

# BUDGET PROVIDES \$27,500 FOR NEW STREETS IN CITY

### Funds Also Provided for New Sanitary Sewers and East Side Fire Station.

New improvements amounting to \$69,225.68 will be made in this city during the next year if the receipts of the city are expended as now contemplated in the Fairmont's new estimated budget. This will probably mean the building of a new East Side fire station; the purchase of a high power pump to pump water to high buildings for use in the fire department; the pavement and repair of many city streets; and the addition of many sanitary and storm sewers in the city.

The item in the new city budget listed "new improvements" includes the sum of \$27,500 for the pavement of streets and erection of storm walls. While this amount will not go far in street improvement if the Board of Directors were to grant all the petitions for paved streets presented to them, it will mean the improvement of a number of streets about the city. It is the largest and most costly of the new improvements listed in the budget as now drawn up. The city directors have petitioned for pavement of streets presented to them at the weekly sessions of the board of directors, but with the limited amount of money they have to expend it is utterly impossible to grant more than about one-fourth of the petitions. The street improvements contemplated by the directors for the coming year, while comparatively small, will be of much interest to the many petitioners of the city who have been waiting for years to have their streets improved, it is pointed out.

### Sanitary Sewers

Probably the most urgent of the new improvements listed for the ensuing year is that of sanitary sewers. For this work, the city fathers have included in the estimated budget the sum of \$18,425.68, which is the second largest of the contemplated improvements. The sewers in some sections of the city are in very bad shape, and it will cost many thousands of dollars to get them in proper condition. Many more thousands of dollars could be advantageously spent in this department alone if the city directors had the funds to carry out what they would like to do. It is said that the amount allotted, however, is believed to be sufficient to handle the situation satisfactorily for another year.

### Fire Equipment

Another interesting item in the budget is the sum of \$25,000 listed for the fire department. This will probably mean the purchase of a high power water pump to elevate water to the tops of high buildings. Such a pump will cost approximately \$12,500.

The city directors have been contemplating the purchase of such a pump for a long time, and have had numerous requests from citizens of the city to make the expenditure. The Kiwanis Club recently appeared before the board and asked for the purchase of such a pump, together with an aerial truck. An aerial truck would cost about \$15,000 and if the estimated budgets is adopted it looks as if the city authorities will purchase the pump but defer the purchase of the truck to another year.

### East Side Station

The sum of \$5,000 is provided for the building of a new East Side fire station, which will measure up with the other improvements now being made in the East Side. The ground for the new building has been selected and it will probably not be many months until the new station is completed.

Many other minor items are included in the budget, including \$25,000 for health department, equipment, which will probably mean the purchase of a new garbage truck. The garbage trucks are in bad condition, and the purchase of a new one is very urgent. The sum of \$700 is also provided for police department equipment, which will probably be expended in uniforms and other equipment for the police.

Provision has been made for \$1,000 to be spent in storm sewers about the city. The only other item listed under new improvements is \$500 for furniture and furnishings at the city building. If the improvements contemplated are carried out, they will not only be covered by the amount expended for new improvements in previous years. The budget drawn up last Tuesday is only a tentative arrangement, however, and it may be necessary to discard some of the contemplated improvements and spend the money in some other department.

## TWO MORE MEMBERS OF FAMILY KILLED IN FIRED

JACKSONVILLE, Fla. Aug. 11.—Fierce fighting brought death to two more members of the Wingate family last night near Hilliard in Nassau County, leaving only the fourth son, Elijah, surviving. The father and three sons having been killed in the last three years. William Wingate, the father, aged 71, and his son, Edwin, 41, were shot dead in their automobile last night but a seven-year-old son of Edwin was spared when he begged for his life. Two other sons were shot and killed some months ago. No arrests are known to have been made.

### CONFERENCE PLANS MADE

Plans are now being made for the conference of the Methodist Episcopal Church September 27 to October 2. Four hundred ministers from this and surrounding states are expected to attend.

