**Murphy Concert to Be Important Event**

Lambert Murphy, formerly of the Metropolitan Opera company, who comes to the Grand Opera House next Thursday, October 19, is an American born and American trained tenor.

While at Harvard his voice attracted no little attention and he was in great demand at all college musicales. The Metropolitan Opera company—the ambition of every singer—heard of him and engaged him where he stayed until 1911. Mr. Murphy left the Metropolitan force to engage in concert work and has sung return engagements in New York, Philadelphia, Boston, Buffalo, Albany, Columbus and as far west as Omaha. Press notices in these cities say his style is perfectly finished and his tone and diction cannot be equaled.

The organization that presented Helen Keller to Fairmont—the Business Men's Bible Class of the Presbyterian church, is bringing Mr. Murphy. The high standard of Miss Keller will in no way be lowered in Mr. Murphy. His program will consist of several high-class operatic arias as well as many of the popular old songs.

**If it Catches You There 'ANURIC' Will Quickly Stop It!**

Simply to realize the importance of the oncoming kidney trouble, by its first symptoms, backache or throbs through the kidney region, is money in one's pocket as well as years of sickness forestalled. No organ of the body is more easily deranged than the kidneys. Day in and day out their action is constant, in separating poisonous matter from the blood. Most cases of kidney trouble may easily be overcome by merely taking a little "Anuric" with the meals. Citizens daily voice their praises of the merits of "Anuric," the recent discovery of Doctor Pierce, of "Favorite Prescription" and "Golden Medical Discovery" fame. Here is a letter from Mr. WALTER CARLSON, who says: "I suffered for four years with pain in my back. I tried everything there was out but they all failed to help me. I even went to a doctor and he could not cure my backache—said it was from the kidneys. A friend of mine advised me to try a box of Dr. Pierce's Anuric Tablets, and so I did; I used two boxes and my pains were gone. I am not telling any lie, the pain in my back was something terrible. As soon as I would bend over to get something from the floor I thought my whole back would burst. "I would advise sufferers to try two or three boxes of 'Anuric' Tablets."

**NOTE:**—Experiments at Dr. Pierce's Hospital for several years proved that "Anuric" is 37 times more potent than lithia in removing uric acid from the system, as hot water melts sugar.

Just ask for "Anuric" at druggists, or send Dr. Pierce 20c. for trial package.
