

TENNIS COURTS FOR NORMAL STUDENTS

Serious Attention Will be Given to This Game Hereafter.

Grounds were broken yesterday for the three tennis courts that are to be constructed on the campus behind the new Normal school building. As the ground is practically level, little grading will be necessary, most of the work being in smoothing the surface and adding the finishing touches. The courts will be completed within two or three days, ready for active work at the beginning of next week. Besides the three courts on the school campus, the tennis manager, Miss Florence Richardson, is planning to lease the Riggs' courts on Third street.

This is the first year that tennis has been installed at the Normal and from present indications it is evident that it will be, in the future, ranked with football, basketball and other prominent forms of sports. As the season progresses class teams will be organized as well as a team to represent the school. In order that each of the 350 students may have an opportunity to play the game, a special schedule will be drawn up, specifying the exact time that each student can play. In the past the large number of girls enrolled in the school who pay the same athletic fee as the boys have been getting practically no benefits from the athletic department of the school. The installation of tennis is expected to counteract this difficulty, giving the girls a chance to engage in athletics. The girls are very enthusiastic over the game and will make a strong showing with the opening of the new courts.

CHANGES MADE IN GUARD ASSIGNMENTS

Captain Mason Relieves Captain Wilson With First Regiment.

CHARLESTON, W. Va., April 26.—General order No. 14, issued from the office of Adjt.-Gen. John C. Bond, affects the military service in West Virginia with reference to commissioned officers. By it a section of a former order relating to the resignation of Maj. Harry W. Keatley is revoked, and Major Keatley later will be assigned to duty with the medical corps, Second Infantry. Another order affecting the resignations of Capt. George M. Ford is revoked. The discharge of Capt. Marshall E. Martin for physical disability is made to date April 6, 1917.

Capt. Gustavus H. Wilson is relieved from the Quartermaster's Corps, subject to approval by the department commander, and is assigned to duty with the First Infantry, vice Martin, discharged, and Capt. John W. Mason, Jr., relieved from duty with the First Infantry by a former order, is assigned to duty with the Quartermaster's department, vice Wilson, transferred. The commission of First Lieutenant Hallock W. Scott, Second Infantry, is made to date from May 24, 1910. Private Carl W. Shetterly, headquarters company, First Infantry, is honorably discharged to accept a commission, and pending the examination he is assigned to duty with the First Infantry with the rank of first lieutenant, dating from April 12.

Only One Old Jewish Fast. One fast only was appointed by the old Jewish law, that on the day of Atonement. No other periodical fast is mentioned in the Old Testament except in Zechariah 7:3-7, and 8:19. The number of annual fasts in the present Jewish calendar have been multiplied to 25.

WALLIE PIPP, YANKEE SLUGGER, FIT TEAM MATE TO BAKER

Wallie Pipp, one of the hardest hitters in the American league, is a fit mate to Home Run Baker on Bill Donovan's swat producing ball club. More than 6 feet tall with unusually long arms, Pipp gets a terrific wallop at the ball and last year led the league in home runs.

He has already started off well this season and may be expected to be one of the leaders in extra base clouts this season.

Pipp's reach also enables him to take care of first base in great shape and he promises to be one of the leading initial sackers of the circuit this year.

BROADDUS NEXT ON NORMAL SCHEDULE

Local Boys Expect to Take the Game to be Played Tomorrow.

The members of the Normal Baseball team will leave on the 7:10 train for Philippi tomorrow morning where in the afternoon they will play the Broadbus college nine. A good fast practice was held at South Side Park this afternoon. The entire team is showing a marked improvement in both fielding and batting. Thus far the Normal has played some of the best teams on her schedule and has managed to win but one game with three defeats. With several teams scheduled for the next two weeks the local boys are expected to even up the victories and defeats. The Normal will be represented on the mound by Bennett, a six foot south paw. Bennett was put into the W. V. U.-Normal game Saturday in the 8th inning and held the down river boys the remaining two innings without a hit. The Normal should have easy sailing according to baseball dope. Broadbus was defeated by Bethany Tuesday by a 27 to 3 score while the Normal held the same team to a 6-0 count.

MONONGAH

Attended Funeral. Mrs. Edwin Hall, of Brookdale, attended the funeral of her son-in-law, Robert Allen, of Fairmont, yesterday afternoon. Mr. Allen lived in Monongah several years ago and has many local friends who were grieved to learn of his sudden death.

Annual Banquet. The annual banquet for the Acme Literary society will be held in the Consolidation Coal company office building on Tuesday evening of next week. The banquet which is an annual event, is always considered the biggest Acme event of the year and is always attended by all members. A committee consisting of James Mike, Graco Yeak and Raymond Salvati has been appointed to work out plans for the occasion.

To Get Diplomas. Monongah is again fortunate in getting the commencement exercises for Grant district, which will be held at the Coliseum building tomorrow evening. Twenty-three pupils will be handed certificates, nine of which graduated from the local school. The commencement exercises are always attended by all the parents and many friends. Special speakers and a special program has been planned in order that the exercises this year will surpass those of any other time previous.

