BY CHARLES B. DRISCOLL

Why is the chill wind sighing  
As autumn days are dying,  
And anxious kids are crying,  
"Let 'em go!"  
Why are the winds intoning  
A dirge for fall, and moaning,  
While all the boys are groaning  
For the snow?

Perhaps the year, weary  
Of autumn evenings dreary,  
Already's getting leery  
Of the cold.  
Forward the kids are peering,  
As winter time is nearing;  
While Age alone is hearing  
Church bells toll!

## HONOR SIGNS FOR AUTOMOBILISTS HAVEN'T "DELIVERED THE GOODS"

### MOTORISTS ATTENTION! YOU ARE ON YOUR HONOR PRESNO COUNTY HAS NO SPEED COPS DRIVE SO THEY WILL NOT BE NEEDED SPEED LIMIT 30 MILES PER HOUR — Board of Supervisors

Gigantic "Honor" sign displayed in Fresno county, California.

FRESNO, Cal., October 26—Are motorists without honor when it comes to breaking traffic laws?

Fresno county, California, has just about decided that at least many of the motorists are. The county has discarded the honor system and has gone back to the old system of nabbing speeders and fining them. With the paved highway between Los Angeles and San Francisco running through the

county, the harvest of the speed cop is rich.

"You Are on Your Honor in Fresno County," said two enormous big signs at the entrance to the county, placed there two years ago at the request of motor car dealers, who declared that the speed cop system used in other counties tended to give these counties a "black eye" among motorists. The motor car dealers volunteered to act as speed cops to nab those who had no honor. Often the dealers them-

selves would be lawbreakers, testing out their new cars on the highway at speeds of 40, 50 or 60 miles an hour.

Other motorists showed that they had no honor, and the county supervisors reluctantly had to go back to the speed cop system. Now the speed cop rules.

However, there are still many in the county who still have faith in human nature, and a movement has been started to restore the honor sign system.

## BROADDUS IS NEXT ON NORMAL CARD

Game Will Be Played at Phillipi Saturday, October 28.

When the Normal football team lines up against Broaddus college at Phillipi next Saturday, it will be a fifty per cent. stronger team than has worn the red and black this year. Coach Bell has been working on the line for the past week with results which he believes will make the Nor-

mal boys winner in all their remaining games.

The backfield has made a great improvement as has the line, better team work being the biggest thing secured. Normal anticipates no trouble in winning Saturday's game by a large score. Saturday, November 4, the Normal meets California Normal at South Side park. It is likely that this game will be one of the most evenly matched of any of the Normal contests this year.

## M'CLAUSLAND MAKES APPEAL

CHARLESTON, W. Va., Oct. 25.—Samuel McClausland, of Mason county, son of Gen. John C. McClausland, a famous Confederate officer during the Civil war, has presented a petition to the Supreme Court of Appeals of West Virginia from a verdict of the Circuit Court of Mason county, finding him guilty of manslaughter for the killing of George Jeffers, a laborer on the McClausland farm, last summer. A writ of error is sought.

## High School Plays State Champs Sat.

Stiff fast practice was run through last night by the High school eleven, hardening them up for a banging, battering attack and tough resistance in the game with Buckhannon Saturday. Last year's high school champions are coming to Fairmont with a double determination to take the Fairmont scalp. Since Fairmont easily defeated Mannington last Saturday the Buckhannon warriors are a little scared and Fairmont is expecting to wade right through them.

Vote to break up the partnership between bootlegging and the law. Vote for the Republican county ticket.

## SPORT NOTES

Miller Huggins has been given permission to trade any player on his team. He might be able to get a few broken bats in exchange.

Cap Anson has taken up golf. But he isn't hitting over 300.

The yellow peril has bobbed up again. There's a Chinese player on

the California university football team.

The Old Ivory. Cleveland football player sticks his head in an elevator shaft. Scalp bruised, skull not injured.

Co-eds are asked to boycott Illinois Normal gridders. Naughty, naughty.

Nate Lewis, Charley White's manager, is sick. A hundred on a second nose in a Chicago race is the reason.

Tener wants to raise the 21 player

limit. If they've got to be as bad as the Cincinnati crew, 21 will be enough.

Reason defeats King (headline). No, wasn't a revolution, just a billiard match.

Minneapolis boxing promoter would give bonuses to fighters scoring knockouts. He automatically bars Freddie Welsh.

Extra. Frank Marshall, of Philadelphia, will play 150 chess games simultaneously. Pretty soft for the other 150 guys.

## A Sensible Cigarette

More men are now smoking SENSIBLY—

MEN ARE willing to think a little more carefully today even about the cigarette they choose.

That is good sense. For if an otherwise good cigarette is unfortunate in its blend—if it disturbs after continued smoking—it is not worth while.

The one reason why Fatimas appeal strongly to so many thinking men is that they do not disturb. Fatimas are truly comfortable—comfortable to throat as well as tongue. And they always leave a man feeling fine and "fit" even after a long-smoking day.
