ATTACK PROHIBITION

Congressman Boutelle Made Address at National Brewing Convention Washington, June 8.—An attack on prohibition by Representative Henry Sherman Boutelle of Illinois, and a prediction by President Carl J. Hoster, of the United States Brewers' Association, that the time would come when the brewer would be found working with the "real and practical reformers" in the interest of temperance, were the salient features of the fiftieth annual convention of the brewers in their opening session today.

TWO EASTERN ELECTIONS

Lion's Share of the Spoils Go to the Progressive Republicans.

Des Moines, Iowa, June 8.—All hope of making definite announcement as to the republican nomination for governor was abandoned at 1 a. m. today, only 1500 voting precincts out of 2300 in the state having sent in unofficial returns. On the basis of returns received, Governor Carroll, however, has a majority of 10,000 over Warren Garst.

In the First and Seventh congressional districts the returns are sufficiently heavy apparently to give sound basis to claims of the nomination of Prouty, progressive, over Congressman Hull in the Seventh, and Congressman Kennedy, "stand pater," over S. W. Brookhart, in the First.

Insist Smith Is Named.

While Congressman Smith's supporters in the Ninth insist that his nomination is assured, progressive leaders here assert that the returns in Smith's territory are far too scant to justify the claim that the progressive candidate, Attorney General Byers, has been defeated.

The contest between H. M. Town-er, "stand pater," and J. H. Darrah, progressive, in the Eighth district, at 1 o'clock was in doubt.

Sioux Falls, S. D., June 8.—Up to a late hour last night the headquarters of George W. Egan, independent republican candidate for governor, were yet claiming that Egan had carried the state by 8000. Neither the stalwarts nor the progressive republicans would concede this.

If Egan has been successful his victory will be due solely to the factional fight in the republican party, which gave him opportunity to get into the field and make capital out of the difficulty between the stalwarts and progressive factions, Egan, by late reports, had a lead of about 2500 over Vesey, progressive candidate for renomination as governor.

That the progressives have won out on the rest of their ticket is claimed by them. They also claim that they nominated Thomas Thorsen and John F. Schrader, their candidates for congress.

ENGINEERS WON GAME

Through the fast fielding, timely hitting and excellent pitching of Manager Sidenier's aggregation of ball tossers, the Tammany's were compelled to acknowledge defeat at the hands of the Engineers last evening by the score of 7 to 2.

Smallage had his opponents at his mercy throughout the game, allowing but two hits the entire game, one of which was a scratch. Fisher proved a revelation on the initial sack, and Fleishman was on the job in the left garden. Fleishman is a recruit but sinched his position last night by making two hits both of which should have been home runs for an ordinary runner, but the recruit did not show great speed on the bases and consequently only one went for a homer. Fisher also was there with the war club making the circuit with one man on.

The different managers are all out after new material for they realize that the race this year is to be a close one and all are trying to strengthen their team in best possible way.

MISSIONARY MEETING

Two Meetings Held in Methodist Church Yesterday.

The West End Columbia River District meeting of the Woman's Home Missionary Society of the Methodist church convened yesterday forenoon. The meeting was opened by the president, Mrs. L. V. Wells. Scripture and prayer was offered by Mrs. Roys and Mrs. Clulow. O. B. Brown was appointed as reception committee to receive visiting delegates.

Mrs. Thompson read a very interesting paper on missionary work. A report was read from the Chelan auxiliary, also a letter from Mrs. Motteler, a former member of Wenatchee but now of Leavenworth. It was ordered that Mrs. Knowles be appointed press reporter for the meeting and see about publishing Mrs. Thompson's paper. Mrs. Jackson read her yearly report on literature and woman's home missions.

Mrs. Clulow commended the zealous work of Mrs. Jackson and urged everyone present to become a member of the reading circle. Mrs. Wells read an article from the June number of the magazine, W. H. M., from Boaz Home. Mrs. Blake occupied the pulpit for a short time as conference secretary. She gave reports from other auxiliaries and her work among them. She also talked on the immigration question, its needs, etc. Mrs. Clulow commended the report of Mrs. Blake and urged the need of the immigration home in Seattle.

A question box was opened. Questions on temperance circles, etc., were discussed by members. The members adjourned at 14:40 with prayer by Mrs. Clulow. Members and visitors retired to the basement where a delicious lunch was served by the committee in charge, assisted by members of the Queen Esther Circle.

Afternoon Meeting.

In the afternoon at the Methodist church occurred the regular monthly meeting of the Woman's Home Missionary society of the Methodist church.

Mrs. L. S. Jones was appointed secretary in the absence of Mrs. W. O. Marr. The minutes of the last meeting were read and approved, also roll call. Members responded with name of some home or orphanage supported by the society. Mrs. Carl Jones took charge of the program. Several selections were read. Miss Beightol sang a solo. The election of officers followed, and the following were named:

Mrs. A. E. Knowles, president; Mrs. G. Marr, first vice president; Mrs. Belser, second vice president; Mrs. W. O. Marr, recording secretary; Mrs. O. B. Brown, corresponding secretary; Mrs. S. A. Thompson, treasurer; Mrs. W. Roys, secretary of mite boxes; Mrs. M. B. Jackson, secretary of literature; Mrs. Schiltz, secretary of reading circle, assisted by Mrs. Clulow; Mrs. J. H. Howard, secretary of supplies.

The president gave the annual report, which up to this date is as follows: Number of members, 36; amount of dues paid, \$36; amount received for Jessie Lee home \$53.35; Queen Esther dues, \$5.80; mite box money, \$15.46; value of barrel sent to minister, \$14.35.

Surviving relatives living in Seattle will pay a liberal reward to the finder of the body. The dead man was about 40 years old, 5 feet 11 inches in height, and weighed about 165 pounds. He was dressed in working garments and wore high lace boots. Anyone finding the body will please address Dr. Lee Baker, Eitel building, Seattle.

McKee, of Wenatchee. The groom is one of the best teachers of Chelan county, having just closed a successful term in the Squillehuck district. The bride is from Oklahoma, where she was a talented teacher of music. Mr. and Mrs. McKee will make Wenatchee their home, having leased a ranch north of the city. A host of friends join in wishing the bride and groom a long and happy life.

CONSPIRACY, HE SAYS Says Action Against Him is Open Rebellion. Portland, Ore., June 8.—That the troubles of the Rev. W. T. Euster and the Sunnyside Methodist church are the result of a conspiracy to make the Rev. T. B. Ford superintendent of the Portland district, is the assertion made today by friends of the pastor.

The action of the official board of the Sunnyside church in refusing to pay Rev. Mr. Euster's salary after June 15 is said to be part of the plot. Rev. Mr. Euster contends that this action is illegal and in defiance of the rules and discipline of the Methodist church, besides being in open rebellion to the bishop and the Oregon conference.

The conspiracy is alleged to be directed against both Rev. Mr. Euster and Rev. W. B. Hollingshead, the present district superintendent.
