## BITS OF STATE NEWS

The biggest consignment of honey ever shipped out of the Eastern Panhandle, was loaded at Bunker Hill by Oscar See, well-known jobbing grocer of North Queen street, Martinsburg. The total amount loaded was approximately 11,000 pounds and the value about \$1,400. Of this 4,700 pounds by A. R. Carter, of Wadsworth, Va., and the balance by Berkeley county bee fanciers—3,620 by O. B. LeFevre, and the balance by W. A. Thatcher, O. A. Weidman and H. B. Cline. The honey was shipped to a western town in the gas and oil belt of this state, according to the Martinsburg World.

H. J. Lilly, a former merchant of Beckley, who runs a store at Flat Top, sent to the Beckley market last week a wagon load of chestnuts. Mr. Lilly buys up the chestnuts at Flat Top and hauls them to market. He sent in the week before over seven bushels and last week his wagon was at Beckley, having sold 13 bushels on this trip. The nuts average \$4.00 per bushel wholesale, and \$6.40 retail.

According to the Buckhannon Delta Miss Emma Casto, one of the best business women of the county, brought several bushels of very fine roasting ears to town Saturday. The husks on the corn were as green as if there had not been a frost this year. We fall to see how they escaped the frost but they did. Miss Casto is a maiden lady who lived with her father on a farm in Warren district, but her father died several years ago and Miss Emma has run the farm ever since. Some years ago she took two small orphan girls that had no home and had furnished them a good home, and they are now young women. Miss Emma has always appeared to think as much of them and take as much pains with their training as if they were her own daughters.

A lodge of B'nai B'rith, an international organization for the promotion of benevolence, patriotism and self-respect among Jewish people, has been organized in Charleston, and forty men were given the initiatory degrees of the order at the Elks Club Sunday afternoon. The lodge already has a membership of seventy, and this is expected to be increased to include all the Jews in the capital city.

Walter Benjamin Meiller, aged 33, the phenomenal indoor walker of Huntington recently walked from Marietta, O., to Parkersburg, a distance of 13 miles in 2 hours 40 minutes. Meiller, who is a Frenchman, has made a remarkable record during his short career. He has participated in sixty-one matches, winning of this grand total fifty-two—three were tied, with eight defeats. Just before the kickoff at the Marietta West high school, at Marietta, last Saturday Meiller gave a very graceful and clever exhibition of his skill in that branch of sport that has made him famous.

J. Frank Marsh, secretary of the West Virginia board of regents, has returned to Charleston from a trip through the southern part of the state, where he has been visiting the schools of that section. One of the schools visited by Prof. Marsh while on his trip was the Columbus normal school. This school has just moved into the new addition recently erected which almost doubles its capacity. The part recently erected consists of a new auditorium, library, reading room, manual training shops and laboratories.

W. A. Hersh, president of The United Woolen Mills Co., which has headquarters in Parkersburg, and branch stores in many West Virginia, Ohio and Kentucky cities, has closed a deal for his concern involving the purchase of a four-story building in the heart of the business district of Charleston, the property being located at 206 Capitol street, diagonally across from the new postoffice building, three doors above Quarrier street. The purchase price was \$60,000. The building purchased is a solid stone structure, twenty-five foot frontage and one hundred and twenty-six feet deep. It is now occupied by the Goshorne Hardware Co. The United Woolen Mills Co., now occupies a building in Charleston, owned by the Capital Realty company which is to be torn down early in 1917 to make way for a new skyscraper and for that reason was obliged to seek new quarters with the above result.

Put some new blood in the county government and stop the favoritism. Elect Republican candidates.

## SYRUP OF FIGS FOR CROSS, SICK FEVERISH CHILD

IF LITTLE STOMACH IS SOUR, LIVER TORMID OR BOWELS CLOGGED.

Mothers can rest easy after giving "California Syrup of Figs," because in a few hours the clogged-up waste sour bile and fermenting food gently moves out of the bowels, and you have a well-played child again. Children simply won't take time from play to empty their bowels, and they become tightly packed, liver gets sluggish and stomach disordered. When cross, feverish, restless, see if tongue is coated, then give this delicious "fruit laxative." Children love it, and it can cause no injury. No difference what ails your little one— if full of cold, or a sore throat, diarrhoea, stomach ache, bad breath, remember, a gentle "inside cleansing" should always be the first treatment given. Full directions for babies, children of all ages and grown-ups are printed on each bottle. Beware of counterfeit fig syrups. Ask your druggist for a fifty cent bottle of "California Syrup of Figs" then look carefully and see that it is made by the "California Fig Syrup Company." We make no smaller size. Hand back with contempt any other fig syrup.

