**Quits Cathartics—Internal Baths Relieved Permanently**

Mr. Joseph A. Weis, Hotel Vendome, Washington, D. C., writes "Tyrrell's Institute of New York, as follows:  
"On the 25th of June, 1915, I purchased a J. B. L. Cascade. The results it has produced are simply marvelous. For 20 years I used cathartics, but have used nothing but the Cascade for almost a month. I feel like a new man; I want to be pleasant to everybody. Before I used the Cascade I was a grouch. Did not like anybody and could not be pleasant. Now you battle internally with the 'J. B. L. Cascade' you will find yourself always bright, confident and capable. Poisonous waste in the lower intestine makes us bilious, blue, dull and nervous. Internal baths are Nature's own cure for constipation—just antiseptic water properly applied. Drugs force Nature—the 'J. B. L. Cascade' gently assists her."  
It is the invention of Chas. A. Tyrrell, M. D., of New York, who specialized on Internal Bathing for 25 years, and will be shown and explained to you by Fairmont Pharmacy, Fairmont, W. Va., who will also be glad to give you free on request an interesting booklet called "Why Man of Today is Only 50 Per Cent. Efficient," which covers the subject in a very thorough way.  
Clip this out as a reminder, and ask for the booklet the first time you are in the neighborhood.

**Writes His Druggist How Nerv-Worth Banished Deep Rooted Stomach Troubles.**

This well known man, clerk in the foreign department of the Merchant Trust Co. at Greensburg, Pa., was so thankful for the benefits derived from Nerv-Worth that he wrote the following letter to Greensburg's Nerv-Worth drug store:  
"For two years I have had stomach trouble. As a result of my stomach trouble I was nervous and could not sleep well. I was very weak and in a down-and-out condition. I doctored and tried all the remedies I could find in the effort to get relief, but without avail until I purchased a bottle of Nerv-Worth. My stomach trouble disappeared. I eat well and digest my food and sleep well. I certainly recommend Nerv-Worth to others."  
Sincerely yours,  
NICHOLAS LONG.