## SAGOWANOSSANES OR SALEM MOSES SOLDIER AT CAMP

### Full-Blooded Seneca Indian Sergeant in Company B at Barrackville.

Sagowanossanes is his name and he is a first sergeant in Company B, First Battalion, 150th Infantry, now stationed at Camp Read, Barrackville.

Sagowanossanes didn't enlist under that name, however, because no one could ever pronounce it and the first ten men who tried developed a serious case of trismus, which is a fancy way of saying "lock-jaw."

When he joined the army Sagowanossanes discarded his racial title and enlisted under the name of "Salem Moses," under which non-dumpeum he is in training in Lee's Meadows.

### Full-Blooded Seneca

He is a full-blooded Seneca Indian and was graduated from Carlisle Indian School at Carlisle, Pa. in 1904. He was a member of the famous Carlisle football teams of that period. During the last two seasons he coached the St. Albans High School football team. He was a member of Company B at this time, this company coming originally from the St. Albans neighborhood.

Sagowanossanes' home is Versailles, N. Y. broke out. Through some chance he became a member of the 150th Infantry, the old Second West Virginia, and went overseas with that outfit. He was a first lieutenant with this division as was later transferred to the Seventy-ninth Division, where he held a similar rank. He served through the World War and returned to the United States on the signing of the armistice, being re-transferred to the 150th Infantry.

Sagowanossanes hasn't confessed what his name means but he had divided it up into pronounceable syllables, like this:

"Sa-go-wa-nos-sa-nes."

It is all one word. The first "a" is short and the other two broad Italian. Accents come on the third and fifth syllables, with a light accent on the first syllable, also.

### Don't Try to Say It

If you see Sagowanossanes, though, you hadn't better call him that because well remember what happened to those ten men-trismus! If you have a physician handy, you might practice it at home. On the camp grounds though it is better to stick to the pseudonymus he has chosen, "Salem Moses."

Sagowanossanes, a good Indian, is a good soldier, a good first sergeant and a good football player. He is one of the most interesting characters in the camp and a general favorite among the men of Company B.

## BETTER PRICE ASKED BY KANAWHA MINES

CHARLESTON, Aug. 11.—A differential above the established \$3.50 price for coal to meet the heavy costs of operators in Kanawha district has been asked of the Federal Fuel Commission, it was stated today by a member of the district fair price committee. The differential would be only temporary, he declared, and the price of coal in the district would return to that of other districts as soon as production came sufficiently near to normal to render this possible.

Operators in this district, the committee member said, had been faithfully adhering to the "Hoover" prices throughout with only about 15 per cent of normal production accompanied by undiminished overhead expenses this resulted in selling coal at a loss. It was to meet this loss, he declared, that the committee had asked that they be fixed higher than that for companies in non-union districts where full production was being obtained.

### MEXICAN CHIEF RESIGNS

MEXICO CITY, Aug. 11.—Manuel Padres, under secretary of the treasury, has resigned following disagreements over policy since Financial Secretary De La Huerta's return from the bankers' conference in New York.

It is probable that Salvador Urbina, former under secretary, who acted as Senator De La Huerta's counselor in New York will be appointed to succeed Padres.

## WAYNESBURG TO MEET FAIRVIEW

### Hard Battle Expected Sunday When Teams Meet on Fairview Diamond.

FAIRVIEW, Aug. 11.—The Waynesburg Independent baseball team will meet the Fairview Independents on the local grounds next Sunday afternoon in what is expected to be the hardest fought contest of the season. Waynesburg has an enviable record of twenty-three games won out of twenty-five played and succeeded in downing the Monongah Glass and the Ida May teams by the decisive scores of 6-3 and 10-0.

Many a fine record has been shattered when visiting teams have met local teams, and the Fairview Athletic Club is determined that Sunday's engagement will mean another victory for them. A big league pitcher has been secured to fill the mound position, and Chalfant will fill the backstop position for the visitors.

It is unsafe to predict the final results, but should Fairview emerge on the big end of the score, her past defeats would in a measure be wiped out. Capt. DeLoach will be giving his men stiff practice for the struggle and has the support of more than five hundred local fans who will be on the grounds when the umpire calls "play ball" at 3 o'clock Sunday afternoon. A large delegation of rooters is expected to come along with the Waynesburg outfit.

