

PLAYGROUND SEASON ENDS SUCCESSFULLY

Rain Stopped Finals in Closing Program at Loop Park.

PLAN ANNUAL SUPPER

Proceeds From Wednesday Evening at Roush House Go to Playgrounds.

A heavy rain storm which came up Saturday evening at about 5:20 o'clock put a stop to the finals in the closing day events of the Fairmont Playgrounds at Loop Park and forced the children, their instructors and a large crowd of spectators to seek shelter.

The time of the two halves was divided as follows: The first events to begin at 1:45 closing at five o'clock. Lunch was then to be served to the children and the second half to begin at six o'clock and close at 7:45.

Ideal weather featured the first half of day's events which were fast and interesting. Starter Walter Jones started off the events on schedule time and kept things to a high pitch of interest and excitement during the afternoon. Many of track events were unusually fast and extra time was needed for some of the events.

The 25 yard backward race for girls had 39 entrants. In the first race Carlene Stealey and Ruth Bosserman were tied for first place and Helen Sapp second. For the final Carlene Stealey won over Ruth Bosserman with about one and one-half feet to spare.

The summary follows: 50 yard dash, boys under 12 years—Won by Ruth Bosserman, Loop Park. Mary Aikens, East Side, second. Time 8 seconds.

50 yard dash, girls, 13-16 years old—Won by William Forney, Loop Park; Helen Sapp, East Side, second. Time 3 3/4 seconds.

25 yard backward race, won by Carlene Stealey, Loop Park; Ruth Bosserman, second. Time 6 seconds.

Basketball goal throwing—Won by Lucille Lough, Loop Park; Verdie Manning, Loop Park, second. First score, 3 out of 5 trials. Finals, 1 out of 5 trials.

50 yard dash, boys under 12 years—Won by Frederick Daugherty, East Side; Edwin Hough, Loop Park, second. Time 8 seconds.

75 yard dash, boys, 13-16 years—Won by Arthur Jobs, Loop Park; Ernest Smith, Loop Park, second. Time 1 1/4 seconds.

Running broad jump, boys under 12 years—Won by Edwin Hough, Loop Park; Robert Crowl, second. Distance, 18 feet, 1/4 inch.

Running broad jump, boys 13-16 years—Won by Roy Yost, Loop Park; Arthur Jobs, Loop Park, second. Distance, 14 feet 9 1/2 inches.

Running high jump, boys under 12 years—Won by Frederick Daugherty, East Side; Robert Crowl, Loop Park, second. Height, 3 feet 8 inches.

FUNERAL OF MRS. BARNES HELD TODAY

(Continued from page 1.)

mind remaining active almost to the last.

Mrs. Barnes was possessed of a kind and loving disposition and was greatly loved and respected in this community, where she was known to a large circle of friends as Aunt Clara. She was the daughter of the late Dr. William Hupp Eyster and Mary Katherine Eyster, pioneer settlers of Middletown, Va., now Fairmont. She was born on April 16, 1831, at Strawsburg, Va., and came to this section when a girl of fifteen and has resided here during the remainder of her life. She was one of eight children, two of whom, Laura and Lucy, died in infancy. Her father died in the year 1866 and her mother in 1854. The other children have all lived to advanced ages, the youngest now living being 63.

No death has occurred in this family in fifty years, the family ties not having been broken since the father of Mrs. Barnes died. The surviving members of her immediate family are her sisters, Mrs. Margaret Granger, Mrs. Mary Virginia Sands, of this city; Mrs. Anne E. Senseny, of Chicago; Dr. Hupp Eyster, of Lon Mountain, Va., formerly of Baltimore, and Mr. Charles C. Eyster, of Iowa, Michigan.

In the year 1850, on May 21, took place the marriage of Miss Clara Eyster and Newton S. Barnes. The ceremony was performed in the Gould house in Madison street, now occupied by Mr. and Mrs. Harry F. Smith. The property was at that time owned by Dr. Eyster. After their marriage they took up their residence in the brick residence on Main street, which property was presented to them by Mr. Thomas Barnes, father of Mr. Newton Barnes. On May 21, 1900, Mr. and Mrs. Barnes celebrated their wedding anniversary and less than a year and a half ago, on September 24, 1901, Mr. Barnes died. He also was a member of one of the pioneer families of this section.

A few years ago, in 1911, the Barnes family erected the residence on Fairmont avenue which they have since occupied. Mrs. Barnes resided in the Barnes residence on upper Main street for a period of 61 years and many of the residents of this city will recall with pleasure the hospitality which was always extended from this home, numerous gatherings of a social nature featuring the life of this family while residents of this house.

