

IN THE FRONT ROW

HEADLINERS TONIGHT.

Musical Comedy. Hippodrome. The Hello Girls Photoplays. Dixie. The Whip Princess. The Glorious Adventure Nelson. Old Wives for New

QUARTER night which furnished so much entertainment for the Hipp patrons on one of the special event nights last year will be held at the Hipp again this week. Bert Bence announcing from the stage last night that Friday evening would be the big night. On that night each admission ticket is accompanied by a coupon which is retained by the purchaser, the other deposited in a hat or ballot box. At the close of the show, the numbers in the hat are shaken up, and the first numbers out entitle the persons in the audience holding the same number to a garter worn by one of the girls in the company. The garter, by the way is something more than a memento, for the various garters will have different sized pieces of money. If we remember correctly, last year the amount ran as high as five dollars. Mr. Bence did not state the amount that would be given away this year, but aside from the money end of the proposition, endless amusement and interest will no doubt be created by this novel diversion. Through it, however, not one word or act will be seen or heard to stir the feelings of the most ardent. Mr. Bence has always claimed there were enough people in the world who liked a clean show to afford him a good living, and his experience has proven the truth of his position. Of all the people who have seen the present show at the Hipp, not a dissatisfied patron has been heard to speak ill of the show or its merits. Mr. Bence is already considering arranging for a return date for the company, the second appearance to come near the holidays.

Princess Repeats Mae Marsh. Holding over the picture showed yesterday, the Princess is again showing Mae Marsh in "The Glorious Adventure." One of the Hearst Pathe news features is also showing.

Last Day for "Whip." The last showing of "The Whip" is scheduled for the Dixie today. The picture has been well patronized, and those who saw it had plenty to keep them wide awake. The most thrilling stunts imaginable, filmed so realistically that one can almost hear the crash of the head on collisions, as bodies moving as almost a hundred miles an hour come together with heavy impact, are scattered through the eight reels in great variety as well as number. Special music all through the show is an enjoyable feature at this house.

Divorce Story Runs Again. The big divorce story, the social problem play at the Nelson, "Old Wives for New," is again on the screen today. There has been much comment on the story by those who saw it. Today also finds a corking good two reel Lehrman comedy on the screen.

McCONKEY TEAM TO MAKE ANOTHER TRY

Will Be Back at Blackshere Park Next Sunday Afternoon.

Again next Sunday the McConkey baseball team of Wheeling, the handsome champions, will invade Marion county to clash with the fast Mannington baseball club, which has been making a most conspicuous showing as the season comes to an end. Manager McConkey, of the Wheeling nine, is holding extra practice this week and is making every effort to avenge the defeat handed them at Mannington last Sunday when they were defeated by a 5-4 count. The Mannington team was loaded heavy, the marvelous "Scoops" Carey, one of the fastest outfielders in the National League, and "Sam" Jones, of world series fame, both being in the game for Mannington. While there has been no official announcement that they will be in the game again Sunday it is almost certain that their services will be secured again. The game Sunday will be the closing chapter of a most successful baseball season for the Wheeling team and a better game could not have been arranged.
