

INTERNATIONAL Sunday School Lesson

By W. C. BELLERS, Acting Director of the Sunday School Course of the Moody Bible Institute, Chicago.

LESSON FOR SEPTEMBER 17, PRISONER IN THE CASTLE.

LESSON TEXT—Acts 21. GOLDEN TEXT—He is my refuge and my fortress.—Ps. 91.

Paul was rescued from the mob by the prompt action of Lystra, and was saved from scourging by revealing his Roman citizenship.

Paul was rescued from the mob by the prompt action of Lystra, and was saved from scourging by revealing his Roman citizenship.

Paul seems to pick out three different crises in this rehearsal. (1) His interview with Christ, when he saw Jesus as he really was in his glory, a living risen Savior (Cor. 9:1; 15:8).

A Democrat on Wilson. Hannis Taylor, prominent Democrat, writer on international law, former Minister to Spain, liberal contributor to Mr. Wilson's campaign fund in 1912, and chairman of a great meeting which ratified Mr. Wilson's nomination in that year.

Immediately preparations stopped. The commander was called, and, learning that Paul was a free-born Roman citizen, he had cause to be afraid that he had gone too far.

To assert Roman citizenship falsely was punishable with death. The chief captain told Paul that with a great sum he had obtained his Roman citizenship, but Paul's reply was, "But I am a Roman born."

NEW YORK LETTER.

(From Our Regular Correspondent.)

"We got whipped, and I guess that is all I will say about the Maine election. We got beaten good and plenty."

Maine Aftermath. The one outstanding result in Maine, and it becomes the more evident as more detailed information is received, is that the Progressives have returned to the Republican party in such numbers as to insure the election of Mr. Hughes, of a Republican Senate and a Republican House if the same percentage of return is maintained throughout the country.

Labor Can't Be Bought. The defeat of Daniel J. McHugh, Democratic congressman from the Second district of Maine, is the first opportunity the people, and especially the labor men, have had to express their opinion of Mr. Wilson's course in compelling Congress to enact the Railway Wage Increase bill.

A Democrat on Wilson. Hannis Taylor, prominent Democrat, writer on international law, former Minister to Spain, liberal contributor to Mr. Wilson's campaign fund in 1912, and chairman of a great meeting which ratified Mr. Wilson's nomination in that year.

If it Catches You There 'ANURIC' Will Quickly Stop It! Simply to realize the importance of the oncoming kidney trouble, by its first symptoms, backache or throbs through the kidney region, is money in one's pocket as well as years of sickness forestalled.

INDIAN "DEATH GOD" A WATER JAR!

This hunch-backed "God of Death" was brought to New York from the West Indies by Capt. de Booy, a Dutch explorer. It is an Indian water bottle of pottery made, Capt. de Booy says, long before the days of Christopher Columbus.

will permit of some sort of agreement to be reached at the New London conference which will tide over the Mexican muddle until after the election. Called to New London by the serious illness of his sister, President Wilson called on the Mexicans and told them of his entire confidence in and sympathy with Carranza, of his strong advocacy of those great fundamental principles of the new freedom for which Carranza is striving.

Corns Loosen, Lift Right Off Nothing But "GETS-IT" Will Do This to Corns and Calluses. If you've ever had corns, you've tried lots of things to get rid of them—salves that eat your toes and leave the corn remaining, cotton rings that make your corns bulge out like pop-

eyes, scissors and knives that make corns bleed and sore, harnesses and bandages that fill up your shoe, press on the corn and make your foot feel like a paving block. What's the use? Why not do what millions are doing, take 3 seconds off and apply "GETS-IT." It dries, you put your stocking on right away, and wear your regular shoes. Your corn loosens from the toe, it lifts right off. It's painless. It's the common-sense way, the simplest, easiest, most effective way in the world. It's the national cure. Never fails.

"GETS-IT" is sold and recommended by druggists everywhere, 25c a bottle, or sent on receipt of price, by B. Lawrence & Co., Chicago, Ill. Crane's Drug Store, Mountain City Drug Co., Martin Bros., J. H. McCloskey & Co., and Holt Drug Co.

OH! MY BACK! I suffered for four years with pain in my back. I tried everything there was out but they all failed to help me. I even went to a doctor and he could not cure my backache—said it was in the kidneys, and so I did; I used two boxes and my pains were gone. I am not telling any lies, the pain in my back was something terrible. As soon as I would bend over to get something from the floor I thought my whole back would burst.

SPORT NOTES

In addition to the Robins another bird who has been useful to Col. Robinson this year is Poll Peritt. The average athlete who thinks he is coming back is usually going back.

John McGraw's Giants might stand a swell chance of losing another world series if the present campaign extended to December 1. There are two kinds of iron men—those the ticket scalpers shanghai and those who pitch double-headed!

Cincinnati is the scene of the annual Lemon Pickers' convention. Technically the popwow is known as the drafting season. See where the National commission has put a stop to the selling of tickets to the world series games at Boston. Such measures will never be compulsory in Cincinnati.