Slek and Recuperating  
Mrs. Charles Williams, who under went a major operation in Cook Hospital last Saturday afternoon, is recovering rapidly and will be able to return to her home in a few weeks.

Mrs. J. C. Wright, who was seriously ill for several weeks, is rapidly regaining her health.

Charles Burkhead of Washington street, who has been ill for several weeks with Bright's disease is slowly recovering his health.

Clifford Fox, who was ill with typhoid fever, is improving rapidly.

"Abe" Wilson, star high school athlete, is very ill at his home on Cedar street with typhoid fever. His physician, however, reports that his condition is not serious and that he will have recovered sufficient to attend school at the opening of September 11.

J. H. Burns, local hotel proprietor, has recovered from his illness and is able to perform his accustomed duties.

Elliott Gump, who has been very ill since undergoing a serious operation in the Cook Hospital, is recovering slowly.

### Sunday

The Methodist Episcopal quarterly conference will be held at Haught's Chapel tomorrow evening with District Superintendent C. F. Anderson in charge. Mr. Anderson will preach to the members of that congregation Saturday evening following the usual business session at 7:30 a. m. and 1:30 p. m. The Sunday services will continue throughout the day. A basket dinner has been arranged to feed all worshippers at the noon hour.

Several friends and classmates of Miss Ruth McCray assembled at her home last Tuesday night to celebrate her fifteenth birthday. The evening was spent in games and other amusements, after which refreshments consisting of ice cream, cake and coffee were served the guests. Among those present were Euryly Toothman, Noot Michal, Earl Mason, Paul Michal, Robert Miller, Glenn and Ben Ammons, Donny Mitchell and the Misses Mary Weaver, Lucy Severn, Marie Fritz, Alice Gilleland and Virginia Wilson.

### Copperhead Eggs

Not satisfied with his discovery of two copperheads, and eight young members of the same tribe, John Staller continued his search in the Tennant stone quarry this week and was successful in finding twenty unatched eggs, which Staller is confident belong to the Copperhead family.

### Building Under Way

Excavation for the addition to the Fairview High School has already reached the depth of the old building basement, but to make room for a gymnasium the excavation will be continued until a depth of ten feet lower is reached. Stone for the foundation is being completed and will be ready to lay the wall by the time the excavation is complete.

Rivesville High School will be ready for school, according to H. L. Tennant, who is in charge of the construction. The basement wall is completed and the frame building will be rushed up immediately. This building will consist of four class rooms to take care of the crowded school conditions, a gymnasium and a basement with a fuel room, dressing rooms, showers, and a work room for vocational agriculture.

### PERSONALS

William Ammons, local carpenter is erecting buildings for chemical toilets for the Clay District board of education, Monongalia County.

Burley Toothman, Wesley Wyer, Charles Phillips, Joshua Parrish, and John Toothman have obtained employment from the local board of education in excavating for the new high school building.

### METHODIST BISHOP DEAD

CHARLOTTE, N. C., Aug. 11.—Bishop John Kilgo of the Southern Methodist Episcopal Church, who died here last night after a heart attack suffered last Sunday, was formerly president of Trinity College at Durham, N. C., prior to his election as bishop twelve years ago. He was retired by the last general conference.

## Special Notices

James D. Charlton, Administrator of the Estate of George Critchfield, deceased, plaintiff, vs. ORA CRITCHFIELD, HOWARD CRITCHFIELD, an infant under the age of twenty-one years, and Edna Critchfield, an infant under the age of twenty-one years, Defendants.

IN THE CIRCUIT COURT OF MARION COUNTY, WEST VIRGINIA.

