### TERRIBLY SWOLLEN

**Suffering Described As Torture Relieved by Black-Draught.**

Rossville, Ga.—Mrs. Kimble Able, of this place, writes: "My husband is an engineer, and once while lifting, he injured himself with a piece of heavy machinery across the abdomen. He was so sore he could not bear to press on himself at all, and he was in pain. He weighed 175 lbs., and fell off until he weighed 110 lbs. in two weeks.

He became so swollen, and it looked like he would die. We had three different doctors, yet they could not cure him. His bowels failed to work. He would turn up a tea-cent bottle of castor oil, and drink it two or three days in succession. He did this without result. We became desperate, he suffered so. He was swollen terribly. He said he his suffering could only be described as torture.

I sent and bought Theodor's Black-Draught. I made him take a big dose, and when it began to act he blurted, he was in such misery, but he got relief and began to mend again. He got well, and we both feel he owes his life to Theodor's Black-Draught."

Theodor's Black-Draught will help you to keep fit, ready for the day's work. Try it.
