## CLEVELAND'S

## Superior Baking Powder

Insures light, sweet, delicious and wholesome food.

EXPERTS in baking are particular to use Cleveland's Baking Powder, and cook book authors and cooking school teachers with whom best results are imperative are careful to impress their readers and pupils with the importance of its employment. These are high proofs of the sterling value of this most excellent

Cleveland's Baking Powder is the great help of modern times to perfect cake and biscuit making, and many a young housekeeper has found the beginning of her success in cookery in its employment.

CLEVELAND BAKING FOWDER CO., NEW YORK.

Imitation baking powders are lower in price, but they are mostly made from alum and are injurious to health when taken in the food,

role of interpreter. Fines were impased as follows: L. Mazzoni, 310 and costs of \$8.61; G. Ralli, \$19 and costs of \$8.61; Migo Carboa, \$2 and costs of \$8.01, C. Lurca, \$1 The men did not have the money with

there and were allowed to go and secure it. I own, who is Mazzoni's baker, hur-red away to place his bread haking red no doubt this staple product was delivered late in several Italian bomes as a result of the Sunday evening disturbance. Maurice Millini had a hearing in the afternoon and was conditionally discharged, men were arrested by Officer Lunn. George McClellan, who was prrested payment of the costs.

Do not let any one induce you to take a
substitute in place of "Golden Medical
Discovery." Buy of reliable dealers.
With tricky ones, something else that pays
them better will probably be offered as
"just as good." Perhaps
"just as good." Perha

BOARD OF AGRICULTURE.

Aaron Jones of Indiana and

A summer meeting of the State Board of Agriculture was held Friday at the Williams Science Hall. The audience the morting was small but in the after on the hall was well filled with people

interested in farming pursuits and much useful knowledge was gained.

The morning sesion opened with Hon. C. J. Bell, secretary of the State Board of Agriculture, in the chair. President M. H. Buckham welcomed the visitors in a rew happy remarks and then told in an in-teresting way of his recent trip through the West and compared the Eastern and Western methods of farming with results

ddress upon "Corn and Grass." He spoke wriefly of the methods employed in farm-rig and brought out forcibly the value of oure seeds. He also advocated the plantng of fields in short rotation to procure the best results. Hon T. B. Terry of Ohio was the next

Hen T. B. Terry of Ohio was the next speaker and choose for his subject "Grow-ne Good Crops in a DrySeason." Hespeaker in the consideration Thursday.

After a consideration Thursday morning and cultivated a deeper days after the crop counce up the Rutland-Camadian railroad containing the surface of the soil. The land should be cultivated as deeper as we have to cultivate some. For the first, the farm of a black eye, their trouble counce up the form of a black eye. Their trouble council to soil.