## NEW MOSQUE OPENED BY SYRIA TEMPLE

### Pittsburgh Shriners are Keeping Open House all This Week.

(By Associated Press) PITTSBURGH, Oct. 23. — The new mosque of Syria Temple, Nobles of the Mystic Shrine, just completed at a cost of \$750,000, was opened here today with ceremonies which will continue throughout the week. Many high dignitaries of the order are here to participate in the dedication, including Henry F. Neidringhaus of St. Louis, Imperial Potentate and other members of the Imperial Divan, the supreme body in North America. The ceremonies on the opening day were attended only by members of the temple and their wives. The big building was thrown open for their inspection and they were formally presented to the visiting Masons. A musical program for both afternoon and evening was arranged. Tomorrow Master Masons of the county have been invited to visit the mosque and on the day following, the general public will be admitted. Ceremonies in connection with the formal transfer of the building by the Syria Improvement Association to the Nobles of Syria Temple will take place on Thursday. Horace W. Cromer, acting Potentate Noble will receive the building and respond on behalf of the membership. The session will be practically continuous from 10 o'clock in the morning until the close of the evening ceremonial when a class of between 500 and 600 candidates for the Shrine degree will cross the burning sands and be admitted to the mysteries of the temple. A ball will be given on Friday evening and on Saturday an entertainment for children which will include a grand march, tableau and motion pictures has been arranged. The new building has attracted much attention throughout the tri-state territory and many Shriners from Western Pennsylvania, Eastern Ohio and Northern West Virginia will attend the ceremonies. Among the members of the Imperial Divan present are: Charles E. Ovenshire, of Minneapolis, Minn., imperial deputy potentate; E. J. Jacoby, of Indianapolis, Ind., imperial chief rabbi; W. Freeland Kenrick, of Philadelphia, Pa., imperial assistant rabbi; William S. Brown, of Pittsburgh, imperial treasurer; Ernest A. Curtis, Savannah, Ga., imperial guide; James S. McCants, of Honolulu, imperial first ceremonial master; John T. Jones, Oklahoma City, Okla., imperial ceremonial master; Conrad V. Dykeman, Brooklyn, N. Y., imperial marshal and James E. Chandler, Kansas City, imperial captain of the guard.

## MONONGAH

Pile Driver Here

Yesterday afternoon the B. and O. had their big pile driver helping in the construction of the new bridge over the Booths Creek. The large stakes, over seventy feet in length, were driven by a force of two tons of falling through a distance of forty feet. All day many local people stood around the bridge watching the operation of the driver.

Odors! Strange mysterious odors, pleasing aromatic odors, acid disagreeable nauseating odors, haunting tempting undefinable odors, odors that greet on an old friend whom you just can't call my name, and others that are like nothing in all the world that one has ever smelled before. All these blended into sweetish medicine shop aroma greet the visitor at the storage rooms of the Uprock Manufacturing company in the old Normal school. Herbs, medicinal roots, all manner of chemicals, are stored in the room, where they will eventually be turned into stogie food cattle powder, hose extermiator and sundry other pleasant things.

A number of men were taken on at the plant of the Monongah Glass company last week, relieving the scarcity of men there. There are positions open for men in practically all departments however and the company is yet in need of skilled glass men.

Five stripping machines, able to do the work of fifteen to twenty girls, arrived at the plant of the Hutchinson Cigar company the latter part of last week and were immediately set up and placed in operation. With the stripping machine came a bunching machine, which takes the filler for the cheaper grade of stogies and puts it in condition for the wrapper. The new machinery will increase the capacity of the plant at least 25 per cent.

Alstetter & Wooters, mining engineers, have prepared plans for the plant. The plan will be a modern one in equipment, and will be the second in the district, the first having been located at Townsend, near Areola.

## Hope Almost Abandoned When She Found Remedy

### DR. CALDWELL'S SYRUP PEPsin RELIEVES CHRONIC CASE OF LONG STANDING.

After a long period of suffering with liver and bowel trouble that brought on piles, during which she had tried many remedies, without obtaining relief, Mrs. Mary J. Jewell, of Berrien Springs, Mich., heard of Dr. Caldwell's Syrup Pepsin and obtained a bottle from her druggist. This simple, inexpensive laxative compound brought almost instant relief and Mrs. Jewell wrote to Dr. Caldwell about her case. In her letter, Mrs. Jewell says, "I had tried so many things for piles, without being helped at all. I had almost given up hope of ever being any better. I knew it was the condition of my bowels that caused them, and after having taken a bottle of your Syrup Pepsin I knew just what the medicine I needed. I am very grateful to you for sending me the little book—the advice and instructions it gives would teach any one how to get well and how to keep well."

Dr. Caldwell's Syrup Pepsin is a combination of soluble laxative herbs with pepsin, free from opiate or narcotic drug and is a gentle in its action, bringing relief in an easy,

natural way, without griping or other pain or discomfort. The druggists everywhere sell Dr. Caldwell's Syrup Pepsin for fifty cents a bottle. To avoid imitations and ineffective substitutes be sure you get Dr. Caldwell's Syrup Pepsin. See that a facsimile of Dr. Caldwell's signature and his portrait appear on the yellow carton in which the bottle is packed. A trial bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 455 Washington St., Monticello, Illinois.
