. "Mr. Dowie is feeling much better," said Overseer J. G. Speicher today. "Is he doing his accustomed work?" was asked.

His customary work is the work of ten ordinary men. We have at last succeeded in reducing the duties he will perform to the limit of about one ordinary man.
