Pretty Gifts Made of Brown Linen

A GIFT that will be appreciated by the man or woman who travels, is an apron of brown linen, rubberized on one side, in which to carry all necessary toilet articles. The rubberizing makes the inside of the apron and its pockets waterproof. To make it requires one piece of linen 20 inches long and 14 wide for the apron and a length 17 inches for the pockets and flaps. There are five pockets. One, 4 1/2 inches deep, extending across the apron, two four inches deep, at the bottom. At the top one of the pockets is 5 1/2 inches in depth and the other four inches. Small plates are laid at each side of all the pockets except the long one. This long pocket is closed with a flap four inches wide while the others have flaps from one and one-half to two inches wide. The apron pockets and flaps are bound with bias tape in linen color. The flaps fasten with snap fasteners.

A pretty handkerchief case is made of a straight piece of unbleached linen 17 inches long and 10 1/2 inches wide. Across one corner a spray of flowers is embroidered in pink with green foliage. Bow knots are embroidered in blue at each side of the spray. The case is lined with thin pink satin and interlined with a sheet of cotton batting, in which sachet powder is sprinkled. The edges are finished with button-hole stitching in pink silk. The case is folded crosswise at the center and the sides and top tied together with narrow satin ribbon in simple bows. One corner is turned back and fastened with a bow. This finishes an attractive, scented receptacle, shaped like an envelope, to be placed on the dressing case.

A work bag is made of coarse brown linen cut into the shape shown in the picture. It is 14 inches long and 10 1/2 wide. Two pieces are joined at the edges which are scalloped and finished with button-hole stitching in green silk floss.

New Styles in Ribbon Bags for the Holidays

EVERY return of Christmas brings with it bags made of beautiful ribbons designed for many different purposes.

A new design in a slipper bag is shown in the picture. It is made of Dresden ribbon over a pasteboard foundation. An oblong box is cut from cardboard, shaped like the cases made for opera glasses, but much longer. The bottom is an ellipse six and a half inches long and three wide. The sides are five inches deep. The bottom and sides are covered with silk and afterward joined.

The upper portion is made of a straight length of ribbon gathered about the box as shown in the picture. The second bag shown is easy to construct and suited to almost any purpose. It is made by stitching to each edge of a length of striped or figured ribbon, a length of plain satin ribbon, to form a wide strip for making the bag. The ends of this strip are sewed together with a felled seam and the edges sewed together at the bottom. A casing sewed within two inches of the top, carries the ties of narrow satin ribbon by which the bag is closed and suspended.

A CONFESSION

Hopes Her Statement, Made Public, will Help Other Women

Hines, Ala.—"I must confess," says Mrs. Eula Mae Reid, of this place, "that Cardui, the woman's tonic, has done me a great deal of good."

Before I commenced using Cardui, I would spit up everything I ate. I had a tired, sleepy feeling all the time, and was irregular. I could hardly drag around, and would have severe headaches continuously.

Since taking Cardui, I have entirely quit spitting up what I eat. Everything seems to digest all right, and I have gained 10 pounds in weight."

If you are a victim of any of the numerous ills so common to your sex, it is wrong to suffer.

For half a century, Cardui has been relieving just such ills, as is proven by the thousands of letters, similar to the above, which pour into our office, year by year.

Cardui is successful because it is composed of ingredients which act specifically on the weakly constitution, and helps build the weakened organs back to health and strength.

Cardui has helped others, and will help you, too. Get a bottle today. You won't regret it. Your druggist sells it.

Farmington Stirred Over Good Roads

CITIZENS OF LINCOLN DISTRICT EAGER TO IMPROVE THEIR HIGHWAYS.

THREE CONVENTIONS NAME CANDIDATES FOR TOWN OFFICES.

DIFFERENCES IN PLATFORMS AND PRINCIPLES ARE SAID TO BE SLIGHT.

FARMINGTON, Dec. 10.—Farmington has been very much alive politically during the past week. Never before in the history of the town has there been manifested such an interest in the public affairs of the place as at present. This is probably due to two prominent reasons: First, owing to an oversight both on the part of the different political parties and the town officials last year. Candidates for town offices were not legally certified and the election went over. Second, there is a wonderful boom for permanent improvements. The citizens are to the front for good streets and better conditions generally.

Council called a mass meeting December 3, which was attended by an enthusiastic body of citizens. Improvements of various kinds were declared the platform of the convention and the following representative citizens were named as candidates for the various town offices. For Mayor, F. G. Gray, the present incumbent in office; for Recorder, J. H. Coleman; for Council, R. C. Cooper, Joseph Ditch, J. P. Parks, W. L. Hoffman and G. N. Straight. The ticket was named the Citizens' Improvement Ticket.

