ITCHING ECZEMA FIFTY-FIVE YEARS

Suffered Torments from Birth . Boils Formed as Big as Walnuts -In Frightful Condition and Could Hardly Work - Tried All Kinds of Remedies to No Avail - At Last

WHOLLY CURED IN 8 MONTHS BY CUTICURA

"I had an itching, tormenting eczema ever since I came into the world, and I am now a man fifty five years old. I tried all kinds of medicines I heard of, but found no relief. I was truly in a frightful condition. At least my blood was so bad that I broke out all over with red and white boils, which kept growing until they were as big as walnuts, causing great pair and misery. I thought they would take the skin off my whole body, but I kept from scratching as well as I could. I was so run down that I could hardly do my work. Mr. Nelson R. Burnett recommended the use of Cutioura Remedies, telling me he was confident they would benefit and, in time, cure me. I used the Cutioura Soap. Ointment, Resolvent, and Pills for about eight months, and I can truthfully say I am cured. I cordially recommend Cuticura Remedies to all who are afflicted the same as I was, believing that, if they will use them according to directions, they will find them all they are represented to be. Any one doubting the truth of the above can write to Mr. Burnett, who will cheerfully wouch for my statements.

"Hale Bordwell, R. F. D. 3, Cedar Corners, Tipton, Ia., Aug. 17, 1907."

"I obserfully endorse the above testiments."

"I chaerfully endorse the above tea-timonial. It is the truth. I know Mr. Bordwell and know the condition he was in. He never tires of praising the Cuticura Remedies.
"Nelson R. Burnett, Tipton, Is."

New York, Aug. 3L-There was not room enough in the new club house of the Independence League to hold the large crowd that gathered to-night for the dual purpose of being present at the notification of Thomas L. It had been the intention to show the party leaders the new club quarters, but every inch of room in the modest little building in Waverly place was occupied this was almost impossible but the attempt was made and this delayed the no dification ceremoties to a late hour.

William R. Hearst and Mr. Hisgen entered the club house shortly after nine o'clock and were greeted by an outburst of cheering. Hisgen was enthusiastically referred to as "the trust buster," and 'our next president.' These titles brought