Personals. Junior Orr was among the social visitors to Fairmont during the week. Mrs. Oscar Wilt, of Clarksburg, was in Monongah yesterday afternoon attending to spring shopping. Leo Salvati attended the Cadman lecture at the First M. E. church in Fairmont yesterday evening. Mrs. Beulah Bennett and daughter, Esther, of Chiefton, were calling on friends in Monongah yesterday. Mrs. Hen Sanders, of Killam, was in town yesterday afternoon calling on friends and relatives. J. Schuler, of Baltimore, Md., was in Monongah Wednesday morning at a business transaction. Joe Farrell, of Chiefton, was among the mid-week visitors to Monongah Wednesday evening. Mrs. J. Barnhart, of Grant Town, was in town yesterday attending to business and visiting her father, Jake Fletcher. Mrs. Flora Satterfield, of Chiefton, was in Monongah during the week calling on friends and attending to spring shopping.

STEAL FOOD, LEAVE MONEY UNIONTOWN, Pa., April 26.—Burglars who forced an entrance into the grocery store of G. W. and M. G. Umbel last night left untouched the money in two cash registers, which they had broken open, but took a 50-pound sack of flour.

WONDERFUL LIONS WITH SPARKS SHOW

Huge Beasts Have Been Trained to Do Many Things.

There are some wonderful lions with The Sparks World's Famous Shows that will exhibit here Thursday, May 3 at the South Side park. They are not only of amazing size and beauty but they have been trained to do some of the most thrilling acts ever presented to an audience. Herr Fritz Brunner, the world's greatest lion tamer, was born and raised in the jungles of equatorial Africa, and from childhood was accustomed to hear the roars of the man-eating kings of the forests that prowled about his cabin at night. His father once captured some lion cubs which he trained to aid him in his hunting expeditions. Thus reared the boy naturally became a lion tamer and hunter. Selecting some cubs of the largest species known, he reared them and educated them to perform feats that would illustrate the amazing strength and agility of these beasts. During the performance of the Sparks Shows a group of these monster animals will be turned loose in the great steel enclosure in full view of the audience. Herr Brunner will enter this enclosure, unarmed, and put these lions through some astonishing performances. It is the most thrilling act of the kind ever seen and will never be forgotten by the beholder.

Like every other act and feature presented with The Sparks Shows it is far away from and superior to anything of the kind ever seen before. There are numerous other trained animal acts in which tigers, leopards, hyenas, tremendous elephants, etc., will obey the commands of their fearless masters.

Bethany Was Easy For Wesleyan Nine

BUCKHANNON, April 26.—West Virginia Wesleyan easily defeated Bethany college here yesterday afternoon. Morrison being able to score a shut out against the visitors. The final score was 6 to 0, Bethany getting five scattered hits but being unable to get a run across.

To those dopers who have been watching anxiously for some comparative showing between Wesleyan and the University, the results of the game yesterday confirm the supposition that the two teams are pretty well matched this year.

Men's Light		Men's Lighter
Pajamas		Cooler
all colors		Underwear
		30c to \$3.00.

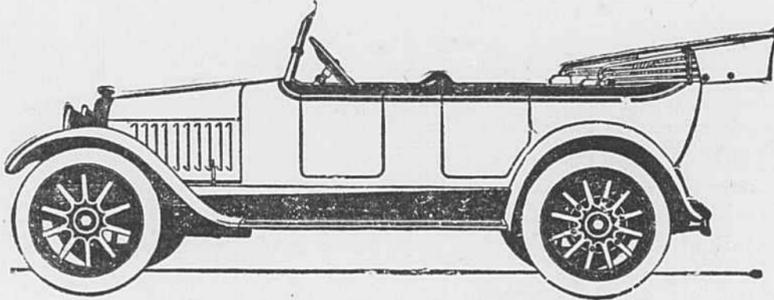

Tailored at Fashion Park

Time for Men's Low Shoes

Buy now, because you can be sure of moderate prices so long as our present stock lasts, because we bought great quantities in advance against the rising leather.

Plenty of blacks and plenty of tans, plenty of all the wanted kinds. Prices \$5.00 to \$8.00. (First Floor)

Chalmers 7-Passenger Touring Car—Price \$1350 Detroit

Chalmers Sensational Run Sets New Motor Car Standard

A Chalmers on March 26-27 set a new high mark in motor car history. On that date was established a standard in city traffic performance that promises to endure. To cover 586.8 miles through dense Chicago traffic in 24 hours is no mean feat. To do it with a stock 7-passenger touring car, carrying 4 passengers, on high gear only, without motor stop, and making 14 miles to the gallon of fuel is a superlative performance.

Chalmers accomplished the feat with ease. It did it because of the quality of its motor, the excellence of its design, the thoroughness with which it is built. Thus is proven the flexibility that a motor car owner of today demands. Thus is insured that economy that ap-

peals in this day of high cost of gasoline. Thus is demonstrated the ability of a builder like Chalmers to produce a car of superlative merit at a price far below what is necessarily asked by manufacturers of a limited output.

The conclusion is inevitable—Buy a Chalmers

Touring Car, 7-passenger	\$1350	Touring Sedan, 7-passenger	\$1850	Limousine, 7-passenger	\$2550
Touring Car, 5-passenger	1250	Roadster, 5-passenger	1250	Town Car, 7-passenger	2350

(All prices f. o. b. Detroit. Prices subject to change without notice.)