You and each of you will take notice that in pursuance of a decree of said Court, entered on the 17th day of June, 1922, in the chancery cause therein pending wherein you are the parties plaintiff and defendant, I have fixed on Saturday, the 23rd day of September, 1922, at 10 o'clock A. M., at my law office, 234 Adams Street, in the City of Fairmont, Marion County, West Virginia, as the time and place for hearing the discharge of my duties under said decree of reference, an abstract of which said decree is as follows:

"It is adjudged, ordered and decreed that this cause be and the same is hereby referred to E. C. Frame, one of the Commissioners in Chancery of this Court, to take, state and report an account showing:

First: What personal estate George Critchfield owned at the time of his death, and the character and value thereof.

Second: What disposition, if any, was made by the plaintiff, James D. Charlton, as administrator of the estate of the said George Critchfield, deceased, and how much, if any, of said personal property is now in the hands of the said James D. Charlton as administrator, available for the payment of any debts owing from the estate of the said George Critchfield, deceased.

Third: A settlement of the administration of the estate of said deceased by said James D. Charlton, his administrator.

Fourth: What debts, if any, the said George Critchfield owed at the time of his death, to whom they are payable, their nature and their respective amounts and priorities.

Fifth: What real estate, if any, was owned by the said George Critchfield at the time of his death, its quantity, description and location.

Sixth: And such other matters as any party in interest may require, to be done by the plaintiff, or such other matters as said Commissioner himself may deem pertinent, whether so requested or not."

At which time and place you are required to be present. E. C. Frame, Commissioner. John W. Mason Counsel for plaintiff. Aug. 11-18-25-Sept. 1

County of Marion, State of West Virginia, City or town of Monongah, to-wit:

At a special session of the council of the city or town of Monongah, Marion County, held in the council chambers hereof, in the mayor office building on the second Tuesday in August, to-wit, the 8 day of August, 1922, there were present Charles Linsig, mayor, W. E. Hagerty, clerk, W. H. McDonald, Thomas Rogers, Harry Bennett, George Fleming, George Thompson, members of the council of said city or town.

In accordance with chapter 126 Acts of the legislature of 1919, the council proceeded to make up an estimate of the amounts necessary to be levied for the current fiscal year, to cover all municipal debts and liabilities payable during the said year, including probable expenditures for municipal purposes, and proper allowances for delinquent taxes, expense of collections and contingencies; but deducting therefrom the money in the city treasury applicable to the service of the year and municipal claims and doth determine and estimate the several amounts to be levied as follows:

Current Municipal Purposes  
Estimates  
Total estimated receipts brought forward \$1,204.54  
Amount to be provided by levy for current municipal purposes \$9,781.47

It appearing from the foregoing estimate that it is necessary to raise by levy after deducting all credits, \$9,781.47 for regular municipal purposes; the amount it is determined that a levy of 50 cents (fifty cents) on each one hundred dollars assessed valuation of all property taxable in the said municipality of Monongah will be necessary to produce the estimated amount aforesaid for the ensuing fiscal year, based upon the last assessment thereof, as certified to the council by the officer whose duty it is to make such report, as follows:

Real estate \$6,112.15  
Personal Property 2,855.40  
Public utility property 1,013.76

Total \$10,981.31

State of West Virginia, County of Marion, City or town of Monongah, to-wit: I, W. E. Hagerty, recorder, in and for the municipality of Monongah, county of Marion and State of West Virginia, do hereby certify that the foregoing contents of said municipality for the 8th day of August, 1922.

Given under my hand this 9th day of August, 1922.  
W. E. Hagerty, Recorder, of the municipality of Monongah, W. Va. Aug. 11-18

## Special Notices

and the amount that will become due and collectible from every source for such purposes, except from the levy of taxes to be made for the current fiscal year.

Balance in hands of city treasury \$ 71.84  
Taxes uncollected 200.00  
General licensees 254.68  
Capitations 654.00  
Miscellaneous 25.00

Total estimated receipts (except from current levy) 1204.54

All other expenditures payable out of funds of the municipality for regular municipal purposes for the current fiscal year.

Salaries of General Administrative officers, \$600.

NOTE: Include Mayor, Clerk, Recorder, Treasurer, Police Judge, City Attorney and Councilmen or Commissioners, when authorized by charter.

Salaries of Chief and deputy police \$162.00  
General expense police department 25.00