Mr. and Mrs. Barnes were the parents of seven children, five daughters and two sons. Two children, Willie McClelland and Mary Emma, died in their youth. The surviving children are Mrs. Rosalie Fleming, Mrs. Jennie L. McCleary, Mrs. Maggie E. Reger, Mrs. Carrie E. Fleming, wife of A. Howard Fleming, and Glenn F. Barnes, cashier of the National Bank of Fairmont, all residents of this city. Three grandchildren, Mrs. M. E. Ashcraft, Marshall Fleming and Arlington Fleming, and two great grandchildren, Misses Janice Roscoe and Mildred Louise Fleming, daughters of Mr. and Mrs. Marshall Fleming, also survive.

Mrs. Barnes had been a consistent member of the M. P. Temple for a period of 60 years and had always been prominently identified with the work of this church as well as other religious and charitable organizations. The funeral took place this afternoon at 3:30 o'clock from the family residence on Fairmont avenue. Impressive services were conducted by her pastor, Dr. J. C. Broomfield. Dr. Broomfield, in his remarks paid a loving tribute to the life and character of the deceased.

A select quartette composed of Dr. C. H. Neill, Miss Nelle V. Layman, Dr. Carter L. Fleming and Lamar Satterfield, sang effectively "Crossing the Bar," "Abide With Me," and "Some Time We Will Understand." A large number of floral tributes testified to the love and esteem in which Aunt Clara was held by her friends and relatives.

Following the services the body was conveyed to Woodlawn cemetery, where it was laid to rest beside the husband who passed away a number of years ago. The pallbearers were Messrs. Earl H. Smith, C. E. Smith, George Amos, W. S. Hamilton, Frank E. Nichols and Harry F. Smith. Undertaker R. L. Cunningham had charge of the interment.

W. C. T. U. Convention—The County convention of the W. C. T. U. will be held Tuesday at the First Baptist church. There will be an all day session beginning promptly at nine a. m. All unions in the county will be represented at the convention and a most interesting program will be carried out.

MRS. MARTIN CADY DIES AT WATSON

Was Born in Ireland 80 Years Ago—Crossed on Sailing Vessel.

Mrs. Catherin Cady, aged 80, wife of the late Martin Cady, died at her home at Watson on Saturday evening at the age of 80 years. The immediate cause of her death was a fall which she sustained several weeks ago while in her yard at Watson, from the effects of which she did not recover. On June 29 while taking a walk around the house where she resided she had the misfortune to fall sustaining a fractured hip. She was brought to Cook hospital where for a time she seemed to improve, however, the improvement was only temporary and she was taken recently to her home where she continued to grow weaker until she passed away on Saturday.

Mrs. Cady was born in the year 1836, near Galway, Ireland, and was a daughter of Mr. and Mrs. Thomas Burke. Following the death of her father at the age of forty years, the family continued to reside on the Emerald Isle, until the oldest son, John Burke, grew to manhood when the latter came to the United States settling in Philadelphia. Later he brought his mother and sisters and brothers to this country where they have since resided.

Mrs. Cady came to this country at the age of 16 years in a sailing vessel. She resided for a time in Baltimore. In the year 1860 she married Mr. Martin Cady, of Washington. Six children were born to this union, only one of whom, Thomas Cady, survives. Mr. Thomas Cady resided with his mother at Watson and the two were the most devoted companions. Mr. Cady conducts a confectionery store near his residence at Watson. After residing in Washington for a number of years they came to this state, first residing at Webster, later in Clarksburg, and in the year 1884 they came to Fairmont and have resided in this vicinity ever since.

The funeral will take place on Tuesday morning at Clarksburg. The funeral party will leave Watson at eight o'clock on a special interurban car and upon their arrival at Clarksburg, the body will be taken to the church of the Immaculate Conception where high requiem mass will be celebrated. Interment will be made in the Holy Cross cemetery there with Undertakers Carpenter and Ford in charge.

World Wide Guild Speaker—Miss Bertha Zinn of Phillipi, W. Va., state director of the World Wide Guild of the Baptist Church will speak at eight o'clock on a special interurban car and upon their arrival at Clarksburg, the body will be taken to the church of the Immaculate Conception where high requiem mass will be celebrated. Interment will be made in the Holy Cross cemetery there with Undertakers Carpenter and Ford in charge.

Mrs. D. C. Galliher, of Charleston, arrived here a few days ago and is the guest of her daughter, Mrs. W. D. Stokely.

SUTHERLAND HAS

(Continued from page 1)

to any foreign ship that refuses to accept cargo from any shipper in this country, whether he or his firm is on the English blacklist or not, but it hardly meets the conditions of affairs which exist. For one thing, but that might be easily remedied, its penalties are light. The proposal which Mr. Sutherland has in mind to make will more adequately meet the situation which has arisen and will provide the stiffest kind of penalties, even going to the extent in certain cases of confiscating offending vessels.