Following on the heels of this convention a party organized as the Straight Curb Party assembled in convention with a large and enthusiastic attendance and the following excellent ticket was named: For Mayor, E. A. Martin; for Recorder, J. E. Wells; for Council, E. M. Parrish, A. C. Fisher, J. P. Parks, W. L. Hoffman, L. B. Tennant.

A Kidney Remedy Advertisement Brought Great Happiness.

I take pleasure in stating that I have used Dr. Kilmer's Swamp-Root, that I was greatly benefitted by the same and have used it in my family. I had a son, when quite young he suffered from bladder or kidney affliction. I called in my physician, he attended him but did him no good. Almost by accident I noticed an advertisement about the curative powers of Dr. Kilmer's Swamp Root. I procured a bottle and gave it to him according to directions. It cured him of what we thought was almost impossible and the same with others of my family. I have such strong faith in Swamp Root that I have never done without it in my family since the wonderful cure of my son as well as myself. I recommend it to all who suffer from kidney or bladder troubles and I am led to believe that it is one of the best medicines for the purpose for which it is used, that has ever been discovered.

This is my experience from the use of Swamp-Root. Wishing the promoters of this wonderful medicine a large sale to the suffering public, I am,

Yours respectfully, W. H. McAFEE, Atlanta, Ga.

63 Broyles St. Witness, E. O. Williams, Notary Public.

Letter to Dr. Kilmer & Co., Binghamton, N. Y.

Prove What Swamp-Root Will Do For You.

Send ten cents to Dr. Kilmer and Co., Binghamton, N. Y., for a sample size bottle. It will convince anyone. You will also receive a booklet telling about the kidneys and bladder. When writing, be sure and mention the Daily West Virginian. Regular fifty-cent and one-dollar size bottles for sale at all drug stores.

principles are in general slight. There is no exception to this in Farmington, however, the difference was sufficient to cause the assembly of another convention November 8 under the name of Everybody's Party, and, we are told, it was a highly enthusiastic gathering. The convention declared for permanent improvements and nominated the following ticket: For Mayor, Henry J. Hatzel; for Recorder, G. H. Musgrave; for Council, G. N. Straight, R. C. Cooper, Joseph Ditch, J. E. Wells and J. H. Coleman. The nominee for Mayor being absent he was escorted to the convention by a committee appointed by the chairman and was given a rousing reception. Upon motion all the nominees of the convention were required to appear before the convention and declare their intention of standing by the will of the convention.

It will be noted that R. C. Cooper, Joseph Ditch and G. N. Straight are nominees on both the Citizens' Improvement Ticket and Everybody's Ticket, while W. L. Hoffman and J. P. Parks appear on both the Straight Curb and Citizens' Improvement tickets.

At the convention of Everybody's party Mr. W. E. Maple, who was secretary and treasurer of a former good roads movement in Lincoln district, made an address which resulted in turning the convention, immediately after its adjournment into a good roads meeting, which it is believed will bring good results. After discussing various methods of organizing into a permanent movement to secure the improvement of the roads of Lincoln district it was decided to call a mass meeting of the people of Farmington end of the district at the auditorium of the Farmington public school Tuesday, December 15, 1914, and to secure one or more speakers of reputation and experience to address the meeting on the subject of district road improvement. A committee of the following gentlemen was appointed to thoroughly advertise the meeting and secure the largest possible attendance: J. E. Pigott, T. J. Downs, L. C. Snyder, Jno. E. Wells, Jno. A. Beck, G. N. Straight, A. V. Lynch. Each member of the committee was assigned special territory to cover with advertisements of the meeting.

A number of men prominent with the improvement in Mannington and Fairmont districts are expected to attend the meeting and lend their experience to the furtherance of the movement, which is of the greatest interest, not only to Lincoln district, but to the county and even the entire state of West Virginia, as it is another advance in a movement which will finally cover the state with the finest roads in the world.

It is the intention at the meeting on the 15th to secure the services of sent this end of the district, and when this is done a similar movement will be instituted at Worthington and the two committees united into one central committee to proceed with the necessary arrangements to put the matter before the people at the earliest possible date.

While the people foremost in the movement at Worthington have not been interviewed concerning the matter, it is assumed that an equal interest will be shown in that end of the district and that there will be no delay in pushing the organization and improving the roads of the district.

UNPREPARED FOR MOST POWERFUL NAVY.

By Associated Press.] WASHINGTON, Dec. 9.—Rear Admiral Fletcher, commander of the Atlantic fleet, impressively told the House naval committee today that the United States navy is unprepared to cope with the most powerful navy in the world. He mentioned no country. "You can safely say," he testified, "that we are not prepared for the worst emergency that might arise to protect ourselves from the greatest force available. We would have to greatly enlarge our fleet to protect American interests against all possible combinations against us or to control the ocean we would have to take the offensive when we have a strong enough fleet."