Mr. Sutherland's investigation has disclosed the fact—which the nations responsible for blacklisting doubtless knew before they put it into operation—that there isn't a statute in existence which enables the executive department of the government to meet and cope with a situation of this kind. The necessity for such a law, and the urgency of its enactment without delay, has dawned on other members of Congress with the startling abruptness it struck the West Virginia member. Sutherland expects to act on the matter at once.

The Sutherland resolution in full is as follows: Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That from and after the passage of this resolution, and during the existence of a war to which the United States is not a party, and in order to protect the commerce of the United States, the President be, and hereby is authorized, directed and empowered to direct any collector of customs to refuse a clearance to any vessel or other vehicle laden with merchandise destined for a foreign or domestic port whenever he shall have satisfactory reason to believe that the master, owner, or other officer of such vessel or other vehicle refuses or declines to accept or receive freight or cargo tendered for such port of destination or for some intermediate port of call, together with the proper freight or transportation charges therefor, from any port of the United States, unless the same is so declined or refused because such vessel or other vehicle is fully laden and has no space accommodations for the freight or cargo so tendered, due regard being had for the proper loading of such vessel or vehicle.

Sec. 2. That in case any such vessel shall depart or attempt to depart from the jurisdiction of the United States without clearance the owner or master or person or persons having charge or command of such vessel shall severally be liable to a fine of not more than \$10,000 or to imprisonment not to exceed two years, or both.

Sec. 3. That the President of the United States be, and he is hereby authorized and empowered to employ such part of the land or naval forces of the United States as shall be necessary to carry out the purposes of this resolution.

Sec. 4. That the provisions of this resolution shall be deemed to extend to all land and water, continental or insular, within the jurisdiction of the United States.

Chairman Alexander, of the House committee on merchant marine and fisheries, thinks highly of the Sutherland proposal and promised to have the committee take it up for consideration today.

Many Attended Arnett Re-union

C. M. Arnett, of Fairmont, was elected president of the Arnett Family association at their annual re-union and picnic held yesterday at Georgetown in Monongalia county, and Edgar Arnett, of Arnettsville, secretary. Friends and relatives of the family gathered from nearby counties and parts of Pennsylvania until it was thought that more than two thousand were present during the afternoon to hear the addresses of ex-Governor William E. Glasscock of Morgantown, Rev. Thomas Meredith, of Fairmont, and Rev. Chapman, of the Arnettsville M. E. church.

Most of the family members came early and brought baskets enjoying a picnic dinner in the grove. The speeches were made from a platform facing a great number of benches in an open amphitheatre and musical numbers made the program enjoyable by everyone.

BRIEF TELEGRAMS

ROME—The Italian government through the Swiss government has declared that it considers itself from August 28 at war with Germany.

PHILADELPHIA—Ex-Gov. Pennypacker is critically ill at his home in Montgomery county of uremic poisoning.

BERLIN—A telegram from Rotterdam says the British government has announced to the Dutch government that from the middle of August all British merchant ships are being armed.

BERLIN—The Cologne Gazette says the German merchant submarine Bremen is on her way to the United States with a cargo of dyes. This is the first statement made here regarding the activities of the Bremen and refutes the British claim that the submarine was captured.

Peace—then what?

Reconstruction, of course! When the great war is over, shattered Europe must be rebuilt. Mediaeval architecture, crumbled by cannon, will be replaced by well-lighted, well-ventilated, convenient and sanitary buildings of the present day. In this tremendous rebuilding,

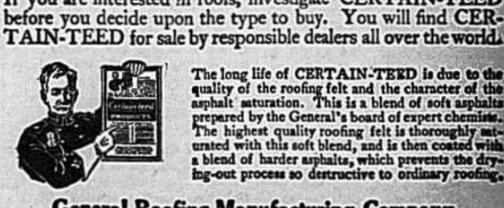

Certain-teed Roofing

will play a leading role; for CERTAIN-TEED is the twentieth century answer to the demand for roofing that is economical to buy, easy to lay and inexpensive to maintain.

CERTAIN-TEED Roofing is made in rolls; also in slate-surfaced shingles. There is a type of CERTAIN-TEED for every kind of building, with flat or pitched roof, from the largest sky-scraper down to the smallest residence or out-building.

It makes a clean, sanitary, attractive roof, with a very low cost per year of life. It is guaranteed for 5, 10 or 15 years, according to ply (1, 2 or 3). Experience proves that it outlasts the period of guarantee.

If you are interested in roofs, investigate CERTAIN-TEED before you decide upon the type to buy. You will find CERTAIN-TEED for sale by responsible dealers all over the world.
